

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#19-0260

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: March 19, 2019

TITLE: Motion to Approve Event Agreements: Tarpon River Anniversary Party
and Night on the Streets: Ending the Trafficking of Homeless Youth

Recommendation

It is recommended that the City Commission approve event agreements with Downtown Fort Lauderdale Brewery LLC and Ark of Freedom Alliance Incorporated and authorize execution of agreement by the City Manager. If the Commission is in agreement with the applicant's request for extended hours, a separate motion should be made.

Background

The Night on the Streets: Ending the Trafficking of Homeless Youth event was approved by the Commission November 20, 2018, however, due to bad weather the event was cancelled. The promoter is now requesting to host the event on March 23-24, 2019.

City staff has been working closely with the event organizers regarding event topics, such as logistics, maintenance, and security as detailed below. The Police Department recommends approval of the closing of the City streets where appropriate, and event parking has been satisfactorily arranged. When applicable, amplified music was discussed and event organizers were advised of the noise ordinance and possible concerns.

The organizers will pay for all event costs and submit the required certificates of insurance. The event organizers will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified, as appropriate, regarding events in their areas. Specific event details are included in each event application as attached.

Where applicable, the City Commission authorizes amplified music for the events listed below.

Authorization for the execution of the event agreements is contingent upon the City Attorney's Office receiving and approving a validly executed agreement.

Effective October 1, 2015 the City began to enforce the noise requirements outlined in Exhibit 1.
