The services shall include, without limitation, crowd control, traffic management, fire, ocean rescue, emergency medical services and police services. - c. In addition to the Applicant's Public Safety Plan, the City's Police and Fire Departments will author separate comprehensive Incident Action/Operational Plans specific to their duties. Such plans will take into consideration several factors, to include nationally accepted event planning and management guidelines utilizing the National Incident Management System (NIMS) and the Incident Command System (ICS). These plans will be fluid up until the conclusion of the event and may change based on real time intelligence, threat information, and other such inputs. Local representatives and agents from the Federal Bureau of Investigation (FBI) Special Events Unit, the Department of Homeland Security (DHS), Navy Criminal Investigative Service (NCIS), and other public safety partners will assist in determining the level and magnitude rating of this event, advise of any potential national security considerations, and provide intelligence gathering and event threat assessment assistance. Due to the sensitive security and safety implications of such plans, they will be kept confidential, accessible to City officials and Police/Fire personnel only and shall not be available for public or media distribution.

No additional street, lane, or traffic corridor closures will be permitted unless included in the MOT Plan and approved by the City Manager or his designee. Applicant agrees to provide City with emergency access to all areas included in the Event Site to ensure the safety and welfare of the community.
- f. Should Applicant request non-critical public safety services such as police escort services, and if such services are beyond the City's ability to provide, Applicant may make such arrangements and coordinate these services with the City.
- g. In the event that the Department of Homeland Security (DHS) issues an "Imminent Threat Alert", the Police Department will be responsible for assessing the need to provide additional security or if deemed necessary cancel the Event at no cost to the City.

In the event of an emergency or disaster during the Event, at the Event Site or as a direct result from the Event activities, that requires public safety resources beyond the original Public Safety Plan, Mutual Aid will be implemented and subsequent costs will be settled as provided by the Mutual Aid Agreement. Applicant shall reimburse the City's costs to respond to the emergency disaster.

- h. Applicant acknowledges that traffic control plans shall accommodate the ingress and egress to residences throughout the Event period.

8. COSTS FOR CITY SERVICES:

There is a 24 hour cancellation requirement to avoid the three (3) hour minimum payment per officer. All payments will be paid within two (2) weeks of the payroll being submitted. Applicant agrees that positions for all security and supplemental police details for the Event should first be offered to City personnel at the detail rate. If an insufficient number of personnel are available at the detail rate, Applicant shall have the option to utilize outside Florida sworn agencies to fill the deficiency prior to the City mandating personnel to work at the overtime rate, with the request made through and coordinated by the City Police and/or Fire Rescue Departments. The Fort Lauderdale Police Department and Fire Department shall retain the command and control of their respective event operation areas at all times and any mutual aid or assisting agency personnel shall follow such command procedures. The vendor agrees to pay police extra duty staff directly or, if at any time the City changes it policy regarding the

payment of City staff acting in extra duty capacity, the vendor shall work with the designated contracted payment company and/or the City directly to submit the amount of funds required to facilitate such payment. This will not negate any agreements or obligations the vendor has to submit escrow funds to the City prior to the event. Applicant further agrees to be responsible for any capital improvements that the City must make to accommodate Applicant's request for any building, electrical, plumbing, fire, municipal or county code requirements. Applicant shall also be responsible for any replacement and restoration costs as set forth in Section 16, Maintenance of and Payment for Damage to Property.

