

**CITY OF FORT LAUDERDALE**  
**City Commission Agenda Memo**  
**REGULAR MEETING**

**#20-0438**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** June 16, 2020

**TITLE:** Resolution Approving the Consolidated Budget Amendment to Fiscal Year  
2020 – Appropriation - **(Commission Districts 1, 2, 3 and 4)**

---

**Recommendation**

It is recommended that the City Commission adopt a resolution amending the Fiscal Year (FY) 2020 Budget and FY 2020 – FY 2024 Community Investment Plan (CIP), and abandoning the Mobile Enforcement for City Wide Parking Enhancement, North Beach Parking Lot, Parking Administration Building Structural Repairs, Broward City Segment II Beach Nourishment, Southeast Emergency Medical Sub-Station, Public Works Joint Facility, Annual Concrete and Paver Stones Contract, Las Olas Mobility Improvements, Police Department Air Conditioning Renovation, Water Tower Lighting, Police Station Renovations, NCIP City Match, and George English Park Boat Ramp Renovations Projects for the current fiscal year.

**Background**

Examples of recommended actions within the budget amendment are:

- transfer between funds;
- transfer between capital and operating budgets;
- transfer between capital projects;
- acceptance and appropriation of grant funding;
- amendment to staffing level;
- appropriation from fund balance; and
- appropriation for modified revenue and related expenditures.

Staff recommends that the City Commission amend the FY 2020 Final Budget and FY 2020 – FY 2024 Community Investment Plan by approving the following transfers and appropriations:

## Transportation and Mobility

### **A. Transfer from Capital Projects to Fund Balance – Parking Fund – Various Capital Projects - \$1,638,000**

***Abandoning the Mobile Enforcement for City Wide Parking Enhancement, North Beach Parking Lot, and Parking Administration Building Structural Repairs Projects. These projects will remain in the FY 2020 - 2024 Community Investment Plan, subject to subsequent years' appropriations. Through the FY 2021 budget process, and in future years, the City Manager intends to recommend funding be returned to projects when they are ready for construction and/or implementation.***

City staff conducted a review of Community Investment Plan (CIP) projects in the Parking Fund and identified projects that could be delayed or cancelled to offset revenue reductions and other changes that have occurred since the funding was originally appropriated. If approved by the City Commission, these changes will reduce expenses in the Parking Fund by \$1,638,000 during FY 2020.

Staff recommends that the City Commission amend the FY 2020 – FY 2024 Community Investment Plan in the amount of \$1,638,000 by abandoning the Mobile Enforcement for City Wide Parking Enhancement, North Beach Parking Lot, and Parking Administration Building Structural Repairs projects, and transferring the funds into the Parking Fund Balance.

### City Manager's Office

**B. Transfer from Capital Projects to Fund Balance, Transfer Between Funds (COVID-19 Impact) – General Capital Projects Fund, General Fund, Nuisance Abatement Fund – Various Capital Projects and Transfer of Excess Revenue - \$11,928,531**

***Abandoning the Broward City Segment II Beach Nourishment, Southeast Emergency Medical Sub-Station, Public Works Joint Facility, Annual Concrete and Paver Stones Contract, Las Olas Mobility Improvements, Police Department Air Conditioning Renovation, Water Tower Lighting, Police Station Renovations, NCIP City Match, and George English Park Boat Ramp Renovations Projects for the current fiscal year. These projects will remain in the FY 2020 - 2024 Community Investment Plan, subject to subsequent years' appropriations. Through the FY 2021 budget process, and in future years, the City Manager intends to recommend funding be returned to projects when they are ready for construction and/or implementation.***

While the magnitude and duration of this COVID-19 pandemic remain unclear, through strategic financial planning and proactive measures, the City is managing the impacts of this emergency. Upon a review of Community Investment Plan (CIP) projects, City staff identified projects that could be delayed in order to offset reduced revenues that are projected for FY 2020. The City Manager intends to recommend the funding of these projects in future years. If approved by the City Commission, these changes will save the General Fund \$11,528,531 during FY 2020.

Additionally, staff has identified excess revenue in the amount of \$400,000 related to administrative expenses that were spent in the General Fund but accepted in the Nuisance Abatement Fund. Staff is requesting to transfer these funds to the General Fund.

Staff recommends that the City Commission amend the FY 2020 – FY 2024 Community Investment Plan in the amount of \$11,528,531 by abandoning the Broward City Segment II Beach Nourishment, Southeast Emergency Medical Sub-Station, Public Works Joint Facility, Annual Concrete and Paver Stones, Las Olas Mobility Improvements, Police Department Air Conditioning Renovation, Water Tower Lighting, Police Station Renovations, NCIP City Match, and George English Park Boat Ramp Renovations projects, and transfer funding from the Nuisance Abatement Fund in the amount of \$400,000 to the General Fund Balance.
