Recommendation

It is recommended that the City Commission approve a revised agreement, in substantially the form attached, for emergency medical services (“EMS”) ambulance billing services and electronic patient care reporting software with Advanced Data Processing, Inc., d/b/a Intermedix.

Background

On April 16, 2019 the City Commission approved an Agreement for EMS Ambulance Billing, based on Request for Proposal No. 12176-795 with Advanced Data Processing, Inc. d/b/a Intermedix, to provide City with EMS billing services (CAM 19-0210). Subsequently, the vendor requested additional changes to the contract. The City rejected some of the changes but agreed to most which were minor edits to the Indemnification, Intellectual Property, Limitation of Liability and Public Records sections. Exhibit 2 is the revised agreement reflecting the agreed upon changes.
