13.2. In the event the LICENSEE fails to remove the Project Improvements and CITY finds it necessary to remove the Project Improvements in accordance with the foregoing, then the total expense incurred by the CITY in removing the Project Improvements and the administrative costs associated therewith shall be considered a special assessment and lien upon the Property. LICENSEE shall have thirty (30) days from the date of the statement of the total expenses incurred by the CITY and the administrative costs associated therewith within which to pay to the CITY the full amount due. Failure to timely pay the amount due or serve upon the CITY Manager a written letter contesting the statement of assessed expenses and administrative costs will result in the matter being scheduled before the CITY Commission for consideration of and adoption of a Resolution assessing against the Property the expenses and administrative costs associated with the CITY's removal of the Project Improvements. The Resolution may also impose a special assessment lien against the Property for the expenses and costs so assessed. A Notice of the Special Assessment assessed by the CITY Commission for the unpaid expenses and costs as stated above shall be recorded with the CITY Clerk and in the Public Records of Broward County, Florida. This indemnification shall survive termination, revocation or expiration of the RLA and this Agreement and shall cover any acts or omissions occurring during the term of the RLA and this Agreement, including any period after termination, revocation or expiration of the RLA and this Agreement while any curative acts are undertaken.

16. Insurance. At all times during the term of the RLA and this Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the insurance coverages set forth in the RLA and LICENSEE shall provide Certificates of Insurance to CITY at least fourteen (14) days prior to the commencement of the License Term and annually thereafter on the anniversary date of the policies.

17. Remedies of CITY.

Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum simple interest but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the

undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation.

17.3 If LICENSEE does not make the payments required under this Section within the thirty (30) day period set forth herein, then CITY shall have a right to record a Claim of Lien against the Property, which Lien may be either (a) for the total amount of the fines resulting from the procedures set forth in Sections 17.1 and 17.2, including all subsections thereunder, or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of the Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE'S failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

17.4 CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien. The remedies found within this Section 17, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

18. Requirement for Notice. LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the License Area. LICENSEE shall also give CITY prompt written notice of any notices of violation received from the COUNTY.

Licensee shall ensure that the landscaping plans incorporate a minimum of fifty percent (50%) native species by plant types (e.g., canopy tree, palm tree, and shrub). Licensee shall also ensure that the ongoing maintenance of the Improvements in accordance with the Broward County Highway Construction and Engineering Division Revocable License Agreement Minimum Maintenance Performance Requirements described in Exhibit

C, and in compliance with the Broward County Naturescape program and Florida-Friendly Landscaping principles.

2.2 Within five (5) days after installation of all the Improvements, Licensee shall notify the Director of the HCED ("Director") that the Improvements are installed. The Director may, in his or her sole discretion, require Licensee to reinstall or remove any or all of the Improvements if the Improvements fail to comply with this Agreement or the approved plans and specifications.

2.3 County, its agents, or authorized employees, shall continue to have unimpeded and unrestricted access to the Revocable License Area at all times for all purposes including to examine and determine if Licensee is properly using and maintaining the Revocable License Area under the terms and conditions of this Agreement.

2.4 Any alteration of the Improvements by Licensee shall require the prior submittal of plans and specifications and a permit issued by the HCED consistent with the requirements under Paragraphs 2.1 and 2.2, above, and the subsequent acceptance of the alteration(s) by the Director.

2.5 Licensee shall keep the Revocable License Area clean, sanitary, and free from trash and debris until termination of the Licensed Use. Licensee specifically agrees to install, maintain, and repair the Improvements in strict accordance with the approved plans and specifications and in a manner that will not pose a hazard to persons or vehicles on any adjacent property. If Licensee fails to perform or comply with the requirements of this paragraph, Licensee will have thirty (30) days after receipt of written notice from Director identifying the deficiencies to return the Revocable License Area to a condition acceptable to the County as determined in the sole discretion of the Director ("Cure Conditions").

2.6 If Licensee fails to perform or comply with the Cure Conditions, and upon Licensee's and Municipality's receipt of written notice from the Director of the same, Municipality will immediately be responsible for, and assume Licensee's responsibilities and obligations for, the ongoing maintenance, repair, and replacement of the Improvements. Municipality, at its sole cost, will then have thirty (30) days to return the Revocable License Area to a condition acceptable to the County as determined in the sole discretion of the Director.

