In addition, Developer shall execute and deliver an Affidavit of Posting, certifying that the Notice of Commencement has been posted at the Project site.

(i) Agency shall have received true and correct copies of all permits (including, without limitation, the building permit and all other permits) required to be issued for construction of the Project improvements, together with all other consents, licenses, permits and approvals required to be issued for the construction of the Project Improvements, all in assignable form (to the extent appropriate) and in full force and effect. Developer shall, provide proof, satisfactory to Agency, that it has obtained all applicable licenses, permits (including the final, unconditional building permit), authorizations, consents, zoning and land use, concurrency, site plan, or other approvals from each governmental authority necessary for the immediate development/construction of the Project Improvements; all such licenses, permits, authorizations, consents, zoning and land use, concurrency, site plan, or other approvals shall be and shall remain throughout the term of this Agreement in full force and effect. Copies of all building permits and/or licenses free of contingencies are to be submitted to Agency for approval for all Streetscape Improvements, including related amenities. Prior to Closing, Developer shall deliver to Agency all authorizations, permits or approvals required by any

governmental authority for the construction of the Streetscape Improvements and operation of the Property for the purposes contemplated under this Agreement.

(j) Developer shall deliver to Agency such other documents and certificates as Agency may reasonably request from Developer in form and content satisfactory to Agency.

(k) Developer shall provide to Agency the terms, conditions and time table for identifying, ordering, delivering, storing and insured the furniture, fixtures and equipment for the Project acceptable to Agency.

Final Advance. Within ten (10) days of the completion of the improvements being funded with Agency Funds, in addition to satisfying all of the conditions and supplying all of the documents required under this Agreement, Developer shall supply Agency with the following documents prior to payment of the final advance and, in form and substance reasonably acceptable to Agency:

1) Certificates from Developer's architect, engineer, contractor, certifying that the improvements (including any off-site improvements) have been completed in accordance with, and as completed comply with, the Plans and all laws and governmental requirements; and Agency shall have received two (2) sets of detailed "as built" Plans approved in writing by Developer, Developer's architect, and each contractor;

2) Final affidavits (in a form approved by Agency) from architect, engineer, General Contractor and each contractor certifying that each of them and their subcontractors, laborers, and materialmen has been paid in full for all labor and materials for construction of the improvements; and final lien releases or waivers (in a form approved by Agency) by architect, engineer, Contractor, and all subcontractors, materialmen, and other parties who have supplied labor, materials, or services for the construction of the improvements, or who otherwise might be entitled to claim a contractual, statutory or constitutional lien against the Property;

3) Evidence satisfactory to Agency that all laws and governmental requirements have been satisfied, including receipt by Agency of all necessary governmental licenses, certificates and permits (including certificates of occupancy) with respect to the completion, use, occupancy and operation of the improvements, together with evidence satisfactory to Agency that all such licenses, certificates, and permits are in full force and effect and have not been revoked, canceled or modified;

4) Three (3) copies of a final as-built survey satisfactory to Agency;

5) All Certificates of Occupancy for the improvements;

6) Policies of fire, lightning and extended coverage insurance,

and such other types of insurance as may be reasonably required by Agency in such amounts and containing such terms as required in this Agreement or as otherwise required by Agency, endorsed to show the interests of Agency and in form and substance and written by companies satisfactory to Agency.

(a) Conditions for Each Advance: Ten (10) business days prior to each advance, Developer shall supply Agency with a written request for (in form acceptable to Agency) executed by Developer for an advance, which request shall set forth the amount sought, shall constitute a covenant and affirmation of Developer that the warranties and representations in this Agreement are correct and true, that all the covenants, terms and conditions of this Agreement are being complied with, and that no unmatured event of default or event of default has occurred as of the date of the advance. The form for advances of the Agency Funds must be executed by Contractor and all requests for Agency Funds must be accompanied by such other evidence as may from time to time be reasonably requested by Agency, including, but not limited to, applications, certificates and affidavits of Agency, Contractor, and title company, if any. showing:

- (i) The percentage of completion of the improvements and the value of that portion of the improvements completed at that time.
- (ii) To the extent required under applicable Florida law, waiver of liens one month in arrears from all subcontractors and materialmen indicating the dollar amount received from previous draw. Waiver of liens from Contractor for the total amount of the previous draw and indicating that all outstanding claims for labor, materials and fixtures through the date of the last advance have been paid and liens therefor waived in writing, except for non-paid claims approved by Agency.
- (iii) That Developer has complied with all of its obligations under the Agency documents as of the date of the request for an advance.
- (iv) To the extent required by Agency, copies of all bills or statements for expenses for which the advance is required.
- (v) That all change orders and extras required to be approved have been approved in writing by Agency.
- (vi) That the amount of undisbursed Agency Funds is sufficient to pay the cost of completing the improvements in accordance with the Plans, as same may have been amended or evidence that Developer has sufficient funds to cover the cost overruns.
- (vii) That each requisition of funds is to be used for the specific account for which the requisition is made.
- (viii) That funds requested to be disbursed are not for any other purpose or in any other amount than as described and allocated on the Project budget.
- (ix) Any change orders, cost overruns or other associated construction costs that are not covered by the balance of the loan, must first be funded by the Developer prior to the Agency funding the next draw.