- c. Applicant agrees to secure a bond in an amount equal to one hundred and ten percent (110%) of the estimated cost of reimbursement for City services, to cover all costs and expenses associated with hosting the Event, including without limitation, public safety, maintenance cleanup, utility connections, breakdown and removal, storage and repair or replacement of property. City reserves the right to approve the bonding company and institution issuing the bond and the instrument shall be kept in full force and effect for the period of the Agreement. No later than thirty (30) days prior to the date of permission from City to first use the Event Site, Applicant shall provide the City with a valid payment bond in the amount specified above. The bond shall be written by a corporate surety company holding a Certificate of Authority from the Secretary of Treasury of the United States, executed and issued by a resident agent licensed by and having an office in the State of Florida, representing such corporate surety, providing that if Applicant fails to duly pay for any labor, materials or other supplies used by Applicant, the surety will pay the same in the amount not exceeding the sum provided in the surety bond. Applicant shall also have the option to escrow the funds in the amount equal to one hundred and ten percent (110%) of the cost of reimbursement for City services less any funds being provided by the Beach Improvement District (herein after referred to as "BID") ("Obligated Amount") in which case a bond would not be required by the City. The Obligated Amount shall be placed into the City of Fort Lauderdale Escrow Account to be held in escrow under the terms and conditions herein after set forth ("Escrow Deposit")
- d. In the event the Applicant elects to deposit the Obligated Amount with the City of Fort Lauderdale Treasurer, who shall be the Escrow Agent, the Escrow Agent shall promptly deposit, retain and disburse the Escrow Deposit in accordance with the terms hereof or as may be directed in writing by both the Applicant and City Manager on behalf of the City or as may be directed by a court of competent jurisdiction.
- e. If the Escrow Agent is in doubt as to his or her duties, the Escrow Agent shall retain the Escrow Deposit until Applicant and City, through its City Manager, collectively agree in writing to the disposition of the funds or until a court of competent jurisdiction has adjudicated the rights of Applicant and the City.
- f. Any suit between Applicant and City where Escrow Agent is made a party because of acting as Escrow Agent, or in any suit where Escrow Agent interpleads the Escrow Deposit, Escrow Agent shall recover reasonable attorney's fees and costs from the

Escrow Deposit, as between Applicant and City, and such fees and costs shall be charged and assessed against the non-prevailing party.

- g. The parties agree that the Escrow Agent shall not be liable to any party or person for misdelivery of the Escrow Deposit or any portion thereof to Applicant or City, unless misdelivery is due to willful breach of the terms hereof or gross negligence on the part of Escrow Agent.
- h. City recognizes that Applicant may rely on the support funding provided in 2019 by the Business Improvement District (herein after "BID") to cover the cost for city services.
- i. Applicant shall be responsible for clean-up of the area used for operation and private hospitality. Should Applicant fail to clean this area, Applicant shall be responsible for City's cost to clean the area, based on City's cost to provide labor necessary to clean the area. Applicant further agrees to be responsible for any capital improvements that the City must make to accommodate Applicant's request for any building, electrical, plumbing, fire, municipal, or county code requirements.
- j. The escrow deposit will be held until all effected departments have submitted their final invoice for the reimbursement of services. Once the final invoices have been received, the Applicant will be notified for approval. Once approved, the release of escrowed funds earmarked for police services will be wired back to the applicant's bank account. The Applicant shall release checks to police personnel for payment of off-duty details at the Event within three (3) business days of receiving the escrowed funds and the balance of BID funds into Applicant's bank account.
- k. The Applicant shall be subject to the City of Fort Lauderdale's Outdoor Event fees and fee structure pursuant to the City of Fort Lauderdale Code of Ordinances, as may be amended from time to time.

Providing proof of and maintaining adequate insurance coverage are material obligations of the Applicant. The Applicant shall provide the City a certificate of insurance evidencing such coverage. The Applicant's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Applicant shall not be interpreted as limiting the Applicant's liability and obligations under this Agreement. All insurance policies shall be from insurers authorized to write insurance policies in the State of Florida and that possess an A.M. Best rating of A-, VII or better. All insurance policies are subject to approval by the City's Risk Manager.

The coverages, limits, and endorsements required herein protect the interests of the City, and these coverages, limits, and endorsements may not be relied upon by the Applicant for assessing the extent or determining appropriate types and limits of coverage to protect the Applicant against any loss exposure, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the City's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Applicant under this Agreement.

The following insurance policies and coverages are required:

Aircraft Liability

Coverage must be afforded in an amount not less than \$5,000,000 per occurrence for any aircraft operations.

Watercraft Liability

Coverage may be provided in the form of an endorsement to the Commercial General Liability policy, or in the form of a separate policy covering Watercraft Liability or Protection and Indemnity for Bodily Injury and Property Damage.

