

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#19-0130

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: March 5, 2019

TITLE: Motion to Approve Contract for Port Condo Large Water Main
Improvements - Sun-Up Enterprises Inc. - \$395,390

Recommendation

It is recommended that the City Commission approve a contract, in substantially the form attached, for the Port Condo Large Water Main Improvements Project with Sun-Up Enterprises Inc., in the amount of \$395,390.

Background

The purpose of this project is to replace approximately 1,300 linear feet of undersized and deteriorated water main with new 12-inch water main, including fire hydrants and water service connections along Grande Drive.

On October 15, 2018, the Procurement Services Division issued Invitation to Bid No. 12150-693. The City received twelve bids in response to the solicitation, which were opened on November 28, 2018. All bids were reviewed for compliance with the solicitation specifications. The apparent low bidder, Continental Construction, USA, LLC, was deemed non-responsive as the references submitted for work experience did not meet the requirements of the solicitation. The bid submitted by Sun-Up Enterprises Inc. has met all of the specifications of the solicitation and has been deemed the lowest cost, responsive, and responsible bid.

Resource Impact

There will be a fiscal impact to the City in the amount of \$395,390 for the contract award and allowances and \$71,479 for estimated in-house management for a total of \$466,869. Funds for this contract in the total amount of \$466,869 are available in the FY 2019 Community Investment Plan in the account listed below:
