Each party covenants and agrees that it has no power to incur any indebtedness giving a right to a lien of any kind or character upon the right, title and interest of the other party in and to the Premises covered by this Amended and Restated Lease, and that no third person shall ever be entitled to any lien, directly or indirectly derived through or under the other party, or its agents or servants, or on account of any act or omission of any other party, except for the lien, if any, reserved upon the Lessee's leasehold interest in the Premises by a leasehold mortgage pursuant to Paragraph 41, below. All persons contracting with the Lessee, or furnishing materials or labor to the Lessee, or to its agents or servants, as well as all persons whomsoever, shall be bound by this provision of the Amended and Restated Lease. Should any such lien be filed, the Lessee shall discharge the same within thirty (30) days after Lessee is notified of same, by paying the same or by filing a bond, or otherwise, as permitted by law. The Lessee shall not be deemed to be the agent of the Lessor so as to confer upon a laborer bestowing labor upon the Premises, or upon a materialman who furnishes material incorporated in the construction of Improvements upon the Premises, a mechanic's lien upon the Lessor's estate under the provisions of Chapter 713, Florida Statutes (2019), and any subsequent revisions or amendments of that law.

(e) Insolvency of Lessee. Should the Lessee, at any time during the term of this Amended and Restated Lease, suffer or permit to be filed against it a composition or arrangement proceeding under state law, or make any assignment for the benefit of its creditors, or should a receiver be appointed for the Lessee's property because of the Lessee's insolvency and the appointment is not vacated within thirty (30) days thereafter, or should the Lessee's leasehold interest be levied on and the lien not discharged within thirty (30) days after levy has been made, or should the Lessee fail to promptly make the necessary returns and reports required of it by state and federal law, or should the Lessee fail promptly to comply with all governmental regulations, both state and federal, and should such failure in any manner jeopardize the rights of the Lessor, then, and in such event, and upon the happening of any of these events, the Lessor shall have the right, at its election, to consider the same a default on the part of the Lessee of the terms and provisions of this Amended and Restated Lease, and, in the event of such default not being cured by the Lessee within a period of thirty (30) days from the date of the giving by the Lessor of written notice to the Lessee of the existence of such default, the Lessor shall have the option of declaring this Amended and Restated Lease terminated, and the interest of the Lessee ended, or the Lessor may exercise any other options as prescribed by law or which appear in this Amended and Restated Lease. The pendency of arrangement proceedings to which the Lessee shall be a party shall not preclude the Lessor from exercising the options conferred upon it. In the event the Lessee, or receiver of the Lessee's property, shall seek an injunction against the Lessor's exercise of the options conferred, such action on the part of the Lessee, or receiver, shall automatically terminate this Amended and Restated Lease as of the date of the making of such application. In the event a court shall enjoin the Lessor from exercising the options conferred in this Amended and Restated Lease, such injunction shall automatically terminate this Amended and Restated Lease.

(f) Bankruptcy of Lessee. (1) All monetary and non-monetary defaults existing prior to the institution of the filing of the bankruptcy petition shall be cured within ten (10) days of written demand made upon the Lessee by the Lessor which will

include all costs and reasonable attorneys' fees expended to the date of the curing of the default;

(2) An additional two (2) months of advance rental will be required as additional security of future performance which must be paid to the Lessor within ten (10) days of the filing of the petition in bankruptcy; and

(3) All obligations of the Lessee must be performed in accordance with the terms of the Amended and Restated Lease.

If an involuntary petition is filed, the foregoing provisions of subparagraphs (f)(1) and (f)(2) shall only apply if such petition is not discharged or dismissed within thirty (30) days from the date it is filed.

If at any time during the pendency of the bankruptcy proceeding the Lessee or its successor in interest fails to perform any of the monetary or non-monetary obligations required under the terms of this Amended and Restated Lease, or fails to cure any pre-filing default, or make the additional security deposit required under the adequate protection and adequate assurance of future performance clause above, the LESSEE STIPULATES AND AGREES TO WAIVE ITS RIGHTS TO NOTICE AND HEARING AND TO ALLOW THE LESSOR TOTAL RELIEF FROM THE AUTOMATIC STAY UNDER 11 U.S.C. 362 TO ENFORCE ITS RIGHTS UNDER THIS LEASE AND UNDER STATE LAW INCLUDING BUT NOT LIMITED TO ISSUANCE AND ENFORCEMENT OF A JUDGMENT OF EVICTION, WRIT OF ASSISTANCE AND WRIT OF POSSESSION.

(g) Taxes. For each year of the term of this Amended and Restated Lease, the Lessee agrees to pay when due all federal, state, county and local taxes and special assessments of whatsoever kind levied and assessed against the Premises, if any, and all Improvements built on them. Lessee shall also pay the rental tax prescribed by the statutory law of Florida. Any property taxes will be prorated, if applicable, to a period of time less than one (1) year.

The Lessee shall have the right to review or protest, or cause to be reviewed or protested, by legal proceedings, any such taxes, assessments, or other charges imposed upon or against the Premises, buildings, or other structures or Improvements on them and in case any such taxes, assessments or other charges shall, as a result of such proceedings or otherwise, be reduced, canceled, set aside

or to any extent discharged, the Lessee shall pay the amount that shall be finally assessed or imposed against the Premises, buildings or other structures or Improvements which are finally determined to be due and payable on any such disputed or contested items. If necessary, or legally required, Lessee may exercise such review or protest right in the name of the Lessor, and Lessor agrees to cooperate with Lessee in its exercise of such right and will execute any documents needed by Lessee in connection with such right, provided that Lessee shall pay any costs incurred by Lessor as a result of such cooperation, and such document is not adverse to City. If requested in writing by Lessor, Lessee shall deposit any disputed sum, including any applicable penalty fee, with an escrow agent mutually selected by the parties, for the protest period. All expenses of such litigation, including court costs, shall be paid by Lessee free of any expense to Lessor. If, as a result of any legal proceeding pursuant to the provisions of this Paragraph, there is any reduction, cancellation, setting aside or discharge of any such tax or assessment or other charges of City, the applicable refund shall be payable to the Lessee and, if such refund is made to the Lessor, then the Lessor shall hold such refund as a trust fund and shall immediately pay over the same to the Lessee. The term "legal proceeding," as used above, shall be construed as including appropriate appeals from any judgments, decrees or orders and certiorari proceedings and appeals from orders entered in them.

(h) Repairs and Maintenance.

(1) Upkeep. The Lessee agrees at its expense to keep and maintain the Premises, including grounds, pavement, buildings, furnishings, fixtures and personal property in a good state of repair and first-class condition, whether such upkeep be ordinary or extraordinary, structural or otherwise. First class condition is defined as that condition prevailing in similar hangar and office complexes recently constructed. Should the Lessee fail to make any required corrections, the Lessor shall have the right to enter the Parcel, or Improvements thereto, correct the deficiency, and recover the cost of such activities from Lessee as rent due on the next rent payment date.

(2) Repairs. The Lessee agrees at its expense to make all repairs to the buildings or Improvements situated upon the Premises, including electrical, plumbing, sewer and sewer connections which solely serve the Premises, structural and all other repairs that may be required to be made, and the Lessee at its expense will keep all buildings, including interiors, exteriors, roofs, fixtures and equipment, in a good state of repair and in first class condition and at all times well-kept; provided, however, that any Improvements owned, controlled or operated by Lessor, such as roads, fences and utility lines, shall be maintained by Lessor. Lessor, its officers, employees, agents, representatives and contractors shall have the right, to maintain existing and future utility, mechanical, electrical and other systems

and to enter the Premises at all reasonable times to make such repairs, replacements or alterations as deemed appropriate by Lessor. In the exercise of such rights of access, repair, alteration or new construction, Lessor shall not unreasonably interfere with the actual use and occupancy of the Premises by Lessee.

(3) Repair of Damage. If the Premises or Improvements thereto are partially destroyed or damaged by fire or other casualty, then Lessee shall repair and restore the Premises or Improvements thereto as soon as it is reasonably practicable. Such repair or restoration shall commence not later than six (6) months after such damage, and be completed within six (6) months thereafter. Such restoration shall be to substantially the same condition in which the Premises or Improvements thereto were before such damage. In the event that Lessee has not demonstrated reasonable attempt to commence repairs within six (6) months from the date of said damage and thereafter diligently pursues completion of such repairs within six (6) months, this Lease may be immediately terminated by the Lessor. Such termination shall be made effective by serving notice upon the Lessee, and effective on the date of receipt of such notice by the Lessee.

(4) Surrender. At the expiration or termination of this Amended and Restated Lease, any or all buildings and other permanent improvements to Parcel 7B will, at the direction and sole discretion of Lessor, either remain intact on the Premises and become the property of the Lessor, or be removed by Lessee. The Lessee at its expense agrees to deliver the Premises to the Lessor upon the termination of this Amended and Restated Lease in a good state of repair, and buildings so delivered shall be comparable to buildings of similar construction, age and condition, ordinary wear and tear or damage by fire or the elements excepted. Should Lessor elect that Lessee remove any or all Improvements, the Lessee shall do so within forty-five (45) days after the termination of the Lease. When removing Improvements, the Lessee shall restore the Premises to its previously existing condition, including filling excavations, returning the surface to grade, and leaving the Premises safe and free from all debris and hazards. All improvements not removed as aforesaid shall, without compensation to or by Lessor, become Lessor's property free and clear of all liability and expenses. The Lessee shall at its expense take all actions required by federal, state, local and City laws, rules and regulations to remove or have removed from the Premises all hazardous substances or other Materials, however stored, and whether or not such hazardous substances or Materials have been discharged into the ground but only as to such hazardous Materials subject to Paragraph 32(b) and Lessee shall have no liability or obligation to remove any hazardous Materials as

governed by Paragraph 32(h). All such hazardous substances and Materials shall be removed by the Lessee in a manner that complies with all applicable federal, state, local and City laws, rules and regulations and the provisions of Paragraph 32 shall be applicable.

No billboards or off-premise signage, temporary signs or advertising displays, such as banners, balloons, flashing sign boards, and/or any similar visual devices shall be permitted at the Premises. Upon the expiration or earlier termination of this Lease, Lessee shall remove, obliterate or paint out, as directed by City, all signs and advertising on the Premises and, in connection therewith, shall restore the portion of the Premises affected by such signs or advertising to the same condition as the same existed prior to the placing thereon of such signs or advertising. In the event Lessee fails to remove, obliterate or paint out each and every sign or advertising and to restore the Premises, the City may, after written notice to Lessee with an opportunity to cure, perform the necessary work and the Lessee shall pay the costs thereof to the City upon demand.

(l) Obstruction lights. Lessee shall install, maintain and operate at its own expense, such obstruction lights on the Premises as the FAA may direct, or as Lessor may reasonably require, and shall energize such lights for such periods as may be directed or requested by Lessor or the Control Tower at the Airport.

(n) Recording of Lease. Lessee shall, at its own expense, record this Amended and Restated Lease in the Public Records of Broward County, Florida or a Memorandum of Amended and Restated Lease in a form substantially similar to the one attached hereto as Exhibit "C". If the latter is desired, Lessee shall prepare

the document and submit it to the Lessor for execution. Lessee shall immediately forward a copy of the recorded Amended and Restated Lease or Memorandum of Amended and Restated Lease as applicable to the City.

(o) Observance of Rules and Regulations. Lessee covenants and agrees to observe and obey, and to require its sublessees, officers, employees, guests, invitees, and those doing business with it, to observe and obey such non-discriminatory ordinances, rules, regulations and standards of the City of Fort Lauderdale and the Airport, including any amendments thereto. The obligation of the Lessee to require this adherence by sublessees, guests, invitees and business visitors shall apply only while such persons are on or in occupancy of any portion of the Premises.