Liquor Liability

Applicant shall provide evidence of coverage for liquor liability in an amount not less than \$1,000,000 per occurrence. If the Commercial General Liability policy covers liquor liability (e.g. host or other coverage), the Applicant shall provide written documentation to confirm that coverage already applies to this Agreement.

Business Automobile Liability

Coverage must be afforded for all Owned, Hired, Scheduled, and Non-Owned vehicles for Bodily Injury and Property Damage in an amount not less than \$1,000,000 combined single limit each accident.

If the Applicant does not own vehicles, the Applicant shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the

Commercial General Liability policy or separate Business Auto Liability policy.

Workers' Compensation and Employer's Liability

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the City must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the City's Risk Manager, if they are in accordance with Florida Statute.

The Applicant waives, and the Applicant shall ensure that the Applicant's insurance carrier waives, all subrogation rights against the City and the City's officers, employees, and volunteers for all losses or damages. The City requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

The Applicant must be in compliance with all applicable State and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable.

- b. The Applicant shall provide to the City a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.
- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Applicant to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term goes beyond the expiration date of the insurance policy, the Applicant shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.
- e. The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f. The City shall be named as an Additional Insured on all liability policies, with the exception of Workers' Compensation.
- g. The City shall be granted a Waiver of Subrogation on the Applicant's Workers' Compensation insurance policy.
- h. The title of the Agreement, Bid/Contract number, event dates, or other identifying reference must be listed on the Certificate of Insurance.

City of Fort Lauderdale
100 N. Andrews Avenue
Fort Lauderdale, FL 33301

The Applicant has the sole responsibility for the payment of all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the City as an Additional Insured shall be at the Applicant's expense.

If the Applicant's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Applicant may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Applicant's insurance coverage shall be primary insurance as applied to the City and the City's officers, employees, and volunteers. Any insurance or self-insurance maintained by the City covering the City, the City's officers, employees, or volunteers shall be non-contributory.

Any exclusion or provision in the insurance maintained by the Applicant that excludes coverage for work contemplated in this Agreement shall be unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Applicant must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Applicant's insurance policies.

The Applicant shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Applicant's insurance company or companies and the City's Risk Management office, as soon as practical.

It is the Applicant's responsibility to ensure that any and all of the Applicant's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Applicant.

22. **INDEMNIFICATION AND HOLD HARMLESS:** Applicant agrees to indemnify, defend and hold harmless City, its officers, agents and/or employees, against any and all damages, claims, losses, liabilities and expenses (including, without limitation, reasonable legal fees and disbursements) caused by, in connection with, arising out of, or results from the use of the Event Site or caused by, in connection with, arising out of, or resulting from any act by Applicant, its

partners, employees, officers and/or agents done in the performance of this Agreement. If called upon by City, Applicant shall defend not only itself, but also City in connection with any such claim at Applicant's expense, and at no expense whatsoever to City. Applicant further agrees to defend, indemnify, save and hold harmless the City and the City officers, agents, and employees from any claim, suit, loss, cost, or expense or any damages arising out of or relating to Applicant's failure to obtain all necessary performing rights and licenses for the event (BMI, ASCAP, etc.). City shall be liable for damages or injuries caused by the City's negligence as determined by a court of competent jurisdiction in the State of Florida. The foregoing sentence shall not serve as a waiver of the City's sovereign immunity or of any legal defense available to the City and shall be subject to the limitation contained in Section 768.28, Florida Statutes as amended or revised.

23. LIMITATION OF LIABILITY

- a. The City desires to enter into this Agreement only if in so doing the City can place a limit on the City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of One Thousand Dollars (\$1,000.00). Applicant hereby expresses its willingness to enter into this Agreement with Applicant's recovery from the City for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of One Thousand Dollars (\$1,000.00).
- b. Accordingly, and notwithstanding any other term or condition of this Agreement, Applicant hereby agrees that the City shall not be liable to Applicant for damages in an amount in excess of One Thousand Dollars (\$1,000.00), for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Article 768.28, Florida Statutes.

