For purposes of this Contract, "Loan Approval" means a statement by the lender setting forth the terms and conditions upon which the lender is willing to make a particular mortgage loan to a particular buyer. 6. TITLE: Seller has the legal capacity to and will convey ~~marketable~~ title to the Property by ☐ statutory warranty deed ☐ special warranty deed ☒ other Quit Claim Deed, ~~free of liens, easements and encumbrances of record or known to Seller~~, but subject to property taxes for the year of closing; covenants, restrictions and ~~public utility~~ easements of record; existing zoning and governmental regulations; and (list any other matters to which title will be subject) See Addendum Attached hereto

~~Buyer's closing agent together with copies of all documents recited in the prior policy and in the update. If such an abstract or prior policy is not available to Seller then (i.) above will be the evidence of title.~~

~~(b) Title Examination: Buyer will, within 15 days from receipt of the evidence of title deliver written notice to Seller of title defects. Title will be deemed acceptable to Buyer if (1) Buyer fails to deliver proper notice of defects or (2) Buyer delivers proper written notice and Seller cures the defects within _____ days from receipt of the notice ("Curative Period"). Seller shall use good faith efforts to cure the defects. If the defects are cured within the Curative Period, closing will occur on the latter of 10 days after receipt by Buyer of notice of such curing or the scheduled Closing Date. Seller may elect not to cure defects if Seller reasonably believes any defect cannot be cured within the Curative Period. If the defects are not cured within the Curative Period, Buyer will have 10 days from receipt of notice of Seller's inability to cure the defects to elect whether to terminate this Contract or accept title subject to existing defects and close the transaction without reduction in purchase price.~~

7. PROPERTY CONDITION: Seller will deliver the Property to Buyer at the time agreed in its present "as is" condition, ordinary wear and tear excepted, and will maintain the landscaping and grounds in a comparable condition. Seller makes no warranties other than marketability of title. In the event that the condition of the Property has materially changed since the expiration of the Due Diligence Period, Buyer may elect to terminate the Contract and receive a refund of any and all deposits paid, plus interest, if applicable, or require Seller to return the Property to the required condition existing as of the end of Due Diligence period, the cost of which is not to exceed \$_____ (1.5% of the purchase price, if left blank). By accepting the Property "as is", Buyer waives all claims against Seller for any defects in the Property. (Check (a) or (b))

☐ (a) **As Is:** Buyer has inspected the Property or waives any right to inspect and accepts the Property in its "as is" condition.

☒ (b) **Due Diligence Period:** Buyer will, at Buyer's expense and within 60 days from Effective Date ("Due Diligence Period"), determine whether the Property is suitable, in Buyer's sole and absolute discretion. During the term of this Contract, Buyer may conduct any tests, analyses, surveys and investigations ("Inspections") which Buyer deems necessary to determine to Buyer's satisfaction the Property's engineering, architectural, environmental properties; zoning and zoning restrictions; flood zone designation and restrictions; subdivision regulations; soil and grade; availability of access to public roads, water, and other utilities; consistency with local, state and regional growth management and comprehensive land use plans; availability of permits, government approvals and licenses; compliance with American with Disabilities Act; absence of asbestos, soil and ground water contamination; and other inspections that Buyer deems appropriate. Buyer will deliver written notice to Seller prior to the expiration of the Due Diligence Period of Buyer's determination of whether or not the Property is acceptable. Buyer's failure to comply with this notice requirement will constitute acceptance of the Property in its present "as is" condition. Seller grants to Buyer, its agents, contractors and assigns, the right to enter the Property at any time during the term of this Contract for the purpose of conducting Inspections, upon reasonable notice, at a mutually agreed upon time; provided, however, that Buyer, its agents, contractors and assigns enter the Property and conduct Inspections at their own risk. Buyer will indemnify and hold Seller harmless from losses, damages, costs, claims and expenses of any nature, including attorneys' fees at all levels, and from liability to any person, arising from the conduct of any and all inspections or any work authorized by Buyer. Buyer will not engage in any activity that could result in a mechanic's lien being filed against the Property without Seller's prior written consent. In the event this transaction does not close, (1) Buyer will repair all damages to the

Property resulting from the Inspections and return the Property to the condition it was in prior to conduct of the Inspections, and (2) Buyer will, at Buyer's expense release to Seller all reports and other work generated as a result of the Inspections. Should Buyer deliver timely notice that the Property is not acceptable, Seller agrees that Buyer's deposit will be immediately returned to Buyer and the Contract terminated.

(c) **Walk-through Inspection:** Buyer may, on the day prior to closing or any other time mutually agreeable to the parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and to ensure that all Property is on the premises.

8. OPERATION OF PROPERTY DURING CONTRACT PERIOD: Seller will continue to operate the Property and any business conducted on the Property in the manner operated prior to Contract and will take no action that would adversely impact the Property after closing, as to tenants, lenders or business, if any. Any changes, such as renting vacant space, that materially affect the Property or Buyer's intended use of the Property will be permitted ☒ only with Buyer's consent ☐ without Buyer's consent.

9. CLOSING PROCEDURE: Unless otherwise agreed or stated herein, closing procedure shall be in accordance with the norms where the Property is located.

(a) **Possession and Occupancy:** Seller will deliver possession and occupancy of the Property to Buyer at closing. Seller will provide keys, remote controls, and any security/access codes necessary to operate all locks, mailboxes, and security systems.