(p) Conduct of Operations. Lessee and all sublessees shall conduct their operations under this Lease in an orderly and commercially reasonable manner, based on the nature of the operations, so as not to annoy, disturb, endanger or be offensive to others at the Airport.

(q) Adherence to Noise Regulations. Lessee and all sublessees shall take all reasonable care to reduce to a minimum vibrations tending to damage any equipment, structure, building or portion of a building which is on the Premises or is a part thereof, or is located elsewhere on the Airport, and to keep the sound level of their operations as low as possible. The parties agree that aircraft operating within federal noise requirements shall not be deemed in violation of this provision.

(r) No Nuisances. Lessee and all sublessees shall commit no nuisance, waste or injury on the Premises and shall not do or permit to be done anything, which may result in the creation or commission or maintenance of such nuisance, waste or injury on the Premises.

(s) Utilities. Lessee and all sublessees shall not do or permit anything to be done, which may interfere with the effectiveness or accessibility to the utility systems, installed or located on or about the Premises.

A Derelict Aircraft is (1) an aircraft that does not hold a current and valid airworthiness certificate issued by the FAA or other appropriate certificating authority, together with the necessary aircraft registration and maintenance records with a current endorsement by an appropriately rated certificate holder that the aircraft is in an

airworthy condition; or (2) an aircraft that has been issued a condition notice by the FAA specifying that the aircraft has one or more conditions rendering it unairworthy; or (3) an aircraft which has had major components, accessories, flight controls, portions of the airframe or engines removed so as to render the aircraft unflyable. With respect to Derelict Aircraft, the Airport Manager of City may make a written request to the Lessee to demonstrate that an open work order for repair or restoration is being actively pursued by Lessee or the sublessee. If the Lessee fails to provide the Airport Manager with satisfactory evidence that an open work order is being actively pursued within fourteen (14) days of the request from the Airport Manager, then such Derelict Aircraft shall be removed from the Premises by the Lessee within ninety (90) days following the date of the Airport Manager's request. Any Derelict Aircraft that is not removed from the Premises as provided in this subparagraph shall constitute a breach of this Amended and Restated Lease.

A derelict vehicle is a vehicle that does not display a current and valid state license tag. Any derelict vehicle that is not removed from the Premises within thirty (30) days after notice from the City will constitute a material breach of this Agreement.

(w) Emergency Evacuation and Hurricane Plan. Within thirty (30) days of the date of this Agreement, Lessee shall prepare an emergency evacuation and hurricane plans consistent with any existing plans for the Airport. These plans shall constitute detailed procedures of actions to be taken by Lessee and its sublessees, in the event the need for evacuation or a hurricane alert warning arises. Notwithstanding the forgoing, the Premises will remain operational by Lessee, to the extent possible and in coordination with City's Airport Manager's emergency operational procedures, during emergency events (man-made or national disasters) and during recovery efforts.

(x) Regulatory Approvals. Lessee agrees to cooperate with City in connection with City's efforts to obtain Regulatory Approvals, including but not limited to Airport FAR Part 150 Program and any updates thereto, Airport Master Plan Updates, and any approvals required pursuant to Chapter 380 and Chapter 333, Florida Statutes. From and after the date of execution of this Lease, Lessee covenants and agrees (i) to support the City's efforts to obtain the Regulatory Approvals; and (ii) to execute any document(s) or instrument(s) reasonably required by the City in order to assist City in obtaining the Regulatory Approvals, provided that Lessee shall not be required to bear any expense in connection therewith and that Lessee shall not be deemed an agent of the City.

(y) Operational Reports. Lessee agrees to submit to Lessor upon reasonable request by Lessor any report or reports or information regarding Lessee's

operations at the Airport, including, but not limited to, passenger counts, flight operations, number of aircraft serviced, and matters of a similar nature. The Lessor agrees to receive from Lessee, upon request by Lessee, any reports the Lessee deems appropriate for the purpose of keeping the Lessor informed of any operational problems and of any suggested improvements at the Airport.

(z) Force Majeure-Uncontrollable Circumstances. Lessor and Lessee will be excused from the performance of their respective obligations under this Amended and Restated Lease or from any specific time deadlines as set forth herein when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, act of terrorism, riot, civil commotion, malicious damage, act or omission of any governmental authority including court action, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance ("Force Majeure"), provided that:

(1) The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

(2) The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

(3) No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

(4) The non-performing party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this subparagraph for a period in excess of two (2) months, provided that in extenuating circumstances as determined by the City, the City may excuse performance for a longer term. Economic hardship of the Lessee will not constitute Force Majeure.

8. RENT. Rent shall commence as set forth below. All rental payments shall be paid in advance in equal monthly installments, plus applicable taxes, on the first day of each month to which applicable according to the following schedule:

(a) Initial Base Rent. Initial Base Rent shall commence on the Amended Rent Commencement Date of this Amended and Restated Lease, March 1, 2020. All rental payments shall be paid in advance in equal monthly installments plus applicable taxes. The Initial Base Rent shall be calculated at the rate of \$0.40 per square foot for a total of eighty eight thousand, five hundred and thirteen dollars

and 92/100 cents (\$88,513.92) or seven thousand, three hundred and seventy six dollars and 16/100 cents (\$7,376.16) monthly, due on the first (1st) day of each month, and collectively referred to as the "Initial Base Rent".

(b) It is agreed between Lessor and Lessee that the Initial Base Rent (and Base Rent once commenced), for the remainder of the term of this Amended and Restated Lease shall be subject to annual increases and such increase will be calculated in accordance with the following terms and conditions:

(1) Base Rent increases. Lessor and Lessee agree that the Initial Base Rent and thereafter "Base Rent" for the remainder of the term of this Amended and Restated Lease shall be subject to an increase at annual intervals effective March 1st of each year. The first increase will become effective on March 1, 2021. Such adjustments shall be based upon the Cost of Living Index known as the Consumer Price Index (All Items, 1982-84 = 100), United States, All Urban Consumers, published by the Bureau of Labor Statistics of the United States Department of Labor. For computation purposes, the Numerator and Denominator are defined as follows:

Numerator - The Consumer Price Index for the third (3rd) month preceding each Adjustment Date.

Denominator - The Consumer Price Index for the third (3rd) month preceding the Adjusted Rent Commencement Date of the lease term.

The resulting fraction shall be applied to the base annual rental to arrive at the new annual rental. Should the Bureau mentioned above discontinue the publication of an Index approximating the Index contemplated above, then such Index as may be published by another United States governmental agency which most nearly approximates the Index referred to above shall govern and be substituted as the Index to be used, subject to the application of an appropriate conversion factor to be furnished by the governmental agency publishing such Index.

(2) Base Rent shall be further adjusted on the 5th, 10th, 15th, 20th, and 25th anniversary of the Rent Commencement Date of the Amended and Restated Lease to reflect either ten percent (10%) of the appraised value of the land only (excluding any improvements) or the current new annual Base Rent established at the time of the adjustment as set forth above, whichever is greater.

(3) At no time shall the adjusted rent be less than the Base Rent.

(c) Additional Rent for Gross Rental Receipts. It is agreed between Lessor and Lessee that the New Annual Rent specified above shall be further adjusted at annual intervals commencing on March 1, 2021, to include five percent (5%) of gross rental receipts from the calendar year preceding each Adjustment Date for the improvements identified in Exhibit "B" herein. Gross rental receipts for improvements shall not include ground rent paid to Lessor by Lessee or property

taxes, if any, payable to a government agency. Lessee shall provide an annual report of gross rental receipts from the preceding calendar year for the improvements identified in Exhibit "B" by January 31st of each year. Additional rent for the gross rental receipts will be assessed at five percent (5%) of the reported gross rental receipts and then divided by 12 to arrive at the additional monthly rent amount that will be included in the monthly rent installments plus applicable taxes. The payments shall be collected in the same manner as rent including interest as provided in this Amended and Restated Lease, accruing upon any late payments of such sums.

(d) **Fuel Delivery Payments.** In addition to the other sums stated herein, Lessee shall pay Lessor the sums provided in Paragraph 13 pertaining to the delivery to the Premises of any octane-rated fuels, jet fuels and lubricating oils (referred to as "Fuel" and "Oil") by Lessee, its sublessees, agents or independent contractors. The sums mentioned below shall not be considered rent for the Premises, but shall be collected in the same manner as rent including interest as provided in this Amended and Restated Lease, accruing upon any late payments of such sums.

(e) **Late Payment.** The Lessor shall be entitled to collect interest at the rate of eighteen (18%) percent per annum from the date due until the date paid on any amounts that are past due beyond any applicable cure period. Lessor's right to require payment of such interest and the obligation of the Lessee to pay the same shall be in addition to and not in lieu of the right of Lessor to enforce other provisions in this Lease, including termination of the Amended and Restated Lease, and to pursue other remedies as provided by law.

(f) **Dishonored Checks.** In the event Lessee delivers a dishonored check or draft to Lessor in payment of any obligation arising under this Amended and Restated Lease, the Lessee shall incur and pay any charges assessed to City as a result of the dishonored check or draft. In the event Lessee delivers a dishonored check or draft, the Airport Manager may require that future payments be made by cashier's check or other acceptable means by making such demand in writing to Lessee.

(g) **Place of Payment.** All payments required to be made by Lessee under this Amended and Restated Lease shall be made payable to the "City of Fort Lauderdale," and shall be delivered or mailed to the address below, or to an address as may be substituted therefore by the Lessor:

9. SECURITY DEPOSIT.

(a) The Lessee shall post a security deposit with the City equal to three (3) monthly installments of rental ("Security Deposit"). The Security Deposit shall serve as security for the payment of all monies due to Lessor and shall also secure the performance of all obligations of Lessee to the Lessor. The Security Deposit shall be in the form of an Irrevocable Letter of Credit ("Letter of Credit") in form and substance satisfactory to Lessor or in cash. In the event of any failure by Lessee to pay when due any rentals or charges or upon any other failure to perform its obligations or other default under this Amended and Restated Lease, then in addition to any other rights and remedies available to Lessor at law or in equity, Lessor shall be entitled to draw down the full amount of the Security Deposit and apply the same to all amounts owed. Upon notice of any such draw, Lessee shall immediately replace the Security Deposit with a new Letter of Credit or cash in the full amount of the Security Deposit required hereunder. The Lessor, upon fourteen (14) calendar days' notice to Lessee, may require an increase in the Security Deposit to reflect any increases in the monies payable hereunder. If the Security Deposit is in the form of a Letter of Credit, the Security Deposit shall be kept in full force and effect throughout the term of this Amended and Restated Lease and for a period of six (6) months thereafter. Not less than one hundred twenty (120) calendar days prior to any expiration date of a Letter of Credit, Lessee shall submit evidence in a form satisfactory to Lessor that said security instrument has been renewed. A failure to renew a Letter of Credit, or to increase the amount of the Security Deposit if required pursuant to this Paragraph, shall be a default of this Amended and Restated Lease entitling Lessor to all available remedies. The Security shall not be returned to Lessee until all obligations under this Amended and Restated Lease are performed and satisfied.

(b) Each Letter of Credit provided hereunder or under any other Paragraph or provision of this Amended and Restated Lease shall be provided by a financial institution of recognized standing authorized to do business in the State of Florida. Throughout the term of the Letter of Credit, the financial institution that has issued the Letter of Credit must maintain a relationship with a financial institution having an office in Broward, Miami-Dade or Palm Beach County, Florida, at which the Letter of Credit may be presented for drawing down, and the financial institution issuing the Letter of Credit must have been in business with a record of successful continuous operation for at least five (5) years. Each Letter of Credit shall be in a form and substance satisfactory to Lessor. Lessee's obligation to post a Security Deposit shall apply to all heirs, successors, and assigns.

