**City Commission Agenda Memo**  
**CONFERENCE MEETING**

**#19-0165**

---

**TO:** Honorable Mayor & Members  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** February 5, 2019

**TITLE:** Update on the Joint City/County Governmental Center Discussions with Broward County

---

Mayor Trantalis and I have worked closely with Broward County Commissioner Chip Lamarca and Assistant County Administrator Alan Cohen to bring forward a mutually acceptable interlocal agreement between the County and the City to begin planning for the design and construction of a joint City/County Governmental Center.

Broward County Commissioner Tim Ryan is now assigned to the working committee because of Commissioner Lamarca's departure to the State Legislature.

Operating within a joint campus will provide the public an efficient building footprint through shared facilities and services. The interlocal agreement between the County and the City is nearing completion. The Mayor and I would like to update the City Commission on the progress of the project and discuss the potential site for the project.
