REGULAR MEETING

#20-0004

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: January 21, 2020

TITLE: Public Hearing Adopting a Resolution Approving Amendments to the
Beach Community Redevelopment Plan (**Commission District 2**)

Recommendation

It is recommended that the City Commission adopt a resolution approving amendments to the Beach Community Redevelopment Plan.

Background

On December 3, 2019 the Community Redevelopment Agency (CRA) Board of Commissioners and the City Commission both approved an Interlocal Agreement (ILA) with Broward County to extend the term of the Beach Area of the CRA for up to three (3) years on a non-Tax Increment Finance (TIF) basis to allow for the completion of the SR A1A Streetscape Project and the Renovation of the Fort Lauderdale Aquatics Center. The Broward County Commission approved the same ILA at their December 10, 2019 meeting.

Through the ILA, the County expressly authorizes the City and the CRA to extend the term of the Beach Area of the CRA on a non-TIF basis, and that the City and CRA acknowledge that the taxing authorities will no longer be obligated to provide TIF to the CRA after December 31, 2019. The City and CRA are also required to approve an amendment to the Beach Area Redevelopment Plan that expressly incorporates the terms of the ILA within 60 days after ILA is approved by all parties. The proposed amendments to Sections 1.2.1, 1.2.2 and 2.6.4 of the Beach Community Redevelopment Plan incorporates the terms of the ILA. The specific amendments are as follows:

- In Section 1.2.1 Existing Conditions Summary, the date of the last plan modification (May 16, 2017) was added to the title.
- In Section 1.2.2 Redevelopment Plan Concept, the date by which the projects will be completed was changed from September 30, 2020 to September 30, 2023.
- Section 2.6.4 Plan Duration was amended as follows:
The duration of this Plan shall be was for 30 years after the fiscal year in which this Plan was originally adopted. Pursuant to an Interlocal Agreement among Broward County, the City of Fort Lauderdale and the City of Fort Lauderdale Community

Redevelopment Agency, dated December 10, 2020, the Plan is extended an additional three years from October 1, 2020 through and including September 30, 2023. Taxing Authorities, other than the City, shall have no TIF obligations for the Beach Area after December 31, 2019. All redevelopment financing using incremental revenues shall be completed no later than 30 years after the fiscal year in which this Plan is adopted September 30, 2023.

- A final amendment to the Plan reduces the double space line format to single space and amends the Table of Contents to reflect the change in page numbers resulting from this amendment.

Procedure for Approval

The procedure to amend a Community Redevelopment Plan is outlined in Section 163.361 Florida Statutes and is summarized below:

- Step 1: The Fort Lauderdale Community redevelopment Agency recommends to the City Commission that the amendments be made to the Community Redevelopment Plan.
- Step 2: The City Commission holds a public meeting on the proposed plan amendments. Notice shall be mailed to each taxing authority which levies as valorem taxes on taxable real property contained within the geographic boundaries of the Redevelopment Area at least 15 days before the public hearing. A newspaper notice posted at least 10 days before the public hearing in a publication having general circulation in the area of operation of the Agency.
- Step 3: The Redevelopment Plan amendments are submitted to Broward County. Broward County Commission approval of CRA Plan amendments are only required if the amendments expand the boundaries of the Community Redevelopment Area, extend the term of the Redevelopment Plan, or is expected to require a Land Use Plan amendment. Since the proposed amendments extend the term of the Redevelopment Plan, Broward County approval is required.