10. INTEREST. All delinquent payments to the Lessor shall bear interest at the rate equivalent to the periodic composite of current annual interest rates on five (5) year United States Government agency issues in effect as of the date of delinquency, but not less than eighteen percent (18%) per annum. Such interest shall be calculated from the due date, exclusive of any grace period, to the date of payment, on a daily basis, and will be due and payable when billed.

11. LIEN UPON REVENUES, ETC. In the event of the Lessee's breach of any material provisions of this Lease, the Lessor shall, subject to the provisions of Paragraph 41 of this Lease, have a lien upon all revenues, income, rents, earnings and profits from the Premises as additional security to the Lessor for the Lessee's faithful performance of each of the terms and provisions, and to secure payment of all sums owing to Lessor. Such liens shall be superior in dignity to the rights of the Lessee and any of its creditors or assignees or any trustee or receiver appointed for the Lessee's property, or any other person claiming under the Lessee. Upon the Lessor's termination of Lessee's rights under this Lease by reason of the Lessee's default, all such revenues, income, rents, earnings and profits derived or accruing from the Premises from the date of such termination by the Lessor shall constitute the property of the Lessor, and the same is declared to be a trust fund for the exclusive benefit of the Lessor and shall not constitute any asset of the Lessee or any trustee or receiver appointed for the Lessee's property. The provisions of this Paragraph shall be effective without the Lessor's re-entry upon the Premises or repossession of them, and without any judicial determination that the Lessee's interest under the Lease has been terminated. Despite any provision in this Paragraph that is or may appear to be to the contrary, Lessor acknowledges that the lien of a leasehold mortgagee upon Lessee's revenues, income, rents, earnings and profits as described above shall be recognized as superior to Lessor's lien.

12. ABATEMENT OF RENT. If at any time Lessee shall become entitled to an abatement of rental by the provisions of this Amended and Restated Lease, the abatement of such rental shall be made on an equitable basis giving effect to the amount and character of the space of which the Lessee is being deprived as compared with the entire Premises. If Lessor shall, for safety or other reasons, prohibit the use of the public landing area at the Airport or of any substantial part of them for a period covering more than fifteen (15) consecutive days and the Lessee shall be prevented from conducting those operations at the Airport contemplated by this Amended and Restated Lease, then, upon the occurrence of such event, Lessee shall be entitled to an abatement of rental during such period of prohibition and prevention. Lessee releases and discharges Lessor of and from all claims and rights which Lessee may have arising out of or consequent upon such closing and the subsequent interrupted use of such public landing area during the period of such prohibition.

13. AVIATION FUELS.

(a) The right of dispensing and selling aviation fuels and lubricating oils within the Premises, provided such aviation fuels and lubricating oils shall be the product of a supplier or suppliers holding all necessary permits, licenses, certifications or approvals required by the appropriate government agencies to conduct such operations and to deliver aviation fuels and lubricating oils to the Airport. Lessor shall in no way be prevented from granting exclusive rights for the sale and dispensing of aviation fuels and lubricating oils on premises other than those covered by this Lease under such terms and conditions as it may deem advisable. In connection with the sale or dispensing of such products upon the Premises or otherwise, Lessor assumes no responsibility for acts of any supplier regarding delivery, quality of product, or maintenance of supplier-owned or Lessee-owned equipment. Aviation fuels and lubricating oils shall be stored and dispensed by Lessee in accordance with all City, county, local, state, and federal laws, regulations, rules, and other requirements pertaining to the sale and storage of such fuels and oils, including but not limited to the Minimum Standards, as amended by the City from time to time.

(b) The parties agree that the following sums are those to which the provisions above apply, and shall be paid to Lessor on a monthly basis:

Five and one-half percent (5.5%) of the per gallon cost price to Lessee of the first five hundred thousand (500,000) gallons of fuel delivered to Premises, and three and one-half percent (3.5%) of the cost price of each gallon exceeding five hundred thousand (500,000) gallons, of all aviation fuels delivered to Premises.

(c) Remittances to Lessor shall be paid monthly not later than the 15th day of each month without any additional grace period and accompanied by a monthly report prepared by Lessee, which report shall detail the gallon amounts of any and all fuel delivered to the Premises. Such monthly reports shall pertain only to the Lessee's operations conducted at the Airport and exclude any other operations of the Lessee conducted at other locations.

(d) The Lessee shall further retain upon the Premises all delivery bills, invoices, and related records pertaining to the delivery to the Premises of aviation fuels and lubricating oils and shall produce and make available such books and records upon request by the Lessor for the purposes of auditing payments to the Lessor as provided in this Amended and Restated Lease. Such books, records and other documents shall be made available for inspection to representatives of Lessor within fifteen (15) days of written notice to Lessee. Lessor shall have the right, upon reasonable notice to Lessee, to audit the Lessee's books and records relating to Lessee's operations in order to determine the correctness and accuracy of the

fuel fees paid to Lessor during a Lease year. In the event that any such audit reflects that the total fuel fees actually paid to Lessor during a particular Lease year shall be less than the fuel fees due and owing for such Lease year, then the Lessee shall immediately pay the difference to the Lessor upon written demand therefore by Lessor. If, as a result of any audit, it is established that the fuel fees paid to Lessor during a Lease year shall be three percent (3%) or more less than the fuel fees owed to the Lessor for such Lease year, the entire expense of said audit shall be borne by the Lessee. Lessor shall provide Lessee with a copy of the audit results obtained by Lessor upon such written request by Lessee.

(e) The term delivery to the Premises as used in this subparagraph shall mean delivery of aviation fuel to the Premises, whether to Lessee, its employees, agents, subleases and independent contractors, but shall not apply when Lessee obtains aviation fuel from Fixed Based Operators at the Airport.

14. ACCESS TO PREMISES. Lessor represents and warrants that Lessee shall have the right of ingress and egress to and from public thoroughfares and over Airport paved roads, such that at all times during the term of this Amended and Restated Lease. Lessee, its successors and assigns and their respective guests and invitees shall have vehicular ingress and egress to and from the Premises from public thoroughfares. Notwithstanding the above, the City may, from time to time, substitute other suitable means of ingress and egress so long as an alternate adequate means of access is available. The City may at any time temporarily or permanently close, or consent to, or request the closing of any such roadway, Taxiway and any other such area at the Airport presently or hereafter used as such, so long as reasonably sufficient alternate means of ingress and egress is made available to the Premises.

15. INSPECTION OF PREMISES. The Lessor, its officers, employees, agents, representatives and contractors, and other governmental agencies having jurisdiction shall have the right to enter the Premises and the buildings and Improvements constructed on them at all reasonable hours for the purpose of inspecting the same, for observing the performance of the Lessee of its obligations under the Lease, or for any other purposes not inconsistent with the terms of this Amended and Restated Lease, but consistent with reasonable security measures of the Lessee. Lessor agrees that such right will not be exercised arbitrarily or in a manner that would unnecessarily disturb occupants of the Premises, except in cases involving public safety or police emergency. This right of entry shall impose no duty on the City to take any such action and shall impart no liability on the City should it not take such action.

16. EASEMENTS AND UTILITIES.

(a) The Lessee shall grant permission or convey to the Lessor any right of use of any portion of the Premises that may be required for the installation of utilities or right-of-way for road or any other municipal or public purposes. It is understood

that should any permission be required, it shall be in writing and the use permitted must be compatible with any existing or proposed Improvements of the Lessee. It is further agreed that if it becomes necessary to relocate or remove any Improvement for the sole benefit of Lessor, then the cost of such removal or relocation shall be at the Lessor's expense. Easements to be conveyed or retained by Lessor shall include, but are not limited to, all utility easements on the Premises as may now or in the future be determined to be necessary to serve the needs of the Airport and all easements referred to in Exhibit "A". In the event there is a loss of beneficial use or impairment of beneficial use resulting from the granting of permission for use to Lessor, proper adjustment of the rent required shall be made at the time of the grant or conveyance given by Lessee. No special assessment for such grants or Improvements made on the Premises for the sole benefit of Lessor shall be made against Lessee. Lessor covenants and agrees that it will promptly execute and deliver any and all instruments that may be required of the Lessor in connection with the granting of easements for installation of water, gas, electricity, telephone or other appropriate utility to the various utility companies affecting any part of the Premises, without expense to the Lessee, so long as this Amended and Restated Lease or any sublease under this Amended and Restated Lease is in effect.

(b) Lessee shall pay for all electric, water, garbage and other utilities charges for the Premises. Any metering devices installed by the Lessee for such utilities shall be installed at Lessee's cost and shall become property of the City upon installation. Extension of utility mains or services to meet the needs of the Lessee on the Premises shall be completed at Lessee's expense and shall become the property of City upon installation.

17. PROHIBITED SERVICES AND USES. The Premises shall be used for no purposes other than as specifically allowed by this Lease. The Premises shall not be used in any manner that is incompatible with or which violates any provision of any FAA rules, regulations or advisory circulars, state laws or regulations, or City ordinances, applicable county ordinances, administrative code provisions or regulations, as each is amended from time to time, and including without limitation FAA Advisory Circular No. 150/5300-13, Chapter 333, Florida Statutes, and Chapter 7 of the City of Fort Lauderdale Code of Ordinances. In addition, Lessee shall be expressly prohibited from providing the following services and conducting the following uses:

- (b) Restaurant, coffee shop, lounge or cafeteria (except as expressly permitted herein).

- (h) Any use, which conflicts with the Foreign Trade Zone (FTZ) activities and regulations.
- (i) Any other use prohibited by law.

18. ZONING. The Lessee accepts the zoning of the Premises, which Lessor represents and warrants is General Aviation Airport ("GAA") as of the commencement of the term of this Amended and Restated Lease, which zoning is compatible and consistent with the usages and purposes contemplated in this Agreement. Lessee further accepts the existing zoning ordinances of the Unified Land Development Regulations of the City of Fort Lauderdale insofar as they are applicable to the Premises.

19. RESTRAINTS UPON LESSEE. Lessee understands and agrees that it is expressly subject to all applicable zoning restrictions and all rules, regulations and City ordinances pertaining to the Airport.

20. COMPLIANCE WITH LAWS. Lessee shall comply with all federal, state, local and City laws, ordinances, resolutions, statutes, and governmental rules, regulations and orders, including the Minimum Standards provided in Paragraph 33 below, as the same are amended from time to time. A violation of any such laws, ordinances, resolutions, statutes, rules, regulations or orders shall constitute a material breach of this Lease, and in such event City shall be entitled to exercise all rights and remedies hereunder and at law and in equity.

21. ACCELERATION; GRACE PERIOD; DEFAULT.

- (a) Time of the essence. The Lessee agrees promptly to perform, comply with and abide by this Amended and Restated Lease, and agrees that time of payment and of performance are of the very nature and essence of this agreement.
- (b) Default in rent; grace period. Except as otherwise specifically provided in this Amended and Restated Lease, the Lessee shall have a grace period of thirty

(30) days within which to pay any and all sums of rent due, which sums shall be due and payable without notice or demand, which Lessee waives. If any sums of money required to be paid by the Lessee to the Lessor shall, subject to Paragraph 41 of this Amended and Restated Lease, remain unpaid after such latter period, then the Lessor shall have the following options and privileges:

(1) Partial acceleration. The Lessor may declare one year's rental as presently due and payable. Such declaration shall not be construed as a splitting of a cause of action, nor shall it alter or affect the obligations of the Lessee to pay rent under the terms of this Amended and Restated Lease for the period unaffected by the declaration.

(2) Other remedies. In addition to partial acceleration as outlined above, the Lessor may exercise any or all other options available to it, including any legal or equitable remedies which it may have, which options may be exercised concurrently or separately with the exercise of the above option, including those remedies specified in subparagraph 21(c), below.

