Your event may require security services based on expected attendance and other risk factors such as alcohol, time, day, location, event type or weather. Depending on your event it may be possible to supplement some of the City Police services with a private third-party security company if their security plan is approved by the City Police department. If you want to use a private security company, their proposed security plan must be presented along with their business license and contact information with this event application. The Police will review the plan and inform you if it meets City requirements.

If a Fort Lauderdale Police vehicle is required then a Hold-Harmless Agreement must be signed and Liability coverage of a minimum of one million dollars (\$1,000,000) must be provided.

I understand that the City has a noise ordinance that my event must follow. I agree to abide by all provisions of the noise control ordinance and understand that my failure to do so may result in a civil citation, a physical arrest, or the shutting down of the event. If at any time during the event it is determined by law enforcement personnel, code enforcement personnel, parks and recreation personnel, or any other city representative that the entertainment or music is causing a noise disturbance, I will be directed to lower the volume to an acceptable level as determined by City staff.
