Your event may require security services based on expected attendance and other risk factors such as alcohol, time, day, location, event type or weather. Depending on your event it may be possible to supplement some of the City Police services with a private third-party security company if their security plan is approved by the City Police department. If you want to use a private security company, their proposed security plan must be presented along with their business license and contact information with this event application. The Police will review the plan and inform you if it meets City requirements.

If a Fort Lauderdale Police vehicle is required then a Hold-Harmless Agreement must be signed and Liability coverage of a minimum of one million dollars (\$1,000,000) must be provided.

PART V: RIVERWALK DISTRICT OUTDOOR EVENTS

Riverwalk Fort Lauderdale, Inc. will oversee all outdoor events held within the Riverwalk District. This includes use of Esplanade Park, Huizenga Park, Peter Feldman Park, Hardy Park, Sistrunk Park, Stranahan Park, Smoker Park and Laura Ward Plaza. The Riverwalk District is outlined below.

After your application submission, please contact the Riverwalk Director of Operations at 954-468-1541 x 205.

The information I have provided on this application is true and complete to the best of my knowledge.

If I have not submitted my application with the necessary plans, within the deadline and according to the rules outlined in the Special Events Manual it may be denied.

Before receiving final approval from the City Commission, I understand that I (and the production company, if applicable) must furnish an original certificate of General Liability insurance naming the City of Fort Lauderdale as additionally insured in the amount of at least one million dollars (\$1,000,000) or greater as deemed satisfactory by the City Risk Manager, and an original certificate of liquor liability insurance in the amount of five hundred thousand dollars (\$500,000) if alcohol is being served. Other liability insurance and fees may also be required up to thirty (30) days in advance of the event.

I understand that City of Fort Lauderdale Parks and Recreation sponsored activities have precedence over the event requested above and I will be notified if any conflicts arise.

I understand that the City of Fort Lauderdale Police department will determine all security requirements and that the City of Fort Lauderdale Fire Rescue department will determine all fire and Emergency Medical Services requirements.

I understand that any cancelations for City scheduled services must be made by phone to each department representative at least 24 hours before the scheduled event time or the organizer will be liable for any associated fees.

I understand that I may be required to provide a deposit based on historical performance or lack thereof.

I understand that the City has a noise ordinance that my event must follow. I agree to abide by all provisions of the noise control ordinance and understand that my failure to do so may result in a civil citation, a physical arrest, or the shutting down of the event. If at any time during the event it is determined by law enforcement personnel, code enforcement personnel, parks and recreation personnel, or any other city representative that the entertainment or music is causing a noise disturbance, I will be directed to lower the volume to an acceptable level as determined by City staff. If a second noise disturbance arises during the event, I may be directed to shut down the music or entertainment for

the remainder of the event.

Your event may require security services based on expected attendance and other risk factors such as alcohol, time, day, location, event type or weather. Depending on your event it may be possible to supplement some of the City Police services with a private third-party security company if their security plan is approved by the City Police department. If you want to use a private security company, their proposed security plan must be presented along with their business license and contact information with this event application. The Police will review the plan and inform you if it meets City requirements.

If a Fort Lauderdale Police vehicle is required then a Hold-Harmless Agreement must be signed and Liability coverage of a minimum of one million dollars (\$1,000,000) must be provided.

PART V: RIVERWALK DISTRICT OUTDOOR EVENTS

Riverwalk Fort Lauderdale, Inc. will oversee all outdoor events held within the Riverwalk District. This includes use of Esplanade Park, Huizenga Park, Peter Feldman Park, Hardy Park, Sistrunk Park, Stranahan Park, Smoker Park and Laura Ward Plaza. The Riverwalk District is outlined below.

After your application submission, please contact the Riverwalk Director of Operations at 954-468-1541 x 205.

The information I have provided on this application is true and complete to the best of my knowledge.

If I have not submitted my application with the necessary plans, within the deadline and according to the rules outlined in the Special Events Manual it may be denied.

Before receiving final approval from the City Commission, I understand that I (and the production company, if applicable) must furnish an original certificate of General Liability insurance naming the City of Fort Lauderdale as additionally insured in the amount of at least one million dollars (\$1,000,000) or greater as deemed satisfactory by the City Risk Manager, and an original certificate of liquor liability insurance in the amount of five hundred thousand dollars (\$500,000) if alcohol is being served. Other liability insurance and fees may also be required up to thirty (30) days in advance of the event.

I understand that City of Fort Lauderdale Parks and Recreation sponsored activities have precedence over the event requested above and I will be notified if any conflicts arise.

I understand that the City of Fort Lauderdale Police department will determine all security requirements and that the City of Fort Lauderdale Fire Rescue department will determine all fire and Emergency Medical Services requirements.

I understand that any cancelations for City scheduled services must be made by phone to each department representative at least 24 hours before the scheduled event time or the organizer will be liable for any associated fees.

I understand that I may be required to provide a deposit based on historical performance or lack thereof.

I understand that the City has a noise ordinance that my event must follow. I agree to abide by all provisions of the noise control ordinance and understand that my failure to do so may result in a civil citation, a physical arrest, or the shutting down of the event. If at any time during the event it is determined by law enforcement personnel, code enforcement personnel, parks and recreation personnel, or any other city representative that the entertainment or music is causing a noise disturbance, I will be directed to lower the volume to an acceptable level as determined by City staff. If a second noise disturbance arises during the event, I may be directed to shut down the music or entertainment for the event.