- (x) The warranties and representations contained in this Agreement are correct and true, all the covenants, terms and conditions of this Agreement remain satisfied, and no unmatured event of default or event of default has occurred as of the date of the advance.

The request for an advance shall contain claims for labor and materials to the date of the last inspection by the Agency and not for labor and materials rendered thereafter. One (1) time each month, the Agency may inspect the Property to determine the percentage of completion for purposes of the next request for an advance. Advances shall be made no more frequently than once a month.

Advances. Advances shall be made to Developer by Agency, or at Agency's option, through title company, if any, and Agency shall comply with all disbursing requirements of Agency and title company.

Developer's Contribution. Developer shall be obligated to fund the balance of the Project costs in excess of the Agency Funds and any costs overruns or any additional unforeseen circumstances. Developer has funded \$42,355.00 of its funds and shall provide evidence that it has made additional disbursements of \$5,500.00 for approved Project costs before Agency will make any additional disbursements. Based on an estimated budget of \$541,332.50, both parties anticipate Developer has to fund from its own funds an additional \$50,000 which will be funded, *pari passu*, with Agency Funding. Developer shall not be reimbursed for its contribution.

- 5. Cross Default. A default under the Façade Agreement shall be deemed a default under this Agreement. Further, a default under this Agreement shall be deemed a default under the Façade Agreement.
- 6. Ratification and Capitalized Terms. Unless modified herein, all other terms and conditions of the Agreement remain unchanged. The Developer hereby ratifies and approves the Agreement as amended by this First Amendment.

IN WITNESS WHEREOF, the parties hereto have set their hands effective as of the date set forth in the introductory paragraph.

5. To pay all expenses reasonably incurred by the Mortgagee because of failure of the Mortgagor or Developer to comply with the obligations in the Agreement, the Note(s) or this Mortgage, including reasonable attorneys' fees.
6. If the buildings are not kept insured as provided, or if the Mortgagor or Developer defaults in any of the other covenants, stipulations or agreements contained herein or in the Agreement, the Mortgagee, without waiting or affecting the option to foreclose, may pay any and all such payments or obligations, may insure the buildings, or may otherwise perform any of the covenants or agreements on behalf of the Mortgagor or Developer, and any and all such sums or expenses paid or incurred, with interest thereon from the date of payment at the rate of interest prescribed in the Note secured by this Mortgage, shall also be secured by this Mortgage.
7. This mortgage lien shall extend to and include all rents and profits of the mortgaged property. In the event of foreclosure the court is authorized to appoint a receiver of the mortgaged property and to apply such rents or profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.

8. If any provision of this Mortgage is breached, then the unpaid principal balance, together with accrued interest, shall immediately become due and payable at the option of the Mortgagee, and the Mortgagee may foreclose this Mortgage in accordance with procedures established by law, and have the property sold to satisfy or apply on the indebtedness hereby secured.

9. The agreements and promises of the Note(s) secured hereby and of this Mortgage and the Agreement are intended to be covenants running with the land or of any interest therein, to be binding on the respective promisors, their heirs, legal representatives and assigns, and to inure to the benefit of the respective promisees, their heirs, legal representatives and assigns.

10. The lien hereby created shall cease and become null and void upon complete performance of all the covenants, stipulations and agreements contained in this Mortgage, the Note(s) which it secures, and the Agreement.

11. The Mortgagee, Developer and Mortgagor have entered into the Agreement pursuant to which the indebtedness evidenced by the Note(s) is being incurred by the Developer. The Mortgagor covenants and agrees that any breach of the terms of such Agreement, as same may be amended from time to time, by the Mortgagor or Developer shall constitute a breach and default under this Mortgage entitling the Mortgagee herein to declare the entire unpaid principal sum secured hereby, together with interest then accrued, immediately due and payable and to enforce collection thereof by foreclosure or otherwise.

12. Privilege is reserved to prepay this note and mortgage, in whole or in part, at any time without notice and without penalty.

13. Mortgagee shall give written notice to Mortgagor of any event of default under this Mortgage or the Note and Mortgagor shall have thirty days in which to cure said default. All notice shall be given in the manner provided in the Agreement.