(c) Default in Improvements. The following actions shall constitute default of the Improvements that Lessee is required to make in accordance with this Amended and Restated Lease and notwithstanding any other provisions herein, if any of the following actions occur, the Lessor may terminate the Amended and Restated Lease subject to the provisions of subsection 21(d) below:

(1) Phase 1. If Lessee fails to provide Lessor with evidence that is satisfactory to Lessor that Lessee performed all of the Phase 1 Improvements in accordance with Exhibit "B" attached or if Lessee has failed to provide evidence that is reasonably satisfactory to Lessor by March 31, 2021, that Lessee has expended a minimum of One Million Four Hundred and Ninety Thousand Dollars (\$1,490,000.00) for Phase 1 Improvements (as referenced in Exhibit "B" attached hereto).

(2) Phase 2. If Lessee fails to provide Lessor with evidence that is satisfactory to Lessor that Lessee performed all of the Phase 2 Improvements in accordance with Exhibit "B" attached hereto or if Lessee has failed to provide evidence that is reasonably satisfactory to Lessor by February 28, 2022, that Lessee has expended a minimum of One Hundred and Five Thousand Dollars (\$105,000.00) for Phase 2 Improvements (as referenced in Exhibit "B" attached hereto).

If Lessee fails to provide Lessor with evidence that is satisfactory to Lessor that Lessee performed all of the Phase 4 Improvements in accordance with Exhibit "B" attached hereto or if Lessee has failed to provide evidence that is reasonably satisfactory to Lessor by February 29, 2024, that Lessee has expended a minimum of One Hundred and Thirty-One Thousand Two Hundred and Fifty Dollars (\$131,250.00) for Phase 4 Improvements (as referenced in Exhibit "B" attached hereto).

(5) Phase 5. If Lessee fails to provide Lessor with evidence that is satisfactory to Lessor that Lessee performed all of the Phase 5 Improvements in accordance with Exhibit "B" attached hereto or if Lessee has failed to provide evidence that is reasonably satisfactory to Lessor by February 28, 2025, that Lessee has expended a minimum of One Hundred and Thirty-Seven Thousand Eight Hundred and Seventeen Dollars and Fifty Cents (\$137,817.50) for Phase 5 Improvements (as referenced in Exhibit "B" attached hereto).

(6) Phase 6. If Lessee fails to provide Lessor with evidence that Lessee performed all of the Phase 6 Improvements by January 31, 2026 in accordance with Exhibit "B" attached hereto.

(7) All expenditures required to be evidenced above by Lessee shall include credit for all hard and soft costs without limitation as related to the design, approval, permitting, professional fees, demolition, site work, grading, and construction of the Phased Improvements,

(d) Default in other provisions. If Lessee shall default in the performance of any other term of this Amended and Restated Lease (except the payment of rent), then the Lessor, or its agent, shall send to the Lessee a written notice of default, specifying the nature of the default, and Lessee shall, within thirty (30) days after the date of the notice, cure and remedy the default, and this Amended and Restated Lease shall then continue as before.

(1) If the Lessee shall fail to timely cure and remedy such default, the Lessor shall have the right to declare, by written notice to the Lessee, that the Amended and Restated Lease is in default, and to use all remedies available to the Lessor under this Amended and Restated Lease.

(2) If default shall be made in any covenant, agreement, condition or undertaking contained in this Amended and Restated Lease to be kept,

observed and performed by Lessee, other than the payment of any rent, which default cannot with due diligence be cured within a period of thirty (30) days, and if written notice of the default shall have been given to Lessee, and if Lessee, prior to the expiration of thirty (30) days from and after the giving of such notice commences to eliminate the cause of such default and proceeds diligently, continuously and with reasonable dispatch to take all steps and do all work required to cure such default and does so cure such default, then Lessor shall not have the right to declare the Lease term ended by reason of such default; provided, however, that the curing of any default in such manner shall not be construed to limit or restrict the right of Lessor to declare the Lease term ended and enforce all of its rights and remedies under this Amended and Restated Lease for any other default not so cured.

(e) That upon any default and the failure to cure the same within the cure period provided herein, and at any time thereafter during the occurrence of such default, the Lessor may at its option immediately terminate the rights of Lessee hereunder by giving written notice thereof, which termination shall be effective upon the date specified in such notice or the Lessor may exercise any and all other remedies available hereunder, at law or in equity.

(f) Habitual Default. Notwithstanding any other provision of this Lease, in the event that Lessee has frequently, regularly and repetitively defaulted in the performance of or breached any of the terms, covenants and conditions required in this Lease to be kept or performed by the Lessee, and regardless of whether the Lessee has cured each individual condition of breach or default, the Lessee may be determined by the Airport Manager to be a "habitual violator." At the time such determination is made, the Airport Manager shall issue to the Lessee written notice advising of such determination and citing circumstances therefore. Such notice shall also advise Lessee that there shall be no further notice or grace periods to correct any subsequent breaches or defaults and that any subsequent breaches or defaults of whatever nature, taken with all previous breaches and defaults, shall be considered cumulative and collectively, shall constitute a condition of noncurable default and grounds for immediate termination of this Agreement. In the event of any such subsequent breach or default, the Lessor may terminate this Agreement upon giving of written notice of termination to Lessee, such termination to be effective upon delivery of the notice to the Lessee.

(g) No acceptance by the City of rent, fees, charges or other payments in whole or in part for any periods after a default of any of the terms, covenants and conditions hereof to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the City to terminate this Lease, or to exercise any other available remedies.

(h) Upon expiration or earlier termination of this Agreement, Lessee shall remain liable for all obligations and liabilities that have accrued after the date of this Lease and prior to the date of expiration or termination.

22. TERMINATION BY LESSEE. Lessee shall have the right to terminate this Agreement in its entirety by giving written notice to Lessor of such termination upon or after the happening of one or more of the following events:

(a) If any court of competent jurisdiction shall issue an injunction, order or decree preventing or restraining the use by Lessee of all or a substantial part of the Premises, or preventing or restraining the use of the Airport for usual airport purposes in its entirety, or the use of any part which is used by the Lessee and which is necessary for Lessee's operations on the Airport, which remains in force and unvacated or unstayed for a period of at least ninety (90) consecutive days and results in the material interference with Lessee's normal business operations; or

(b) If the Lessor shall default in fulfilling any of the terms, covenants or conditions to be fulfilled by it and shall fail to remedy such default within thirty (30) days following receipt by Lessor of written demand from Lessee to do so, or if by reason of the nature of such default the same cannot be remedied within thirty (30) days, then Lessee shall have the right to terminate this Agreement if Lessor shall have failed to commence to remedy such default within the thirty (30) days following such written demand, or having so commenced, shall fail to diligently continue; or

(c) If all or a material portion of the Airport or the Airport facilities are destroyed, or if any agency or instrumentality of the United States Government or the State of Florida shall occupy the entire Airport or a substantial part of it, or if military mobilization or public emergency causes a curtailment of normal civilian traffic at the Airport, and any of those events shall result in the material interference with Lessee's normal business operations for any consecutive ninety (90) day period.

23. OWNERSHIP AT TERMINATION.

(a) With the exception of condemnation as provided in Paragraph 43, all buildings, structures, Improvements and fixtures of every kind erected or placed on the Premises shall remain the property of the Lessee until the end of the term or earlier termination of this Amended and Restated Lease for any other reason, at which time such buildings, structures, Improvements and fixtures of every kind shall be and become the property of the Lessor, at the Lessor's option, and shall be left in good condition and repair, ordinary wear and damage by the elements excepted. A fixture is defined as an article which was a chattel, but which, by being physically annexed or affixed to the realty by the Lessee and incapable of being

removed without structural or functional damage to the realty, becomes a part and parcel of it.

(b) Non-fixture personally owned by the Lessee at the expiration of the term or earlier termination of this Amended and Restated Lease, for any reason, shall continue to be owned by Lessee, and at the time of such expiration or earlier termination, Lessee at its option may remove all such personally owned non-fixture, provided the Lessee is not then in default of any covenant or condition of this Amended and Restated Lease; otherwise, all such property shall remain on the Premises until the damages suffered by Lessor from any such default have been ascertained and compensated. Any damage to the Premises caused by the removal by Lessee of any such personally owned non-fixture shall be repaired by Lessee immediately at its expense.

(c) Any property installed or attached to the Premises by any of Lessee's subtenants shall be and remain such subtenant's property and may be removed by the subtenant upon the termination of sublease, provided that such subtenant repairs, restores and holds the Lessor harmless from all damage to the Premises including buildings, other structures and Improvements, caused by such removal. While this Amended and Restated Lease is in effect, Lessee shall be entitled to depreciation on the buildings, other structures and Improvements and fixtures, which are now or shall subsequently be erected upon the Premises.

24. CONTINUED PERFORMANCE AFTER DEFAULT. Continued performance by either party pursuant to the terms of this Amended and Restated Lease after a default of any of the terms, covenants and conditions, shall not be deemed a waiver of any right to terminate this Amended and Restated Lease for any subsequent default, and no waiver of any such default shall be construed to be or operate as a waiver of any subsequent default.

25. RE-ENTRY AND REPOSSESSION.

(a) If the Lessee shall fail to keep and perform any of the covenants, conditions and agreements provided in this Lease to be performed by Lessee, and such default shall not be remedied within the grace period provided elsewhere in this Lease, the Lessor shall have the right to treat such default as intentional, inexcusable and material, and the Lessor, by notice in writing transmitted to the Lessee, as provided in Paragraph 47, entitled "NOTICES", may at its option declare the Lessee's interest under this Lease ended and without further force and effect. Thereupon the Lessor is authorized to re-enter and repossess the Premises and the buildings, Improvements and personal property on them, either with or without legal process, and the Lessee does in such event waive any demand for possession of the Premises, and agrees to surrender and deliver up the Premises peaceably to Lessor. In the event of such action, the Lessee shall have no claim

whatsoever against the Lessor by reason of Improvements made upon the Premises, rents paid, or from any other cause whatsoever.

(b) The provisions of this Paragraph shall not be construed so as to divest the Lessor, in the event of such default, of any legal right or remedy which it may have by statutory or common law, enforceable at law or in equity. It is intended that the provisions of this Paragraph shall afford to the Lessor a cumulative remedy, in addition to such other remedy or remedies as the law affords a Lessor when the terms of a lease have been breached by a Lessee.

26. REMOVAL OF LESSEE'S PROPERTY BY LESSOR. If, under the terms of this Amended and Restated Lease, Lessee is entitled to remove its property from the Premises, but shall fail to do so on or before the termination or expiration of the term or on or before the termination or expiration of this Amended and Restated Lease for any other cause specified in this Amended and Restated Lease, then Lessor may remove such property and retain the same in its possession, and may sell the same at public auction, the proceeds of which shall be applied first to the expenses of such removal and storage and sale, and the balance paid to the Lessee upon the demand of Lessee, providing that the proceeds of such sale exceed the expenses of such removal, storage and sale.

27. NONWAIVER. Failure of the Lessor to insist upon the strict performance of any of the covenants, conditions and agreements of this Lease in any one or more instances, shall not be construed as a waiver or relinquishment in the future of any such covenants, conditions and agreements. The Lessee covenants that no surrender or abandonment of the Premises or of the remainder of the term shall be valid unless accepted by the Lessor in writing. The Lessor shall be under no duty to relet the Premises in the event of an abandonment or surrender or attempted surrender or attempted abandonment of the Premises by the Lessee. Upon the Lessee's abandonment or surrender or attempted abandonment or attempted surrender of the Premises, the Lessor shall have the right to retake possession of the Premises or any part of them, and such retaking of possession shall not constitute an acceptance of the Lessee's abandonment or surrender.

