Part IV: SECURITY AND EMERGENCY SERVICES

Your Event may require Security and Emergency Services which will be determined using this application, your Site Plan and Narrative, your MOT, your transportation plan and any additional information requested during your Special Events meeting. The hourly rate and costs to be incurred by the event organizer will be quoted on the "Cost Estimate" worksheet developed at the meeting and provided to the organizer. The cost may change if any of your event details change after the meeting. You may be required to provide a deposit based on historical performance or lack thereof. The Appendix of the Special Events Manual has a description of most City services and their associated fees.

Fire Prevention and Emergency Medical Services

Fire Rescue will most likely need to inspect your event based on your Building Permit, expected attendance and other risk factors such as alcohol, time or day, location, event type or weather. When you complete your Building Permit Form with DSD you should indicate all the permits and inspections you need to avoid delays. See the Special Events Manual Appendix for estimated fees. For any inspections conducted by the Fire-Rescue department before the event, fees must be paid in advance through the Department of Sustainable Development. A minimum of four hours for each Fire Rescue staff member will be charged for all special event details unless the department receives a cancelation. Any cancelations need to be made by phone at least 24 hours before an event is expected to begin or you will be charged for the services. All payments will be invoiced to the Event Organizer and must be paid within thirty (30) days. For questions contact the Fire Marshal at (954) 828-6370

On-site Contact Name ____BRANDO GARCIA_____ Phone__786.246.3686_

Police

Your event may require Security. Depending on your event it may be possible to supplement some of the City Police services with a private third-party security company if their security plan is approved by the City Police department. If you want to use a private security company you or the security company must present the proposed security plan along with the businesses business license and contact information with the events application. The Police will review the plan and let you know if it will meet City requirements.

If a Fort Lauderdale Police Vehicle is required then a Hold-Harmless Agreement must be signed and Ligbility coverage of a minimum of ONE MILLION DOLLARS must be provided.

PART V: APPLICANT'S ACCEPTANCE

The information I have provided on this application is true and complete to the best of my knowledge. If I have not submitted my application within the deadline and according to the rules outlined in the Special Events Manual it may be denied.

Before receiving final approval from the City Commission, I understand that I (and the production company, if applicable) must furnish an original certificate of General Liability insurance naming the City of Fort Lauderdale as additionally insured in the amount of at least one million dollars (\$1,000,000) or greater as deemed satisfactory by the City Risk Manager, and an original certificate of liquor liability insurance in the amount of five hundred thousand dollars (\$500,000) if alcohol is being served. Other liability insurance and fees may also be required up to 30 days in advance of the event.

I understand that a City of Fort Lauderdale Parks and Recreation sponsored activity has precedence over the event requested above and I will be notified if any conflicts arise.

I understand that the City of Fort Lauderdale Police Department will determine all security requirements and that Emergency Medical Services is required by City Ordinance to be onsite during all special events.

Any cancelations need to be made by phone to each department representative providing services at least 24 hours before the scheduled event time or the organizer will be liable for any associated fees.

I understand that the City has a noise ordinance. If at any time during the event it is determined by law enforcement personnel, code enforcement personnel, parks and recreation personnel, or any other city representative that the entertainment or music is causing a noise disturbance, I will be directed to lower the volume to an acceptable level as determined by City staff. If a second noise disturbance arises during the event, I may be directed to shut down the music or entertainment for the remainder of the event. I agree to abide by all provisions of the noise control ordinance and understand that my failure to do so may result in a civil citation, a physical arrest, or the shutting down of the event.
