Recommendation

It is recommended the City Commission consider an ordinance rezoning 0.195 acres of land legally described as Lot 25, Block 2, River Gardens, Plat Book 19, Page 23, of the Public Records of Broward County, Florida, from Residential Low Rise Multifamily/Medium Density District (RMs-15) to Northwest Regional Activity Center-Mixed Use west District (NWRAC-MUw).

Background

The applicant, STKR Sistrunk, LLC., requests to rezone 0.195 acres of land located at 534 NW 22nd Avenue from RMs-15 to NWRAC-MUw to unify the site under a consistent zoning designation. The applicant has submitted an associated Site Plan Level II (Development Review Committee) application (Case No. PLN-SITE-19100004), known as "Townhomes at River Gardens West", a nineteen (19) unit townhouse development should the proposed rezoning be approved.

The sketch and legal description of the area proposed to be rezoned is included as Exhibit 1. The application and applicant's narrative responses to criteria are included as Exhibit 2.

The Planning and Zoning Board (PZB) reviewed the application on February 19, 2020, and recommended approval by a vote of 5-1. The PZB staff report includes a detailed analysis of the rezoning criteria and is attached as Exhibit 3. The PZB meeting minutes are available as Exhibit 4.