24. AUTHORITY OF CITY MANAGER OR DESIGNEE: City Manager or his/her designee and Applicant shall coordinate use of Event Site. The City Manager or designee shall have authority to suspend all or any part of the activities of Applicant when, in the City Manager's opinion, such activities may be or are detrimental to the public or to the City, or if the City has reason to believe Applicant, its agents, subcontractors, independent contractors, or employees have violated any law, rule or ordinance. City reserves the right through the City Manager or designee to suspend or terminate the use of the Event Site if visitors become unruly, and to reject from Event Site any sponsor, presentation, material or item which is or may be, in sole opinion of the City Manager, hazardous, offensive, immoral or disparaging to the image of the City, or to any person, or group of persons. The decision of the City Manager or designee in such regard shall be final and binding. This shall not preclude the on-site public safety commanders from having the ability to immediately suspend any portion of the Event for what is deemed, in their opinion, a matter of public safety without having to wait for a decision from the City Manager or designee.

25. TERMINATION:

- a. It is expressly understood and agreed that the City may terminate this agreement at any time if the City decides to discontinue the Event or determines that it is necessary to protect the public's health, safety and welfare. City also may terminate this agreement upon the breach by the Applicant of its obligations under this Agreement. If Applicant fails to put on the Event in 2019 or any year during the term of this Agreement, the City reserves the right to terminate this Agreement. Notice of such termination shall be in writing as set forth in Section 31, Notice.
- b. Applicant may elect to terminate this Agreement and no longer conduct the Event. If the Applicant elects to terminate this Agreement, Applicant shall notify the City in writing of such election prior to December 1st of the year preceding the next Event or within fifteen (15) days of receiving the budget for reimbursable services outlined in Section 6 of this Agreement, whichever is later. Applicant shall be obligated to reimburse City for any out of pocket hard costs and expense incurred by the City up to the date of termination in connection with the fulfillment of the City's obligations under this Agreement.

26. BREACH: A material breach of this Agreement by Applicant shall be grounds for the City Manager or Designee to terminate this Agreement. Before such termination, City shall give Applicant thirty (30) days written notice and an opportunity to cure the breach within such period.

27. FORCE MAJEURE: In the event the Event Site shall, at any time during the term of this Agreement, be destroyed or rendered unusable by storm or threat of a named storm within five hundred (500) miles of the Event Site, act of terrorism, war, act of God or other disaster or epidemic (collectively or separately, "Force Majeure Event"), then either party may terminate this Agreement. In such event, each party shall be responsible for their own costs and expenses incurred prior to such termination except if the Force Majeure event occurs during the Event Period, whereas Applicant will reimburse City for all actual costs incurred related to the Event, as otherwise provided hereunder.

28. GOVERNING LAW: This Agreement shall be interpreted and construed in accordance with the laws of the State of Florida and shall inure to and be binding upon the parties, their successors, and assigns. Venue for any action brought in state court shall be in Broward County, Florida. Venue for any action brought in Federal Court shall be in the Southern District of Florida, Fort Lauderdale Division. The parties consent to the personal jurisdiction of the aforementioned courts and irrevocably waive any objection to said jurisdiction.

29. AMENDMENT: No modification, amendment, or alteration of the terms or conditions of this Agreement shall be effective unless contained in a written document executed by both parties, with the same formality as this Agreement.

30. EXTENT OF AGREEMENT: This Agreement represents the entire and integrated Agreement between City and Applicant and supersedes all prior negotiations, representations, or agreements, either written or oral.

31. NOTICE: Whenever any party desires to give notice to any other party, it must be given by written notice sent by certified United States mail, with return receipt requested, addressed to the party for whom it is intended at the place designated below and the place so designated shall remain such until they shall have been changed by written notice in compliance with the provisions of this section. In addition, Applicant may request the United States to enter into the litigation to protect the interests of the United States.

B. Applicant for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that in the event facilities are constructed, maintained, or otherwise operated on the property described in this Agreement for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Applicant will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Pertinent List of Nondiscrimination Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.