28. HOLD HARMLESS. Lessee shall at all times indemnify and hold Lessor, its agents, officers and employees harmless against any and all claims, losses, liabilities causes of action, demands, and expenditures of any kind, including attorneys' fees, court costs and expenses, arising out of Lessee's use of the Airport or occupancy of the Premises or caused by the acts, errors, omissions or negligence of Lessee, its employees, agents, servants, or officers, arising out of or in any way connected with the Premises or the subject matter of this Lease, including without limitation, any and all claims, demands or causes of action of any nature whatsoever resulting from injuries or damages sustained by any Person or property. The provisions of this Paragraph shall survive the expiration or earlier termination of this Lease. Nothing in this Amended and

Restated Lease shall be construed as a waiver of the protections, immunities and limitations afforded City or Lessee by Section 768.28, Florida Statutes.

29. INDEMNITY AGAINST COSTS AND CHARGES. In the event of a breach of any of the provisions of this Lease and to the extent permitted by law, the party not in breach shall be entitled to recover from the breaching party all costs, expenses, reasonable attorneys' fees and damages which may be incurred or sustained by reason of such breach. If allowable under Florida law, any sums due the Lessor under this Paragraph shall constitute a lien against the interest of the Lessee in the Premises and all its property situated on them to the same extent and on the same condition as delinquent rent would constitute a lien on the Premises and property.

30. INSURANCE. In order to insure the indemnification obligations of this Lease, the parties further agree to the following provisions pertaining to insurance:

As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Lessee, at the Lessee's sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Lessee. The Lessee shall provide the Lessor a certificate of insurance evidencing such coverage. The Lessee's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Lessee shall not be interpreted as limiting the Lessee's liability and obligations under this Agreement. All insurance policies shall be from insurers authorized to write insurance policies in the State of Florida and that possess an A.M. Best rating of A-, VII or better. All insurance policies are subject to approval by the Lessor's Risk Manager.

The coverages, limits, and endorsements required herein protect the interests of the Lessor, and these coverages, limits, and endorsements may not be relied upon by the Lessee for assessing the extent or determining appropriate types and limits of coverage to protect the Lessee against any loss exposure, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the Lessor's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Lessee under this Agreement.

The following insurance policies and coverages are required:

Property Coverage

Coverage must be afforded in an amount not less than 100% of the replacement value of the property with a deductible of no more than \$25,000 each claim. Coverage form shall include, but not be limited to:

- All Risk Coverage including Flood and Windstorm with no coinsurance clause

- Any separate Flood and/or Windstorm deductibles are subject to approval by the Lessor

This policy shall insure the interests of the Lessor and Lessee in the property against all risk of physical loss and damage, and name the Lessor as a loss payee.

All rights of subrogation shall be waived against Lessor under the property coverage policy.

The Lessee shall, at the Lessee's own expense, take all reasonable precautions to protect the Premises from damage or destruction.

Builder's Risk Coverage

For improvements under construction, coverage must be afforded in an amount not less than 100% of the total project cost, including soft costs, with a deductible of no more than \$25,000 each claim. Coverage form shall include, but not be limited to:

- All Risk Coverage including Flood and Windstorm with no coinsurance clause
- Guaranteed policy extension provision

- Storage and transport of materials, equipment, supplies of any kind whatsoever to be used on or incidental to the project
- Equipment Breakdown for cold testing of all mechanized, pressurized, or electrical equipment

This policy shall insure the interests of the Lessor, Lessee, and subcontractors in the property against all risk of physical loss and damage, and name the Lessor as a loss payee. This insurance shall remain in effect until the work is completed and the property has been accepted by the Lessor.

Collection of Insurance. In the event of destruction of or damage to over fifty percent (50%) of any of the Premises or the buildings, other structures and Improvements covered by insurance and Lessee's election to rebuild the Premises or the buildings, other structures and Improvements pursuant to the Lessee's option provided in this Lease, the funds payable pursuant to such insurance policies shall be payable to, and deposited in, a commercial national bank as trustee, located in Fort Lauderdale, Florida, selected by the Lessor, as a trust fund, and the funds shall be used for the purpose of reconstruction or repair, as the case may be, of any of the buildings, other structures or Improvements so damaged or destroyed. Such reconstruction and repair work shall be done in strict conformity with the ordinances and charter of the Lessor. Should the cost of reconstruction or repair exceed the amount of funds available from the proceeds of such insurance policy, then in such event, such funds shall be used as far as the same will permit in paying the cost of the reconstruction or repair. In the event that the cost of such

reconstruction or repair work shall be less than the proceeds derived from such insurance policies, the surplus shall be payable to Lessee.

Commercial General Liability

Coverage must be afforded under a Commercial General Liability policy with limits not less than:

- \$2,000,000 each occurrence and \$2,000,000 aggregate for Bodily Injury, Property Damage, and Personal and Advertising Injury
- \$2,000,000 each occurrence and \$2,000,000 aggregate for Products and Completed Operations

If Lessor requires other fixed base operator tenants at Airport to increase their policy limits for the insurance described in this subparagraph, then Lessee agrees to increase its insurance limits accordingly.

Policy must include coverage for Contractual Liability and Independent Contractors.

The Lessor and the Lessor's officers, employees, and volunteers are to be covered as additional insureds with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of the Lessee. The coverage shall contain no special limitation on the scope of protection afforded to the Lessor or the Lessor's officers, employees, and volunteers.

Pollution and Remediation Legal Liability (Hazardous Materials)

For the purpose of this section, the term "hazardous materials" includes all materials and substances that are designated or defined as hazardous by Florida or federal law or by the rules or regulations of Florida or any federal agency. If work being performed involves hazardous materials, the Lessee shall procure and maintain any or all of the following coverage, which will be specifically addressed upon review of exposure.

Contractors Pollution Liability Coverage

For sudden and gradual occurrences and in an amount not less than \$5,000,000 per claim arising out of this Agreement, including but not limited to, all hazardous materials identified under the Agreement.

Hazardous Waste Transportation Coverage

The Lessee shall designate the hauler and furnish a Certificate of Insurance from the hauler for Automobile Liability insurance with Endorsement MCS90 for liability arising out of the transportation of hazardous materials in an amount not less than \$1,000,000 per claim limit and provide a valid EPA identification number.

If the Lessee does not own vehicles, the Lessee shall maintain coverage for Hired and Non-Owned Auto Liability, which may be satisfied by way of endorsement to the Commercial General Liability policy or separate Business Auto Liability policy.

Workers' Compensation and Employer's Liability

Coverage must be afforded per Chapter 440, Florida Statutes. Any person or entity performing work for or on behalf of the Lessor must provide Workers' Compensation insurance. Exceptions and exemptions will be allowed by the Lessor's Risk Manager, if they are in accordance with Florida Statute.

The Lessee waives, and the Lessee shall ensure that the Lessee's insurance carrier waives, all subrogation rights against the Lessor and the Lessor's officers, employees, and volunteers for all losses or damages. The Lessor requires the policy to be endorsed with WC 00 03 13 Waiver of our Right to Recover from Others or equivalent.

The Lessee must be in compliance with all applicable State and federal workers' compensation laws, including the U.S. Longshore Harbor Workers' Act and the Jones Act, if applicable.

- b. The Lessee shall provide to the Lessor a Certificate of Insurance having a thirty (30) day notice of cancellation; ten (10) days' notice if cancellation is for nonpayment of premium.

- c. In the event that the insurer is unable to accommodate the cancellation notice requirement, it shall be the responsibility of the Lessee to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term goes beyond the expiration date of the insurance policy, the Lessee shall provide the Lessor with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The Lessor reserves the right to suspend the Agreement until this requirement is met.
- e. The Certificate of Insurance shall indicate whether coverage is provided under a claims-made or occurrence form. If any coverage is provided on a claims-made form, the Certificate of Insurance must show a retroactive date, which shall be the effective date of the initial contract or prior.
- f. The Lessor shall be named as an Additional Insured on all liability policies, with the exception of Workers' Compensation.
- g. The Lessor shall be granted a Waiver of Subrogation on the Lessee's Workers' Compensation insurance policy.

The Certificate Holder should read as follows:

City of Fort Lauderdale
100 N. Andrews Avenue
Fort Lauderdale, FL 33301

The Lessee has the sole responsibility for the payment of all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the Lessor as an Additional Insured shall be at the Lessee's expense.

If the Lessee's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Lessee may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Lessee's insurance coverage shall be primary insurance as applied to the Lessor and the Lessor's officers, employees, and volunteers. Any insurance or self-insurance maintained by the Lessor covering the Lessor, the Lessor's officers, employees, or volunteers shall be non-contributory.

Any exclusion or provision in the insurance maintained by the Lessee that excludes coverage for work contemplated in this Agreement shall be unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the contract work has been accepted by the Lessor, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Lessee must provide to the Lessor confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The Lessor reserves the right to review, at any time, coverage forms and limits of Lessee's insurance policies.

The Lessee shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Lessee's insurance company or companies and the Lessor's Risk Management office, as soon as practical.

It is the Lessee's responsibility to ensure that any and all of the Lessee's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Lessee.

31. STANDARD PROTECTION CLAUSES.

(a) It shall be a condition of this Lease, that the Lessor reserves the right unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises, together with the right to cause in the airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for the navigation of or flight in the airspace, and for use of the airspace for landing on, taking off from or operating on the Airport.

(b) The Lessee expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Premises, to such a height so as to comply with Federal Aviation Regulations, Part 77.

(c) The Lessee expressly agrees for itself, its successors and assigns, to prevent any use of the Premises that would interfere with or adversely affect the operation or maintenance of the Airport, or otherwise constitute an Airport hazard.

32. SPECIFIC COMPLIANCE WITH ENVIRONMENTAL LAWS.

(a) The Lessee shall comply in all particulars with all pertinent rules, regulations, laws and ordinances duly and legally promulgated by any governmental authority, specifically including without limitation those addressing the following for protection of the environment:

- (1) Proper use, storage, treatment and disposal of Materials, including contracting with a licensed hazardous waste transporter or treatment and disposal facility to assure proper transport and disposal of hazardous waste and other regulated Materials.
- (2) Proper, use, disposal and treatment of stormwater runoff, including the construction and installation of adequate pre-treatment devices or mechanisms on the Premises, if applicable.
- (3) Adequate inspection, licensing, insurance and registration of existing and future storage tanks, storage systems and ancillary facilities to meet all City, local, state and federal standards, including the installation and operation of adequate monitoring devices and leak detection systems.
- (4) Adequate facilities on the Premises for management and, as necessary, pretreatment of industrial waste, industrial wastewater, and regulated materials and the proper disposal thereof.
- (5) Compliance with reporting requirements of Title III of the Superfund Amendment, Chapter 27 of the Broward County Code of Ordinances, Chapters 13 and 28 of the Fort Lauderdale Code of Ordinances and any other environmental regulations, as applicable and as such laws may be enacted and amended from time to time.

(b) The release of any Materials on the Premises, or as a result of Lessee's operations at the Airport, that is in an amount constituting a violation of any federal, state, City or local law, rule or regulation or in violation of any order or directive of any federal, state, or local court or governmental authority, by Lessee, or any of its sublessees or the officers, employees, subcontractors, invitees, or agents of Lessee or its sublessees, whether committed prior to or subsequent to the date of execution of this Agreement, shall be, at the Lessee's expense, and upon demand of City or any of its agencies or any local, state, or federal regulatory agency, immediately contained or removed to meet the requirements of applicable environmental laws, rules and regulations. If Lessee does not take action immediately to have such Materials contained, removed and abated, the City or any of its agencies may upon reasonable notice to Lessee (which notice shall be written unless an emergency condition exists) undertake the removal of the Materials; however, any such action by the City or any of its agencies shall not relieve the Lessee of its obligations under this or any other provision of this Agreement or as imposed by law. No action taken by either the Lessee or the City to contain or remove Materials, or to abate a discharge, whether such action is taken voluntarily or not, shall be construed as an admission of liability as to the source of or the person who caused the pollution or its discharge.

