Dear Fort Lauderdale team,

Congratulations! After thoughtful consideration – and a very competitive process – your team has been selected as a recipient of the inaugural Degree & Blue Zones “Made to Move” grant opportunity. We were very impressed with both your application and interview and look forward to supporting your team in developing and implementing a successful project.

We have attached the Master Services Agreement for your review and signing by Friday, August 16th. We are available for any questions during the review process. Please let us know as soon as possible if, for any reason, you are *unable* to accept this award.

Once there is an executed agreement, we will connect to discuss next steps, including details of the workshop in Minneapolis (September 19th and 20th) and logistics around travel.

As there is a press release planned in September (exact date to be confirmed) to announce awardees, your participation in the program is contingent upon your keeping this information confidential until publicly announced. We are happy to answer any questions you may have.

Many thanks.

The Made to Move team
