Identify Community Facilities

Fort Lauderdale
Identify Community Facilities

Fort Lauderdale
Identify Community Facilities

How to Use

Community facilities include educational, health, recreational, and other facilities that are located within the city limits. The information on this page is for informational purposes only. It is not intended to be used for any other purpose. For more information, please contact the City of Fort Lauderdale at 781-3000.

1. Select a community facility type.
2. Select a community facility location.
3. Select a community facility status.

Why do community facilities matter?

Community facilities are an important part of the city's infrastructure. They provide a place for residents to gather, play, and learn. They also provide a place for businesses to operate and for the city to collect taxes. Community facilities are an important part of the city's identity and are a key factor in attracting new residents and businesses.

Where are the community facilities?

The map below shows the location of community facilities in the city. The map is divided into three categories: educational, health, and recreational. The map also shows the location of the city's major roads and highways.

How do I use this information?

The information on this page is for informational purposes only. It is not intended to be used for any other purpose. For more information, please contact the City of Fort Lauderdale at 781-3000.
