

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#19-0242

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: March 19, 2019

TITLE: Motion to Approve Temporary Access Agreement with the School Board of
Broward County for City Contractor Temporary Access to Pump Station
C-3

Recommendation

It is recommended that the City Commission approve a Temporary Access Agreement with the School Board of Broward County and authorize execution of the agreement by the City Manager (Exhibit 1).

Background

The Temporary Access Agreement is required by the School Board of Broward County, to grant access of City Contractor to School Board property, more specifically the New River Middle School, for the demolition and abandonment of wastewater Pump Station C-3.

The school's sewer system has been directly connected to the Riverland Area sewer collection system. The direct connection has eliminated the need for Pump Station C-3. Pump Station C-3 is inactive and must be demolished and abandoned.

Resource Impact

There is no fiscal impact to the City.

Strategic Connections

This item is a *Press Play Fort Lauderdale Strategic Plan 2018* initiative, included within the Neighborhood Enhancement Cylinder of Excellence, specifically advancing:

- Goal 2: Be a sustainable and resilient community.
- Objective 1: Proactively maintain our water, wastewater, road and bridge infrastructure.

This item advances the *Fast Forward Fort Lauderdale 2035 Vision Plan: We Are Community*.
