TITLE: Motion to Approve a Recreation License Agreement between the School Board of Broward County and the City of Fort Lauderdale for Shared Use and Recreation Improvements to School Sites owned by the School Board of Broward County

Recommendation

It is recommended that the City Commission approve a motion to accept a Recreation License Agreement between the School Board of Broward County and the City of Fort Lauderdale for the shared use and recreational improvements to school sites owned by the School Board of Broward County.

Background

On October 25 1978, The School Board of Broward County and the City of Fort Lauderdale entered into a lease agreement allowing the City to improve and utilize a portion of land on several school sites. Over the term of the original lease agreement, the City developed portions of school land into playgrounds and other park and recreational facilities for use by neighbors and as needed by the schools.

The original lease agreement expires on October 25, 2018. The School Board of Broward County and the City of Fort Lauderdale desire to enter into a new twenty-five (25) year license agreement.

Resource Impact

There will be an expense to add additional fencing at some of the schools to provide added security, but until each site plan is reviewed and fencing is installed the estimated cost is unknown at this point.