(c) Lessee shall provide the City with notice of releases of Materials occurring at the Premises or on account of Lessee's operations at the Airport. Lessee shall maintain a log of all such notices to the City, and shall also maintain all records required by federal, state, City and local laws, rules and regulations and also such records as are reasonably necessary to adequately assess environmental compliance in accordance with applicable laws, rules and regulations.

(d) As required by law, Lessee shall provide the federal, state, City and local regulatory agencies with notice of spills, releases, leaks or discharges of Materials on the Premises or on the Airport property which exceeds an amount required to be reported to any local, City, state or federal regulatory agency under applicable environmental laws, rules and regulations. Lessee shall further provide the City with written notice of not less than one (1) business day following commencement of the same, of the curative measures, remediation efforts and monitoring activities to be effected on the Premises. Lessee shall have a current contingency plan in effect relating to such releases which provide minimum standards and procedures for storage of regulated materials and other Materials, prevention and containment of spills and releases, and transfer and disposal of regulated materials and other Materials. The contingency plan shall describe design features, response actions, and procedures to be followed in case of releases or other accidents involving hazardous materials, bio-hazardous materials, petroleum products or other Materials.

(e) The City, upon reasonable written notice to Lessee, shall have the right to inspect all documents relating to the environmental condition of the Premises, including without limitation, the release of Materials at the Premises, or any curative, remediation, or monitoring efforts, and any documents required to be maintained under applicable environmental laws, rules, regulations or any development order issued to the City and pertaining to the Airport pursuant to Chapter 380, Florida Statutes, including but not limited to, manifests evidencing proper transportation and disposal of Materials, environmental site assessments, and sampling and test results.

(f) Lessee agrees to permit inspection of the Premises by appropriate federal, state, county, City, and local agency personnel in accordance with applicable environmental laws, rules and regulations and as required by any development order issued to the City pertaining to the Airport, pursuant to Chapter 380, Florida Statutes.

(g) If the City arranges for the removal of any Materials on the Premises that were caused by Lessee, or any of its sublessees or the officers, employees, contractors, subcontractors, invitees, or agents of Lessee or its sublessees, the costs of such removal incurred by the City shall be paid by Lessee to the City within

ten (10) calendar days of City's written demand, with interest at the rate of eighteen (18%) percent per annum thereafter accruing.

(h) Notwithstanding anything else to the contrary in this Paragraph, Lessee shall not be liable for the discharge of any Materials caused by anyone other than the Lessee, or any of its sublessees or the officers, employees, contractors, subcontractors, invitees, or agents of Lessee or any of its sublessees. Nothing herein shall relieve Lessee of its general duty to cooperate with the City in ascertaining the source and containing, removing, and abating any Materials at the Premises. The City and its employees, contractors, and agents, at times in accordance with applicable laws, rules and regulations, shall have the right to enter the Premises for the purposes of the foregoing activities or conducting such environmental assessments (testing and sampling), inspections, audits as warranted.

(i) Lessee hereby agrees that upon any assignment of this Lease by Lessee, and at anytime during the last year of the Term of this Lease, the City shall have the right to require Lessee to conduct a Termination of Lease Assessment and Facility Exit Inspection of the Premises, at Lessee's expense. If documentation warrants, the City shall have the right to require the Lessee to conduct a further assessment of the Premises at the Lessee's expense, which may include, but shall not be limited to, soil and water samples.

(j) Should any Termination of Lease Assessment or Facility Exit Inspection of the Premises indicate that further actions must be conducted in order to comply with applicable laws, ordinances, rules or regulations, or any directive of any federal, state or local court or governmental authority, then the City shall have the right to have such further actions conducted at the Lessee's expense. Nothing herein shall be construed to limit City's right of entry onto the Premises pursuant to other provisions of this Paragraph or of this Agreement, or pursuant to its regulatory powers. Lessee shall have the right to split any soil or water samples obtained by City.

(k) Lessee shall reimburse to the City the cost of such assessments and inspections within ten (10) calendar days following written demand therefore, with interest at the rate of eighteen (18%) percent per annum thereafter accruing.

(l) In the event City shall arrange for the removal of Materials on the Premises that are not the responsibility of the Lessee to correct, and if any such clean-up activities by City shall prevent Lessee from using the Premises for the purposes intended, the rent shall be abated in accordance with Paragraph 12, hereof, from the date that the use of the Premises for its intended purposes is precluded and until the Premises again become available for the Lessee's use. City shall use reasonable efforts to not disrupt Lessee's business; however, in no event shall

Lessee be entitled to any amount on account of lost profits, lost rentals, or other claims of damage, resulting of City's clean-up activities.

(m) The provisions of this Paragraph shall survive the expiration or earlier termination of this Agreement.

(n) The Premises shall not be used for any improper or immoral purposes or in any manner that constitutes a nuisance, either public or private.

(o) Lessee shall provide City, if requested by the Airport Manager, with a list of all hazardous, bio-hazardous, or other Materials stored, used, generated or disposed of on the Premises during Lessee's occupation of the Premises under this Lease and under any prior leases throughout the term of the Lease.

(p) Lessee acknowledges and agrees that the City makes no representations or warranties whatsoever as to whether any pollutant, or hydrocarbon contamination, hazardous materials, or other contaminants or regulated materials (referred to herein collectively as "Materials") exist on or in the Premises or Improvements in violation of any federal, state, City or local law, rules, regulation or in violation of any order or directive of any federal, state or local court or entity with jurisdiction of such matter. It shall be the responsibility of Lessee to make sufficient inspection of the Premises and the Improvements to satisfy itself as to the presence or absence of any such Materials.

(q) Lessee shall ensure that any rare, protected, threatened, and/or endangered species as listed by the Federal, State, or local regulatory agencies are protected from harm or removed by obtaining all applicable permits through the proper agencies and shall follow all proper procedures for their removal.

33. MINIMUM STANDARDS. In addition to the covenants and agreements contained in this Agreement, this Lease is further subject to the provisions of those certain Minimum Standards pertaining to airport tenants as adopted by City of Fort Lauderdale Resolution No. 05-29, as such Minimum Standards are amended from time to time.

34. STORMWATER MANAGEMENT PROGRAM. Lessee acknowledges that the City of Fort Lauderdale has adopted a stormwater management program (Article IV of Chapter 28 of the Code of Ordinances of the City of Fort Lauderdale) that imposes a stormwater management utility fee upon every lot and parcel within the City of Fort Lauderdale for services and facilities provided by the stormwater management program. Lessee specifically agrees that any such fee imposed on the Premises shall be paid timely and in whole solely by Lessee.

35. POLICE POWERS. City cannot, and hereby specifically does not, waive or relinquish any of its regulatory approval or enforcement rights and obligations as it may

relate to regulations governing the Premises, any Improvements thereon, or any operations at the Premises. Nothing in this Lease shall be deemed to create an affirmative duty of City to abrogate its sovereign right to exercise its police powers and governmental powers by approving or disapproving or taking any other action in accordance with its zoning and land use codes, administrative codes, ordinances, rules and regulations, federal laws and regulations, state laws and regulations, and grant agreements. In addition, nothing herein shall be considered "zoning by contract."

Certain provisions of this Lease may require the City and/or its boards, departments or agencies, acting in their governmental capacity, to consider certain changes in the City's Comprehensive Land Use Master Plan and/or Unified Land Development Regulations or take other governmental actions. All such considerations and actions shall be undertaken in accordance with established requirements of state statute, and the City of Fort Lauderdale Charter and City of Fort Lauderdale ordinances, in the exercise of the City's jurisdiction under its police power. Nothing in this Agreement is intended to limit or restrict the powers and responsibilities of the City in acting on such applications by virtue of the fact that the City may have consent to such applications as a property owner.

36. AIRPORT SECURITY PROGRAM.

(a) Lessee agrees to observe all security requirements and other requirements of the Federal Aviation Regulations and any and all requirements of the Department of Homeland Security and the Transportation Security Administration applicable to Lessee. The Lessee agrees to comply with the Airport Security Program and the Air Operations Area (AOA) Vehicle Access Program, as may be amended from time to time, as approved by the Federal Aviation Administration, and to comply with such other rules and regulations as may be reasonably required by the City, and to take such steps as may be necessary or directed by the City to insure that sublessees, employees, invitees and guests observe these requirements. If required by the Airport Manager, Lessee shall conduct background checks of its employees in accordance with applicable federal regulations. Lessee further agrees to be responsible for the care and maintenance of the Airport Security barriers and devices as a permanent improvement to the Premises. All costs and expenses associated with the cost of the security fence, barriers, access control and monitoring systems, including but not limited to, gates, signs or locks (keying and re-keying), which are installed now or in the future at the Premises shall be borne by the Lessee. If, as a result of the acts or omissions of Lessee, its sublessees, employees, invitees or guests, the City incurs any fines or penalties imposed by the Federal Aviation Administration or any expense in enforcing the regulations of the Federal Aviation Administration, Department of Homeland Security and the Transportation Security Administration or the rules and regulations of the City, and any expense in enforcing the Airport Security Program, then Lessee agrees to pay and reimburse to City all such costs and expenses, including all costs of administrative proceedings, court costs and attorney's fees,

and all other costs and expenses incurred by City in enforcing this provision. Lessee agrees that it has the responsibility to prevent unauthorized access to the aircraft Movement Area through its Premises and will take all necessary actions to prevent such unauthorized access through its leasehold. Lessee further agrees to rectify any security deficiency or other deficiency as may be determined as such by the City or the Federal Aviation Administration. In the event Lessee fails to remedy any such deficiency, the City may do so at the cost and expense of Lessee. The City reserves the right to take whatever action is necessary to rectify any security deficiency or other deficiency. The provisions hereof shall survive the expiration or earlier termination of this Lease.

(b) Lessee shall comply with all Federal, State, and Local regulations pertaining to safety and security on the Airport. Lessee shall be held liable for any vehicles and or pedestrians that gain unauthorized access to the Movement Area through the Premises. It shall be the responsibility of Lessee to properly secure its property to prevent unauthorized access to the Air Operations Area (AOA) and the Movement Area. Lessee shall provide wiring, conduits, and space in telecommunications closets as necessary within the Premises for the operation of any security devices that the Airport deems necessary. Lessee shall also be responsible for providing power from an electrical panel with circuit breaker protection, for any security device, including but not limited to, access controls, gates, and cameras. Energy to operate any security system will be provided by Lessee without cost to the Airport.

37. MATTERS RESERVED BY THE LESSOR.

(a) Lessor reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure on the Airport, which, in the opinion of the Lessor would limit the usefulness of the Airport or constitute a hazard to aircraft utilizing the Airport.

(b) Lessor reserves the authority to ensure that facilities of the Airport are made available to the public on fair and reasonable terms without unjust discrimination. This Lease shall be subordinate to the authority of the Lessor to establish sufficient control over the operations of Lessee at the Airport to guarantee that patrons will be treated fairly.

(c) Lessor reserves the right to further develop and improve the Airport, including but not limited to, all landing areas and Taxiways of the Airport, as Lessor sees fit, regardless of the desires or views of Lessee, and without interference or hindrance, subject to Paragraph 14 of this Amended and Restated Lease.

(d) Except to the extent required for the performance of the obligations of Lessee, nothing contained in this Agreement shall grant to Lessee any rights whatsoever in the airspace above the Premises other than those rights which are subject to Federal Aviation Administration orders, regulations or advisory circulars currently or subsequently effective. Lessor reserves the right to take any action whatsoever that it considers necessary to protect the aerial approaches of the Airport against obstruction, including but not limited to, the demolition or removal of structures upon the Premises, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure at the Airport which, in the opinion of the Lessor, would limit the usefulness of or interfere with the operations at the Airport, or constitute a hazard to aircraft.

