4. **Term.**

4.1 Due to the need to keep the public safe and to make certain improvements within the License Areas, LICENSEE may close a portion of the rights-of-way of as set forth below as follows:

The closure is being requested as a safety measure for pedestrians due to site access constraints and the high volume of material deliveries generated by a project of this size. The proposed closure is described below and graphically shown in the "License Areas", attached as **Exhibit "B"** and the "**Detour Plans**", attached as **Exhibit "C"**.

□ Closure: Approximately 9.5' of NE 7th Street, approximately 18' of NE 5th Avenue, and approximately 18' of NE 4th Avenue ("License Areas"). The NE 7th Street closure only includes the closure of the southern swale area on NE 7th Street and will not impact pedestrian or vehicular traffic. The closure on NE 5th Avenue includes the closure of the western swale and the southbound travel lane of NE 5th Avenue. The closure on NE 4th Avenue includes the closure of the eastern swale and the northbound travel lane of NE 4th Avenue. The purpose of these closures are to facilitate construction entrances to the Property, to construct the proposed storm drainage infrastructure, concrete curbs, pervious pavers, and asphalt roadway restoration in the right-of-way, all in accordance with the site plan approval requirements. The travel lane closures are required to facilitate construction traffic, as the site plan approval called for keeping the two (2) existing legacy trees at the northeast corner of the Property, three (3) additional trees at the northwest corner of the Property, and an additional tree at the southwest corner of the Property. Keeping these specimens required creative solutions to maintaining construction access to the Property.

□ The License Areas will not displace any on street metered public parking spaces.

□ The proposed MOT plan does not appear to present any conflicts with the other construction projects in this area.

4.1.1 Closure:

(a) **Boundary of closure:** See **Exhibit "B"**

(b) **Duration:** Seven (7) months, unless terminated sooner pursuant to provisions 4.4, 4.5 or 23 hereof. This closure period may commence upon the Effective Date and the issuance of the MOT Permit. The City Manager shall have the authority, upon written request by LICENSEE, to extend the term of this closure by not more than four (4) thirty (30) day periods beyond the period set forth in this subsection. The City Manager shall have the authority, upon written request by LICENSEE, to extend the term of this closure for delays beyond the reasonable control of the LICENSEE, including, without limitation, Acts of Nature such as fire, flood, earthquake, storm, hurricane or other natural disaster. The LICENSEE must give notice of the force majeure event to the Contract Administrator promptly thereafter but no later than five (5) days after its occurrence, in which written explanation shall describe circumstances of the force majeure event and resulting hardship.

42 As to the duration of the closure of the License Areas and notwithstanding the foregoing, the City Engineer, in its sole discretion, will determine whether to close the sidewalk and vehicular lane and the duration of the closure after consideration of such matters as site conditions, construction operations, pedestrian and vehicular circulation, feasibility of alternative means of pedestrian and vehicular access and pathways and such other aspects of this Project as the City Engineer deems necessary and appropriate.

43 In the event that the license granted herein or the actions of the LICENSEE or any of its agents, servants, employees, guests or invitees or the agents, servants, employees, guests or invitees of any of the LICENSEE's contractors, subcontractors or independent contractors shall (a) ever conflict with a superior municipal interest of the CITY or public, or (b) at any time the CITY requires the use of the above-mentioned License Area or publicly dedicated thoroughfare for a superior conflicting municipal purpose or (c) determines that continuation of the license granted herein is no longer in the best public interest, or (d) as determined by the City Commission, then, in that event, the license granted herein shall be terminable at the will of the City Commission upon fifteen (15) days' notice to the LICENSEE.

44 In the event LICENSEE is (a) in violation of any of the material terms or conditions of this Revocable License, as determined by the City Manager, or (b) the license granted herein or the actions of LICENSEE or any of its agents, servants, employees, guests or invitees or the agents servants, employees, guests or invitees of any of LICENSEE's contractors, subcontractors or independent contractors conflict with a superior municipal interest of the CITY or the public, or (c) at any time the CITY requires the use of the above mentioned License Areas or adjacent publicly dedicated thoroughfare(s) for a superior conflicting municipal purpose, or continuation of the License granted herein is no longer in the best public interests, all as determined by the City Manager, then, upon advance written notice to LICENSEE of not less than twenty-four (24) hours where LICENSEE is given an opportunity to be heard on the matters, the authority granted by this License may be temporarily revoked or suspended by the City Manager for a period not exceeding ten (10) days, at the end of which period the City Commission shall consider termination of the License granted herein.