2.7 The obligations of Licensee as set forth in this Agreement may be performed by Licensee or Municipality through its employees, or Licensee or Municipality may enter into a contract with a third party to perform the services. If Licensee or Municipality contracts with a third party, each shall remain fully responsible hereunder and shall ensure that the third party complies at all times with each and every term, condition, duty, and obligation set forth in this Agreement.

3. COMPENSATION. No payment to County shall be made by Licensee for the privileges granted in this Agreement.

4. ASSIGNMENT. Licensee shall provide Director with written notice, at least fifteen (15) days before the effective date, of any assignment, transfer, or encumbrance of any rights or interests in the Burdened Property. In such notice, Licensee shall identify the recipient and describe the nature of all rights or interests to be assigned, transferred, or encumbered. Director will then have fifteen (15) days after the effective date to object in writing to such assignment, transfer, or encumbrance, otherwise the objection(s) will be deemed waived.

5. DAMAGE TO REVOCABLE LICENSE AREA. Licensee must not by its access or use cause damage to the Revocable License Area. The Parties agree that all Improvements and personal property placed by Licensee upon the Revocable License Area will remain the property of Licensee, and will be placed upon the Revocable License Area at the sole risk of Licensee. Licensee shall give County, or its agent, prompt written notice of any occurrence, incident, or accident occurring on the Revocable License Area.

6. INDEMNIFICATION OF COUNTY. Licensee shall at all times indemnify, hold harmless, and defend County and all of County's current and former officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any person or entity not a party to this Agreement, which Claim is caused or alleged to be caused in whole or in part, by any intentional, reckless, or negligent act or omission of Licensee, its current or former officers, employees, agents, servants or assigns, arising from relating to, or in connection with this Agreement. If any claim is brought against Indemnified Party, Licensee shall upon written notice from County, defend each Indemnified Party against each such Claim by counsel satisfactory to County, or, at County Attorney's option, pay for an attorney selected by County Attorney to defend Indemnified Party. The obligations of this section shall survive the termination of this Agreement.

6.1 If Licensee or Municipality contracts with a third party to perform any of the obligations under this Agreement, any contract with such third party shall include the following provisions:

6.1.1 Indemnification. Third party shall indemnify and hold harmless County, and all of County's current and former officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any person or entity not a party to this Agreement, which Claim is caused or alleged to be caused in whole or in part, by any intentional, reckless, or negligent act or omission of third party, its current or former officers, employees, agents, servants or assigns, arising from relating to, or in connection with this Agreement. If any claim is brought

against Indemnified Party, the third party shall upon written notice from County, at its own expense, defend each Indemnified Party against each such Claim by counsel satisfactory to County, or, at County Attorney's option, pay for an attorney selected by County Attorney to defend Indemnified Party.

6.2 County and Municipality are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and subject to the statutory limitations set forth in Section 768.28, Florida Statutes agree to be responsible for the negligent or wrongful acts or omissions of their respective employees or officers acting within the scope of their office or employment arising from, relating to, or in connection with this Agreement. Nothing herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing in this Agreement shall be construed as consent by County or Municipality to be sued by third parties in any matter arising out of this Agreement or any other contract.

6.3 The provisions of paragraph 6 shall survive the expiration or earlier termination of this Agreement

7. INSURANCE

7.1 For the duration of the Agreement, Licensee shall, at its sole expense, maintain the minimum coverages stated in Exhibit D in accordance with the terms and conditions of this article. Licensee shall maintain insurance coverage against claims relating to any act or omission by Licensee, its agents, representatives, employees, or any subcontractors in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

7.2 Licensee shall ensure that "Broward County" is listed and endorsed as an additional insured as stated in Exhibit D on all policies required under this article.

7.3 On or before the Effective Date or at least fifteen (15) days before the commencement of Licensed Use, Licensee shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required in this article. If and to the extent requested by County, Licensee shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

7.4 Licensee shall ensure that all insurance coverages required by this article remain in full force and effect for the duration of this Agreement and until all performance required by Licensee has been completed, as determined by Director. Licensee or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s). Licensee shall ensure that there is no lapse in coverage at any time during the time period for which coverage is required by this article.

7.5 Licensee shall ensure that all required insurance policies are issued by insurers: (1) assigned an A.M. Best rating of at least "A" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida; or (3) a qualified eligible surplus lines insurer pursuant to Section 626.917 or 626.918, Florida Statutes, with approval by County's Risk Management Division.