38. CONSTRUCTION CONTRACTS BOND, AND CONTRACT PROVISIONS.

(a) Lessee agrees that prior to commencing any work or construction on the Premises, the Lessee shall require the contractor building the Improvements to maintain at all times a valid construction bond and a valid labor and material bond, which shall be in an amount not less than the amount covering the full amount of the work performed. Each bond must guarantee to the City the completion of the work being performed by the contractor as well as full payment of all suppliers, materialmen, laborers or subcontractors employed in completing the improvement.

(b) Lessee agrees to include the following provisions in any contracts it enters into with contractors in connection with the construction and completion of any Improvements to the Premises:

(1) In consideration of the sum of twenty-five (25.00) Dollars and other good and valuable consideration, the Contractor shall indemnify and hold the City of Fort Lauderdale, its agents, officers and employees harmless from and against or on account of any injuries or damages, received or sustained by any person, persons or entity arising out of or in any way connected with the operations or work to be performed on the subject property, including during any warranty period, by or in consequence of any negligence (excluding sole negligence of City), by use of any improper materials, by any intentional act, by any misconduct or recklessness, or by or on account of any other act or omission of said Contractor or its subcontractors, materialmen, or agents of any tier or their respective employees.

(2) Contractor agrees to indemnify and hold the City of Fort Lauderdale harmless, including during any warranty period, against any claims or liability arising out of or in any way connected with the violation of any state, federal, City or local laws, ordinances, statutes, rules or regulations by Contractor, its subcontractors, agents, servants, or employees. Contractor

agrees to indemnify and hold the City of Fort Lauderdale harmless from all such claims and fees, and from any and all suits and actions of every nature and description that may be brought against the City on account of any claims, fees, royalties or costs for any invention or patent, and from any and all suits and actions that may be brought against City including during any warranty period for infringement of any and all patents or patent rights claim by any person, firm or corporation.

(3) Contractor further agrees to indemnify and hold the City of Fort Lauderdale, its agents, officers and employees harmless, from and against or on account of any injuries or damages, received or sustained by any person, persons, or entity arising out of or in any way connected with patent construction defects.

(4) These indemnifications shall survive the term of this Contract. In the event that any action or proceeding is brought against the City by reason of any such claim or demand, Contractor, upon written notice from City shall resist and defend such action or proceeding by legal counsel satisfactory to City.

(c) Lessee agrees to include the following insurance provisions in any contracts it enters into with contractors in connection with the construction and completion of any Improvements to the Premises, and Lessee further agrees to provide City, prior to commencement of any Improvements, certificates of insurance evidencing the contractor's compliance with this Paragraph:

(1) Without limiting any of the other obligations or liabilities of Contractor, Contractor shall provide, pay for, and maintain in force until all of its work to be performed under this Contract has been completed and accepted (or for such duration as is otherwise specified hereinafter), the insurance coverages set forth herein. All policies shall be endorsed to provide City with at least thirty (30) days prior written notice of any modification, cancellation, restriction or termination to the policy.

- a. Workers' Compensation Insurance in compliance with the Workers' Compensation Law of the State of Florida and all applicable federal law.
- b. Employers' Liability with policy limits of One Hundred Thousand Dollars (\$100,000) per accident.
- c. Comprehensive General Liability with minimum limits of One Million Dollars (\$1,000,000.00) per occurrence, combined single limit for

39. BUILDING REQUIREMENT AND CONCEPTUAL SITE PLAN REVIEW.

(a) The Lessee is required to construct and maintain Improvements on the Premises as summarized in **Exhibit "B"**, attached hereto and incorporated herein by reference. Lessee shall begin the process to construct with no less than a submission of a building permit application to the City of Fort Lauderdale, no later than six (6) months following the Amended and Restated Effective Date of this Amended and Restated Lease. Lessee may construct additional improvements or modifications at a later date, adhering to the requirements of the Lessor's codes and regulations, Federal, County, State and any other governing jurisdiction in effect at the time. However, in all cases, construction must be completed within sixty (60) months after approval by Lessor.

(b) A conceptual site plan for any and all Improvements that may be developed by Lessee on the Premises shall first be reviewed and approved by Lessor's Aviation Advisory Board. Prior to any construction upon the Premises, including any alterations, changes or additions, the Lessee's complete building plans shall be reviewed and approved by Lessor's Airport Manager. All such approvals shall not be unreasonably withheld, conditioned or delayed; provided, however, that any such conceptual site plan approval shall be specifically subject to Lessee showing that adequate on-site stormwater drainage is provided. No approval provided for herein shall be construed as relieving Lessee of any requirement contained in any applicable City, County, State or Federal law or regulation. Lessee shall be responsible at its sole cost and expense, to apply for and secure all necessary local, County, State, and Federal permits for the construction of Improvements on the Premises. This shall include, but not be limited to, applications for re-zoning and vacation of rights-of-way. The Aviation Advisory Board shall either approve the conceptual site plan or provide specific written objections within _____(60____) days of submittal by Lessee. Any delay in response by the Aviation Advisory Board beyond the deadline set forth above shall automatically toll any subsequent deadlines for performance by Lessee.

(c) Improvements made by the Lessee, and any and all construction of Improvements shall be performed in such a manner as to provide that the Improvements shall:

- (1) Be structurally sound and safe for human occupancy, and free from any hazards and be constructed in compliance with all applicable codes.
 - (2) Provide sufficient clearance for Taxiways, Runways and aprons, and shall not intrude into any aeronautical surfaces or exceed any height limitations and shall not interfere with operations or arriving and departing aircraft at the Airport and shall not conflict with any items of the FAA-approved Airport Layout Plan for the Airport.
 - (3) Comply with the provisions of the Deed under which Lessor acquired title to the airport from the United States of America, and the provisions of any grant agreements between the Lessor and the United States Government or the State of Florida that are applicable to the Premises.
 - (4) Comply with the terms and provisions of this Lease.
 - (5) Lessor reserves the right to require that all development within the Airport is consistent with the overall Airport system architecture and the Airport Master Plan, as well as being consistent with reasonable standards of safety and quality.
- (d) It is understood and agreed that in the course of any construction undertaken by Lessee during the term of this Lease, Lessee shall be responsible for all costs associated with any removal, replacement, relocation and protection of all utilities, whether such utilities are located at the Premises or on adjacent property, including but not limited to water, sewer, telephone, electric, airfield lighting system, and Federal Aviation Administration navigational aid system.
- (e) All Improvements and equipment constructed or installed by Lessee, its agents or contractors, including the plans and specifications relating to the same, shall comply with all applicable state, federal City and local ordinances, statutes, building codes, fire codes, regulations and rules. The approval by Fort Lauderdale Executive Airport staff or officers of any plans, specifications or designs shall not constitute a representation or warranty as to such compliance, and the responsibility therefore shall at all times remain with Lessee.
- (f) All Improvements and equipment constructed, installed, operated or maintained on the Leased Premises shall at all times comply with applicable federal, state or local ordinances, statutes, rules or regulations pertaining to environmental protection and regulation.
- (g) Any work impacting any portion of the Airport other than the Premises shall be performed within schedules approved by the Airport Manager, and such approval shall not be unreasonably withheld conditioned or delayed.

(h) Lessee shall coordinate all Improvements to and construction on the Premises with the FAA, including the filing of the required forms and the provision of any documentation the FAA may request or require.

(i) All Improvements hereafter made to the Premises shall comply with the provisions of the Americans with Disabilities Act of 1990, as the same may be amended from time to time.

(j) Lessee acknowledges the Premises, including the land, belong to the City. Therefore, Lessee shall not dispose of any fill, dirt, and sand at any time, except that such relocation of fill, dirt and sand shall be done in accordance with a plan approved by the Airport Manager.

40. FUEL FARMS. Lessee is expressly permitted by Lessor to engage in fueling, fuel and lubricant storage, aircraft maintenance and repair, aircraft painting and stripping, and any other activity that involves the use and or storage of fuels, oils, solvents, paint, chemicals and other hazardous materials, and shall strictly comply with all Federal, State, and local rules and regulations pertaining thereto. Lessee, when engaging in fueling operations, must have a written fueling operations plan that addresses proper fueling procedures, training, and safety. The fueling operations plan must also contain a Spill Prevention/Countermeasures and Control Plan that address how the operator will clean up different size fuel spills. The fueling operations plan must be approved by the City Fire Marshall and be on file with the Airport Manager. All fueling facilities and mobile fueling vehicles shall be maintained to the highest safety standards in compliance with all codes and safety standards. These facilities and vehicles shall be subject to routine inspections by the City Fire Marshall. Properly trained personnel of Lessee, using equipment and facilities owned by the Lessee must complete all fueling operations. The Airport does not recognize a CO-OP (an organization formed by several aircraft owners for the purpose of self-fueling) as an individual aircraft owner for self-fueling purposes.

41. RIGHTS OF LESSEE TO MORTGAGE LESSEE'S INTEREST UNDER THIS LEASE AND RIGHTS OF LEASEHOLD MORTGAGEE.

(a) The Lessee shall have the right to mortgage Lessee's interest under this Amended and Restated Lease to a Federal or State Savings and Loan Association, Bank or Trust Company, Insurance Company, Pension Fund or Trust or similar lending institution authorized to make leasehold mortgage loans in the State of Florida without obtaining the prior consent of the Lessor, subject, however, to the other terms and conditions of this Amended and Restated Lease.

(b) If the Lessee shall mortgage its leasehold interest and if the holder of the mortgage or pledge shall forward to the Lessor a duplicate original of the mortgage in form proper for recordation, or a copy of the mortgage certified as a true copy

by the Office of Official Records of Broward County, Florida together with a written notice setting forth the name and address of the leasehold mortgagee, then, until the time that the leasehold mortgage shall be satisfied of record, the following provisions of this Paragraph shall apply.

(c) When giving notice to the Lessee with respect to any default under the provisions of this Amended and Restated Lease, the Lessor will also serve a copy of such notice upon the leasehold mortgagee which copy shall be sent by Lessor by certified mail, return receipt requested, to such mortgagee. No such notice to the Lessee shall be deemed to have been given unless a copy of such notice has been mailed to such leasehold mortgagee, which notice must specify the nature of each such default.

(d) The leasehold mortgagee, upon mailing by Lessor of the notice referred to in subparagraph (c) of this Paragraph, shall have, in addition to any period of grace extended to the Lessee under the terms and conditions of this Amended and Restated Lease, a period of sixty (60) days within which to cure the default or cause the same to be cured or to commence to cure such default with diligence and continuity; provided, however, that as to any default of the Lessee for failure to pay rent, the leasehold mortgagee shall be given written notice of such default by certified mail by Lessor, and the leasehold mortgagee shall have fifteen (15) additional days from the date the notice of default was mailed within which to cure such default.

(e) Upon the happening of any default and receipt of notice of default from the Lessor, the Lessee will notify the leasehold mortgagee promptly of such occurrence and shall state in the notice what action has been or will be taken by the Lessee to cure the default.

(f) In case the Lessee shall default under any of the provisions of this Amended and Restated Lease, the leasehold mortgagee shall have the right to cure such default whether the same consists of the failure to pay rent or the failure to perform any other matter or thing which the Lessee is required to do or perform, and the Lessor shall accept such performance on the part of the leasehold mortgagee as though the same had been done or performed by the Lessee.

(g) In the case of any default by the Lessee, other than in the payment of money under this Amended and Restated Lease, the Lessor, so long as no default in respect of the payment of minimum rental and additional rental shall exist, will take no action to effect a termination of the term of this Amended and Restated Lease by the service of a notice provided for in Paragraph 47 below by reason of any such default, without first giving to the leasehold mortgagee a reasonable time, not to exceed forty-five (45) days from the mailing of notice by Lessor, within which either (i) to obtain possession of the Premises (including possession by a receiver)

and cure such default in the case of a default which is susceptible of being cured when the leasehold mortgagee has obtained possession; or (ii) to institute foreclosure proceedings and complete such foreclosure or otherwise acquire the Lessee's interest under this Amended and Restated Lease with diligence and continuity and thereafter to commence and diligently proceed to cure such default; provided, however, that the leasehold mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which would have been the reason for serving such a notice shall be cured, and provided further, that nothing in this Paragraph shall preclude the Lessor from exercising any rights or remedies under this Amended and Restated Lease with respect to any other default by the Lessee during any period of such forbearance.

