Leona,

I am in receipt of your request for extension, dated August 21, 2019, as outlined in the Agreement between Broward County and the City of Fort Lauderdale, with respect to the 9/11 Memorial at Riverwalk. This letter will serve to provide the additional six months to complete the project. The new expiration date is March 25, 2020.

Following completion of work, you can send me the close out documentation and I will initiate the reimbursement up to the maximum funding amount of \$7,500. If you have any additional questions do not hesitate to contact me.

Thank you,