7.6 If Licensee maintains broader coverage or higher limits than the minimum insurance requirements stated in Exhibit D, County shall be entitled to any such broader coverage and higher limits maintained by Licensee. All required insurance coverages under this article shall provide primary coverage and shall not require contribution from any County insurance, self-insurance or otherwise, which shall be in excess of and shall not contribute to the insurance required and provided by Licensee.

7.7 Licensee shall declare in writing any self-insured retentions deductibles over the limit(s) prescribed in Exhibit D and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of Licensed Use. Licensee shall be solely responsible for and shall pay any deductibles or self-insured retention applicable to any claim against County. County may, at any time, require Licensee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Licensee agrees that any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Licensee agrees to obtain same in endorsements to the required policies.

7.8 Unless prohibited by the applicable policy, Licensee waives any right to subrogation that any of Licensee's insurers may acquire against County, and agrees to obtain same in an endorsement of Licensee's insurance policies.

7.9 Licensee shall require that each subcontractor maintains coverage that adequately covers the services provided by that subcontractor on substantially the same insurance terms and conditions required of Licensee under this article. Licensee shall ensure that all such subcontractors comply with these requirements and that "Broward County" is named as an additional insured under the subcontractors' applicable insurance policies.

7.10 Licensee shall not permit any subcontractor to provide services under this Agreement unless and until the requirements of this article are satisfied. If requested by County, Licensee shall provide, within one (1) business day, evidence of subcontractor's compliance with this section.

7.11 If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit D, and (3) if coverage is

canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Licensee must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit D.

8. MAINTENANCE, REPAIRS, AND OTHER OBLIGATIONS. Licensee shall be solely responsible for all costs associated with the Licensed Use, including maintenance and repair, utility relocations, and costs for repairing any damage to the Revocable License Area or its adjacent right-of-way until termination.

9. SECURITY. There is no obligation for security as part of this Revocable License Agreement.

10. TERMINATION. This Agreement is merely a right to access and use, and grants no estate in the Revocable License Area. This Agreement may be terminated by County, through the Broward County Board of County Commissioners (the "Board"), with or without cause and at any time during the term hereof, upon thirty (30) days' written notice to Licensee and Municipality.

11. SURRENDER UPON TERMINATION. Licensee shall peaceably surrender its use of and deliver the Revocable License Area to County, or its agents, immediately upon termination of this Agreement.

Upon surrender, Licensee shall remove from the Revocable License Area, at Licensee's own expense, the Improvements placed upon it unless County, in writing, authorizes Licensee to leave the Improvements on the Revocable License Area. County shall have no obligation to move, reinstall, replace, or in any way compensate Licensee for any loss resulting from or arising out of the termination of this Agreement, the requirement to remove the Improvements, or the removal of the same by County upon failure of Licensee to restore the Revocable License Area. Following removal of the Improvements, Licensee agrees to restore the Revocable License Area to its original condition, or a condition acceptable to the County as determined in the sole discretion of the Director. Licensee shall repair or pay for any damage to County property resulting from the removal of the Improvements.

12. WAIVER. Failure of County to insist upon strict performance of any covenant or condition of this Agreement, or to exercise any right contained in this Agreement, shall not be construed as a waiver or relinquishment for the future of any such covenant, condition, or right; but the same shall remain in full force and effect. None of the conditions, covenants, or provisions of this Agreement shall be waived or modified by the Parties unless done so in writing as provided for in Paragraph 19 below.

13. NOTICES. In order for a notice to a party to be effective under this Agreement, notice must be in writing, and sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via e-mail to the addresses listed below and shall be effective upon mailing or hand delivery (provided the contemporaneous

- Properly mulch the vegetation beds and keep them free from weeds.
- Cut the grass in order to maintain a neat and proper appearance.
- Prune all plants to remove all dead or diseased parts of plants and all parts of plants which present a visual hazard or physical obstacle to the designated use of the areas.
- Remove and replace all vegetation that is dead or diseased or that otherwise falls below the initial level of beautification of the Revocable Licensed Area and ensure that such vegetation is of the same grade as specified in the original approved plans and specifications and the same size as those existing at the time of replacement.
- Remove litter and illegal dumping from the Revocable Licensed Area.
