11	Susan Wood	M	P	11	1

Staff Present

Public Works Department
Glen Hadwen, Sustainability Manager
Kimberly Pearson, Sustainability Coordinator, Staff Liaison

Call to Order/Roll Call

The meeting was called to order by Chair Liechty at 6:18 p.m. The roll was called, and a quorum was present.

Communication to the City Commission

The Sustainability Advisory Board (SAB) provides the following Communication to the City Commission:

The SAB received a presentation on October 28, 2019, from Todd Hiteshew, Environmental Compliance Manager in the Public Works Department, on the City's proposed enhancements to Section 28-4 of the City of Fort Lauderdale Code of Ordinances – Standards for Florida Friendly Fertilizer Use on Urban Landscapes. We strongly support the proposed changes to the code, which will restrict fertilizer usage and decrease nutrient flow into the waterways. This will reduce algae growth and improve water and habitat quality.

Motion

Motion to advance the above communication to Commission made by Chair Liechty, seconded by Mr. Clark. The motion passed unanimously.