In such a circumstance notice shall be provided to LICENSEE pursuant to the provisions of Section 12, Emergencies, of this Revocable License. In the event

All such repair, restructure and replacement shall be hereafter referred to as "Restoration". The cost of Restoration shall be paid solely by LICENSEE

17. **License, not Lease.** It is acknowledged and stipulated by and between the parties hereto that this Revocable License shall not be deemed a lease of the License Areas by CITY but rather a License granted to LICENSEE by CITY for the nonexclusive possession, use, occupancy, operation, maintenance and repair of the License Areas for the conduct of the Project under the terms and conditions stated herein, such terms and conditions including termination of the License in the manner set forth herein. 182 LICENSEE further agrees to investigate, handle, respond to, provide defense for, and defend any such Claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any Claims and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. 20. **Special Exception.** If is agreed that this Revocable License is granted to LICENSEE for LICENSEE'S benefit, is a special exception to the City's general policy and it is stipulated between the parties that this Revocable License shall be construed most strictly in favor of the CITY and against LICENSEE.

within the time provided in such Notice, which such time for cure shall be reasonable in light of all the circumstances.

21.1.1 In the event the Contract Administrator finds that the LICENSEE has failed to timely cure such violation, the Contract Administrator shall provide Notice thereof to LICENSEE and impose or assess a fine of \$1,000.00 per day for each and every day the violation continues beyond the date set in the Notice under Section 21.1.

21.1.2 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with Notice thereof. Contract Administrator shall provide Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

21.1.3 In the event LICENSEE disagrees with the Contract Administrator's (a) finding that a violation exists or continues to exist, or (b) imposition or assessment of a per diem fine, or (c) determination of the date of compliance or noncompliance, LICENSEE shall file a written Notice of Appeal to the City Manager within five (5) days of receiving notice of (a), (b) or (c) above.

21.1.4 Within ten (10) days of receiving a Notice of Appeal under Section 21.1.3, the City Manager shall hear presentations thereon and render a written Final Order thereon, serving a copy thereof upon LICENSEE. In deciding an Appeal filed under Section 21.1.3, the City Manager may affirm, reverse or modify, in whole or in part, the findings of the Contract Administrator. 21.1.5 In the event LICENSEE contests the Final Order of the City Manager under Section 21.1.4 above, LICENSEE may file a Notice of Appeal with the City Clerk including all written arguments in support of contesting the Final Order. The City Commission shall review the Notice of Appeal and the written arguments in support of contesting the Final Order as soon as a hearing thereon may be reasonably scheduled. At the hearing on the Appeal, the City Commission shall hear presentations by the LICENSEE and City Manager and shall render an Order ("Order on Appeal") thereon affirming, reversing or modifying the Final Order in whole or in part.

21.1.6 Any fines resulting from the process set forth in Sections 21.1.1 through 21.1.5 shall be paid to CITY within sixty (60) days from the final adjudication resulting from that process.

21.1.7 LICENSEE hereby waives all right, title and interest to the issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any violations of the terms or conditions of this License still exist.

Revocable License

Licensee: ALTA FLAGLER VILLAGE PHASE II, LLC

21.1.8 LICENSEE hereby waives all right, title and interest in Issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any fines imposed have not been paid.

21.1.9 LICENSEE hereby waives all right, title and interest in and to any further building or engineering Inspections during the period that any violations of the terms or conditions of this License still exist.

212 In the event the LICENSEE fails to timely cure the violation within the time specified in Section 21.1, the CITY, as an alternative to the procedures set forth in Sections 21.1.1 through 21.1.9, may

212.1 revoke or terminate this License; or

212.2 take any equitable action to enforce the terms and conditions of this Revocable license, it being stipulated by the parties that since this Revocable License deals with the right to use a public right-of-way, a violation or breach of any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

212.3 take such curative action that was required to be taken by the LICENSEE under the Revocable License and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within sixty (60) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs, maintenance or removal undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to CITY, in the event of litigation between the parties, CITY shall be entitled to recover from LICENSEE all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels, provided CITY ultimately prevails in such proceedings.

212.4 If LICENSEE does not make the payments required under this Section 21 within the sixty (60) day period set forth herein, then CITY shall have a right to record a Claim of Lien upon the Property, which lien may be either (a) for the total amount of the fines resulting from the procedures set forth in

Revocable License

Licensee: ALTA FLAGLER VILLAGE PHASE II, LLC

Sections 21.1.1 through 21.1.6 or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

21.2.5 The remedies found within this Section 21, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

22. **Requirement for Notice.** LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the License Areas in which damage to property or injury to a person occurs.

23. **Notices.**

(a) Except as provided in subparagraph (c) below, whenever It is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Revocable License, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by mailing the same by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as CITY may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder forty-eight (48) hours after the time that the same shall be deposited in the United States mail, postage prepaid; in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.
