

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#19-0697

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: August 20, 2019

TITLE: Motion Authorizing Execution of 1) A Revocable License Agreement between BJK Ventures, LLC, Broward County and the City of Fort Lauderdale for the Installation and Maintenance of Improvements on South Andrews Avenue in Association with the “Marine 1957” Project Located at 1957 South Andrews Avenue; and 2) An Agreement Ancillary to Revocable License Agreement, Between BJK Ventures, LLC and the City of Fort Lauderdale – **(Commission District 4)**

Recommendation

It is recommended that the City Commission approve a motion to authorize the execution of two separate agreements for the installation and perpetual maintenance of public realm improvements on South Andrews Avenue, in association with the “Marine 1957” project (formerly known as the “Southern Marine Supply”) located at 1957 South Andrews Avenue, as follows: 1) A Revocable License Agreement (RLA) among BJK Ventures, LLC (“Developer”), Broward County and the City of Fort Lauderdale (“Tri-Party RLA”); and 2) An Agreement Ancillary to said Tri-Party RLA, between BJK Ventures, LLC and the City of Fort Lauderdale (“AARLA”).

Background

The subject development consists of a two-story retail storage building (DRC# R16038) that was issued site plan approval by the City in December 2016. A location map is attached as Exhibit 1. The Department of Sustainable Development (DSD) requires the Developer to construct concrete driveway paving, concrete sidewalk, landscaping, root barrier, irrigation and other ancillary improvements to comply with the intent of the City’s Vision Plan, *Fast Forward*. These improvements lie along and within the South Andrews Avenue right of way (“Right-of-Way Improvements”).

South Andrews Avenue is under Broward County’s jurisdiction and is classified as a minor arterial. The County is requiring execution of the Tri-Party RLA as a condition of their approval for the developer to install and maintain the Right-of-Way Improvements. The Tri-Party RLA places certain obligations on the Developer to ensure that the Right-of-Way Improvements are maintained to meet minimum County standards. The Tri-Party RLA also contains conditions that obligate the City to become responsible for and

assume the Developer's responsibilities and obligations for the ongoing maintenance, repair and replacement of the Right-of-Way Improvements in case of default by the Developer. In turn, as a condition precedent to the execution of the Tri-Party RLA, the City is requiring the execution of the AARLA that provides certain remedies for the City in the event of default by the Developer. These remedies include the Developer paying fines to the City or reimbursing the City for all reasonable and necessary costs and expenses related to curative actions taken by the City, and the City reserving the right to record a Claim of Lien against the Developer's property.

A copy of the Tri-Party RLA is provided as Exhibit 2 and a copy of the AARLA is included as Exhibit 3. If the City Commission approves execution of both agreements, then originals of the Tri-Party RLA executed by the City will be forwarded to Broward County for consideration and formal action by the Board of County Commissioners to enter into the agreement.

Resource Impact

There is no fiscal impact to the City associated with this action.

Strategic Connections

This item is a *Press Play Fort Lauderdale Strategic Plan* initiative, included within the Infrastructure Cylinder of Excellence, specifically advancing:

- Goal 1: Be a pedestrian friendly, multi-modal City.
- Objective 2: Integrate transportation land use and planning to create a walkable and bikeable community.
- Initiative 3: Develop a citywide comprehensive public/private sidewalk policy and plan to improve sidewalks and connections

This item advances the *Fast Forward Fort Lauderdale 2035 Vision Plan: We are Connected*.
