Developer further agrees to investigate, handle, respond to, provide defense for, and defend (with counsel selected by Agency) any such claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the Agency, Developer shall assume and defend not only itself but also the Agency in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to Agency, provided that Agency, exercisable by Agency's General Counsel (the "Risk Manager") shall retain the right to select counsel of its own choosing.

(b) The Developer's indemnification under subsection (a) shall survive the Completion Date or termination of this Agreement.

(c) The Developer's indemnity hereunder is in addition to; and not limited by any insurance policy and is not and shall not be interpreted as an insuring agreement between or among the parties to this agreement, nor as a waiver of sovereign immunity for any party entitled to assert the defense of sovereign immunity.

It is agreed that Developer shall pay Agency for the time and costs associated with the production of an estoppel letter and shall pay to Agency's estimated cost of producing the letter prior to Agency commencing the production of such letter.

17.10 Successors and Assigns.

(a) The Developer may not assign any or all of its rights, duties and obligations under this Agreement to any other person unless and until the Agency has agreed to such assignment. The Agency may assign this Agreement to the City or to any successor to the Agency at any time without any prior approval by the Developer, provided that

17.14 Failure To Address Particular Matters. The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the Developer of the necessity of complying with the law governing said permitting requirements, conditions, term or restriction.

17.15 Developer Not Agent of Agency. During the term of this Agreement, the Developer and the Contractor are not individually or collectively, and shall not be deemed to be individually or collectively, an agent or contractor of the Agency. The Developer shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract.

17.24 Public Records. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. (b) Nothing contained herein shall be deemed, construed or applied to cause any governmental authority, specifically including the Agency, to waive its right to exercise its governmental power and authority or to consider any request causing the exercise of its governmental powers in any manner other than that which is customary for the exercise of such governmental powers.