(h) In the event of the termination of this Amended and Restated Lease or of any succeeding lease made pursuant to the provisions of this Paragraph prior to its stated expiration date, the Lessor will enter into a new lease of the Premises with the leasehold mortgagee or, at the request of such leasehold mortgagee, to a corporation or other entity approved to conduct business in the State of Florida, formed by or on behalf of such leasehold mortgagee or by or on behalf of the holder of the note secured by the leasehold mortgage held by such leasehold mortgagee, for the remainder of the term, effective on the date of such termination, at the rent and additional rent and upon the covenants, agreements, terms, provisions and limitations contained in this Amended and Restated Lease, provided that such leasehold mortgagee makes written request and executes, acknowledges and delivers to the Lessor such new lease within thirty (30) days from the date of such termination and such written request and such new lease are accompanied by payment to the Lessor of all amounts then due to the Lessor, including reasonable attorneys' fees, court costs and disbursements incurred by the Lessor in connection with any such default and termination as well as in connection with the execution and delivery of such new lease, less the net income collected by the Lessor subsequent to the date of termination of this Amended and Restated Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the rent thereafter becoming due under such new lease. Any new lease referred to in this Paragraph shall not require any execution, acknowledgment or delivery by the Lessor in order to become effective as against the Lessor and the Lessor shall be deemed to have executed, acknowledged and delivered any such new lease immediately upon receipt by the Lessor of such new lease accompanied by (i) payment to the Lessor of all amounts then due to the Lessor of which the leasehold mortgagee shall theretofore have received written notice; and (ii) an agreement by the leasehold mortgagee to pay all other amounts then due to the Lessor of which the leasehold mortgagee shall not theretofore have received written notice. In addition, immediately upon receipt by the Lessor of such new lease, as provided in this subparagraph, the Lessor shall be deemed to have executed, acknowledged and delivered to the leasehold mortgagee an assignment of all subleases covering

the Premises which theretofore may have been assigned and transferred to the Lessor and all subleases under which subtenants shall be required to attorn to the Lessor pursuant to the terms and conditions of such subleases or this Amended and Restated Lease. Such assignment by the Lessor shall be deemed to be without recourse as against the Lessor. Within ten (10) days after a written request therefore by the leasehold mortgagee, such assignment or assignments shall be reduced to writing in recordable form and executed, acknowledged and delivered by the Lessor to the leasehold mortgagee.

(i) The leasehold mortgagee may become the legal owner and holder of this Amended and Restated Lease by foreclosure of its mortgage or as a result of the assignment of this Amended and Restated Lease in lieu of foreclosure, whereupon such leasehold mortgagee shall immediately become and remain liable under this Amended and Restated Lease as provided in subparagraph (j) below, except that such leasehold mortgagee may assign this Amended and Restated Lease without the Lessor's consent to any assignee at any time whether prior or subsequent to the construction or completion of buildings, or other structures and Improvements erected or to be erected upon the Premises, provided that prior notice is given to Lessor in accordance with this Lease.

(j) In the event that a leasehold mortgagee shall become the owner or holder of the Lessee's interest by foreclosure of its mortgage or by assignment of this in Amended and Restated Lease in lieu of foreclosure or otherwise, the term "Lessee," as used in this Amended and Restated Lease, means only the owner or holder of the Lessee's interest for the time being so that, in the event of a sale, assignment or other disposition of the Lessee's interest in this Amended and Restated Lease by the mortgagee, the mortgagee shall be entirely freed and relieved of all covenants and obligations of the Lessee under this Amended and Restated Lease and it shall be deemed and construed, without further agreement between the Lessor and the mortgagee or between the Lessor, the mortgagee and the mortgagee's purchaser or assignee at any such sale or upon assignment of Lessee's interest, that the purchaser or assignee of Lessee's interest has assumed and agreed to carry out any and all covenants and obligations of Lessee.

(k) Within ten (10) days after written request by Lessee or by Lessee's leasehold mortgagee, or in the event that upon any sale, assignment or mortgaging of Lessee's interest in this Amended and Restated Lease by Lessee or Lessee's leasehold mortgagee, an offset statement shall be required from the Lessor, the Lessor agrees to deliver in recordable form a certificate to any proposed leasehold mortgagee, purchaser, assignee or to Lessee, certifying (if such be the case) (i) the amount of rental and additional rental due under the Amended and Restated Lease, if any, and the date to which rentals have been paid; (ii) that this Amended and Restated Lease is in full force and effect; (iii) that the Lessor has no knowledge of any default under this Amended and Restated Lease, or if any default exists,

specifying the nature of the default; and (iv) that there are no defenses or offsets which may be asserted by the Lessor against the Lessee in respect of obligations pursuant to this Amended and Restated Lease.

(l) Reference in this Amended and Restated Lease to acquisition of the Lessee's interests in this Amended and Restated Lease by the leasehold mortgagee shall be deemed to refer, where circumstances require, to acquisition of the Lessee's interest in this Amended and Restated Lease by any purchaser at a sale on foreclosure of the leasehold mortgage and provisions applicable to the leasehold mortgagee in such instance or instances shall also be applicable to any such purchaser.

(m) So long as the Lessee's interest in this Amended and Restated Lease shall be mortgaged to a leasehold mortgagee, the parties agree for the benefit of such leasehold mortgagee that the Lessor shall not sell, grant or convey to the Lessee all or any portion of the Lessor's fee simple title to the Premises without the prior written consent of such mortgagee. In the event of any such sale, grant or conveyance by the Lessor to the Lessee, the Lessor and the Lessee agree that no such sale, grant or conveyance shall create a merger of this Amended and Restated Lease into a fee simple title to the Premises. This subparagraph (m) shall not be construed to prevent a sale, grant or conveyance of the Lessor's fee simple title by the Lessor to any person, firm or corporation other than the Lessee, its successors, legal representatives and assigns.

(n) Reference in this Amended and Restated Lease to a leasehold mortgagee shall be deemed to refer where circumstances require, to any assignee (subject to the provisions of subparagraph (i), above) of a leasehold mortgagee; provided that such assignee shall forward to the Lessor a duplicate original of the assignment of the leasehold mortgage in form proper for record or a copy of such assignment, certified as a true copy by the Office of Official Records of Broward County, together with a written notice setting forth the name and address of the assignee.

(o) Any leasehold mortgage shall be specifically subject and subordinate to the Lessor's rights under this Amended and Restated Lease. The sentence immediately preceding shall not be deemed or construed (by implication or otherwise) to impose or establish upon the Lessee's interest in this Amended and Restated Lease or upon the lien of any leasehold mortgage the superiority of any lien or encumbrance, including, without limitation, the lien of any fee mortgage, judgment or tax created directly or indirectly by, through or against the Lessor or the Lessor's interest in this Amended and Restated Lease. Despite any provision which is or may appear to be to the contrary in this Amended and Restated Lease, under no circumstances whatsoever shall the fee simple title interest of the Lessor in the Premises, or any portion of them, be subordinated, except for a mortgage on Lessee's leasehold interest.

42. OTHER REMEDIES. In addition to the options granted above, the Lessor may exercise any or all other options available to it, which options may be exercised concurrently or separately with the exercise of the above options.

43. CONDEMNATION.

(a) In the event of a taking of all of the Premises or so much of them so as to render the Premises unfit for purposes intended by the Lessee for any public or quasi-public purpose, under any statute or by right of eminent domain, the Lessee's liability to pay rental and additional rental or otherwise to perform the terms and conditions of this Amended and Restated Lease shall cease, but the Lessee shall be entitled to any claim against the condemnor that the Lessee may be entitled to because of (i) loss of buildings, other structures and Improvements erected upon the Premises by the Lessee; and (ii) the loss of the then unexpired portion of the fixed term of this Amended and Restated Lease. Lessor shall be entitled to the balance of the condemnation award, if any.

(b) In the event of a partial taking by condemnation or eminent domain as described in subparagraph (a) above, so that the part not so taken shall be sufficient for the continued operation of the Premises for the purposes intended by the Lessee, then this Amended and Restated Lease shall continue in full force and effect, and the rental shall be reduced in accordance with subparagraph (c) below, and the Lessee shall be entitled to any claim against the condemnor that the Lessee may be entitled to because of the loss of buildings, other structures or Improvements erected upon the Premises by the Lessee. The Lessee shall use the proceeds received by the Lessee pursuant to this subparagraph (b) for purposes of restoring those portions of any buildings, other structures and Improvements upon the remainder of the Premises to as near their former condition as circumstances will permit.

(c) In the event of a partial taking by condemnation or eminent domain, as provided in subparagraph (b) above, the rental payable shall be reduced by that proportion which the square footage of the land so taken bears to the original square footage of the entire Premises.

44. ASSIGNMENT AND SUBLEASING.

(a) Except as provided herein, the Lessee shall not assign, sublease, sublet, transfer, convey or pledge this Amended and Restated Lease or any of its obligations, in whole or in part, in any manner whatsoever, to any other natural or corporate Person, or any entity whatsoever, without the express consent of the Lessor, authorized by appropriate municipal action taken at a regular public meeting of the City Commission of the City of Fort Lauderdale; provided, however,

that such consent will not be required for any subtenancy in which less than fifty-one percent (51%) of usable floor area of any one building will be subleased by one subtenant, nor to any sublease of any aircraft hangar space. Any such consent to an assignment, sublease, transfer, conveyance or pledge by the Lessor shall be subject to all of the terms and provisions of this Amended and Restated Lease, and shall not release the Lessee from its obligations under this Amended and Restated Lease, unless otherwise stated. The obtaining of any consent shall not affect the rentals payable to Lessor. Lessor agrees that consent will not be unreasonably withheld. However, Lessor may withhold consent in the event that a default has occurred hereunder, which default remains uncured.

(1) Should Lessee take any action to assign or sublease this Lease without the prior written consent of the City, then any such assignment or other action shall be null and void and of no force and effect. In addition to all other legally available remedies, the City shall, upon written notice to Lessee and an opportunity to cure, be entitled to immediately terminate this Agreement.

45. SUCCESSORS IN INTEREST. The covenants and agreements contained in this Amended and Restated Lease shall be binding on and inure to the benefit of the respective successors and assigns of the parties. Wherever used, the singular shall include the plural, and the use of any gender shall be applicable to all genders.

46. AMENDMENTS.

(a) No modification, amendment, or alteration in the terms and conditions contained herein shall be effective unless contained in a written document prepared and approved with the same formality herewith.

(b) Should the United States government, or its agencies require changes to this Agreement, including without limitation, any nondiscrimination provisions, as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, the Lessee agrees to consent to such amendments, modifications, revisions, supplements or deletions of any terms, conditions, or requirements of this Agreement (collectively, an "amendment") as may reasonably be required. Notwithstanding the foregoing, in the event any such amendment would in Lessee's good faith judgment unreasonably interfere with the business operations of Lessee or its sublessees, then Lessee may refuse to consent to such amendment, provided that Lessee must give immediate notice to the City of any such refusal to consent and such notice must state with specificity the reasons for any such refusal. City shall have the right to immediately terminate this Agreement upon the failure of Lessee to consent to any such amendment.

47. NOTICES. All notices required by law and by this Amended and Restated Lease to be given by one party to the other shall be in writing, and the same shall be served as follows:

(a) By certified mail, return receipt requested, to the following addresses:
