REGULAR MEETING

#19-0627

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: July 9, 2019

TITLE: Resolution in Support of the Broward Metropolitan Planning Organization's
Cost Feasible Plan and Programming - **(Commission Districts 1, 2, 3 and
4)**

Recommendation

It is recommended that the City Commission adopt a resolution in support of the Broward Metropolitan Planning Organization's (MPO) Draft Cost Feasible plan and programming.

Background

The Broward Metropolitan Planning Organization (MPO) is responsible for long term regional planning efforts, which are outlined in their *Commitment 2045 Metropolitan Transportation Plan (MTP)*. One element of the MTP is to create and define a Cost Feasible plan every five years, which identifies the projects to implement in the near future.

On May 9, 2019, the Broward MPO Board of Directors approved a draft Cost Feasible plan which includes eleven projects within the City of Fort Lauderdale, as outlined in Exhibit 1. To advance this plan to a final version, the Broward MPO requires a Resolution in Support, by August 1, 2019, from each partner agency, including the City of Fort Lauderdale. In addition to the MPO, the Florida Department of Transportation (FDOT) also requires a Resolution in Support for project programming in their work plan.

Resource Impact

There is no fiscal impact associated with this action. Design and construction will be funded by the MPO with project management completed by FDOT.
