

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#20-0265

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: May 5, 2020

TITLE: Motion Approving Contract for the Fiveash Water Treatment Plant Media
Filters Rehabilitation Project – Cardinal Contractors, Inc. - \$1,869,000 -
(Commission Districts 1, 2, 3, 4)

Recommendation

It is recommended that the City Commission approve a contract, in substantially the form attached, for the Fiveash Water Treatment Plant Media Filters Rehabilitation Project with Cardinal Contractors, Inc., in the amount of \$1,869,000.

Background

This project is for the rehabilitation of twenty-two media filters at the Fiveash Water Treatment Plant. The filters remove contaminants and other impurities from our raw water (media), thereby providing clean and healthy water to our neighbors. The scope of work includes, but is not limited to, the complete rehabilitation of filter numbers 5 and 13, and the partial rehabilitation of filter numbers 1 - 4, 6 - 12, 14 - 16, and 20 - 22. This project includes procurement, removal, disposal, construction, testing, and placing into service the rehabilitated filters.

On January 14, 2020, the Procurement Services Division issued Invitation to Bid No. 12368-903. The City received three bids in response to the solicitation, which were opened on February 26, 2020. One of the three vendors that responded indicated they are either a Minority Business Enterprise, Women Business Enterprise, or Small Business Enterprise. All bids were reviewed for compliance with the solicitation specifications. The bid submitted by Cardinal Contractors, Inc. has met all the specifications of the solicitation and has been deemed the lowest cost, responsive, and responsible bid.

Resource Impact

There will be a fiscal impact to the City in the amount of \$1,869,000 for the contract award with the allowances included and \$228,476 for construction engineering inspection services fees and estimated in-house project management fees for a total of \$2,097,476. Funds for this purchase in the total amount of \$1,977,476 are available in the FY2020 Community Investment Plan in the accounts listed below with \$120,000 contingent upon the approval and appropriation of the consolidated budget amendment CAM #20-0090 on May 5, 2020.

<i>Funds available as of April 23, 2020</i>					
ACCOUNT NUMBER	INDEX NAME (Program)	CHARACTER CODE/ SUB- OBJECT NAME	AMENDED BUDGET (Character)	AVAILABLE BALANCE (Character)	AMOUNT
454-P12485.454-6599	Fiveash Water Treatment Plant Filters Rehabilitation	Capital Outlay / Construction	\$2,000,000	\$276,600	\$1,977,476
495-P12485.495-6599	Fiveash Water Treatment Plant Filters Rehabilitation	Capital Outlay / Construction	\$ -	\$ -	\$120,000
Total					\$2,097,476

Strategic Connections

This item supports the *Press Play Fort Lauderdale Strategic Plan 2024 Strategic Plan*, specifically advancing:

- The Infrastructure Focus Area
- Goal 1: Build a sustainable and resilient community
- Objective: Proactively maintain our water, wastewater, storm water, road, and bridge infrastructure.

This item advances the *Fast-Forward Fort Lauderdale Vision Plan 2035: We are Ready*.
