City Commission Agenda Memo
REGULAR MEETING**

#19-0553

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: July 9, 2019

TITLE: Resolution for Imposition of Special Assessment Liens for Costs
Associated with the Securing of Multiple Properties – **(Commission
District 3)**

Recommendation

It is recommended that the City Commission approve a resolution authorizing the imposition of special assessment liens for the costs associated with securing and boarding of open and unsecured buildings for the properties listed in Exhibit 1.

Background

Pursuant to Sections 18-14 and 18-15 of the Code of Ordinances of the City of Fort Lauderdale (Code), the City boarded up and secured open and abandoned structures on properties listed in Exhibit 1. The exhibit includes the actual costs and expenses incurred by the City to abate the public nuisance, which are to be recorded against the respective properties as a special assessment lien in the public records of Broward County.

In accordance with the Section 18-13 of the Code, the property owner is notified to secure the property within 10 days of the date of a citation. When compliance is not achieved within the required timeframe, the property is secured by the City's contractor. A statement of costs and expenses is mailed to the property owner requesting reimbursement.

If the City does not receive payment on the outstanding balance within 30 days from the date of the mailing, the case will be recorded in the public records of Broward County. Additionally, interest will accrue on the outstanding balance at a rate of 4.75% annually. Sections 215.422(3)(b), 337.141(3) and 687.01, Florida Statutes, requires the use of this rate for the payment of interest for late payments to vendors. The outstanding balance may also be referred to the City's collection agency.

Resource Impact

Should the City receive payment on the outstanding balance, the City will recover the \$2,591.00 spent to perform the service plus any interest.