(b) **Costs:** Buyer will pay Buyer's attorneys' fees, taxes and recording fees on notes, mortgages and financing statements and recording fees for the deed. Seller will pay Seller's attorneys' fees, taxes on the deed and recording fees for documents needed to cure title defects. If Seller is obligated to discharge any encumbrance at or prior to closing and fails to do so, Buyer may use purchase proceeds to satisfy the encumbrances.

(c) **Documents:** Seller will provide the deed; bill of sale; mechanic's lien affidavit; ~~originals of those assignable service and maintenance contracts that will be assumed by Buyer after the Closing Date and letters to each~~ service contractor from Seller advising each of them of the sale of the Property and, if applicable, the transfer of its contract, and any assignable warranties or guarantees received or held by Seller from any manufacturer, contractor, subcontractor, or material supplier in connection with the Property; current copies of the condominium documents, if applicable; assignments of leases, updated rent roll; tenant and lender estoppels letters (if applicable); tenant subordination, non disturbance and attornment agreements (SNDAs) required by the Buyer or Buyer's lender; assignments of permits and licenses; corrective instruments; and letters notifying tenants of the change in ownership/rental agent. If any tenant refuses to execute an estoppels letter, Seller, if requested by the Buyer in writing, will certify that information regarding the tenant's lease is correct. If Seller is an entity, Seller will deliver a resolution of its governing authority authorizing the sale and delivery of the deed and certification by the appropriate party certifying the resolution and setting forth facts showing the conveyance conforms to the requirements of local law. ~~Seller will transfer security deposits to Buyer. Buyer will provide the closing statement, mortgages and notes, security agreements, and financing statements.~~

(d) **Taxes and Prorations:** Real estate taxes, personal property taxes on any tangible personal property, bond payments assumed by Buyer, interest, rents (based on actual collected rents), association dues, insurance premiums acceptable to Buyer, and operating expenses will be prorated through the day before closing. If the amount of taxes for the current year cannot be ascertained, rates for the previous year will be used with due allowance being made for improvements and exemptions. Any tax proration based on an estimate will, at request of either party, be readjusted upon receipt of current year's tax bill; this provision will survive closing.

(e) **Special Assessment Liens:** ~~Certified, confirmed, and ratified special assessment liens as of the Closing Date will be paid by Seller. If a certified, confirmed, and ratified special assessment is payable in installments, Seller will pay all installments due and payable on or before the Closing Date, with any installment for any period extending beyond the Closing Date prorated, and Buyer will assume all installments that become due and payable after the Closing Date. Buyer will be responsible for all assessments of any kind which become due and owing after Closing Date, unless an improvement is substantially completed as of Closing Date. If an improvement is substantially completed as of the Closing Date but has not resulted in a lien before closing, Seller will pay the amount of the last estimate of the assessment. This subsection applies to special assessment liens imposed by a public body and does not apply to condominium association special assessments.~~

(f) **Foreign Investment in Real Property Tax Act (FIRPTA):** If Seller is a "foreign person" as defined by FIRPTA, Seller and Buyer agree to comply with Section 1445 of the Internal Revenue Code. Seller and Buyer will complete, execute, and deliver as directed any instrument, affidavit, or statement reasonably necessary to comply

Buyer (JK) () and Seller (QR) () acknowledge receipt of a copy of this page, which is Page 4 of 8 Pages.

with the FIRPTA requirements, including delivery of their respective federal taxpayer identification numbers or Social Security Numbers to the closing agent. If **Buyer** does not pay sufficient cash at closing to meet the withholding requirement, **Seller** will deliver to **Buyer** at closing the additional cash necessary to satisfy the requirement.

10. ESCROW AGENT: **Seller** and **Buyer** authorize Escrow Agent or Closing Agent (collectively "Agent") to receive, deposit, and hold funds and other property in escrow and, subject to collection, disburse them in accordance with the terms of this Contract. The parties agree that Agent will not be liable to any person for misdelivery of escrowed items to **Seller** or **Buyer**, unless the misdelivery is due to Agent's willful breach of this Contract or gross negligence. If Agent has doubt as to Agent's duties or obligations under this Contract, Agent may, at Agent's option, (a) hold the escrowed items until the parties mutually agree to its disbursement or until a court of competent jurisdiction or arbitrator determines the rights of the parties or (b) deposit the escrowed items with the clerk of the court having jurisdiction over the matter and file an action in interpleader. Upon notifying the parties of such action, Agent will be released from all liability except for the duty to account for items previously delivered out of escrow. If Agent is a licensed real estate broker, Agent will comply with Chapter 475, Florida Statutes. In any suit in which Agent interpleads the escrowed items or is made a party because of acting as Agent hereunder, Agent will recover reasonable attorney's fees and costs incurred, with these amounts to be paid from and out of the escrowed items and charged and awarded as court costs in favor of the prevailing party.

11. CURE PERIOD: Prior to any claim for default being made, a party will have an opportunity to cure any alleged default. If a party fails to comply with any provision of this Contract, the other party will deliver written notice to the non-complying party specifying the non-compliance. The non-complying party will have _____ days (5 days if left blank) after delivery of such notice to cure the non-compliance. Notice and cure shall not apply to failure to close.

12. FORCE MAJEURE: **Buyer** or **Seller** shall not be required to perform any obligation under this Contract or be liable to each other for damages so long as performance or non-performance of the obligation, or the availability of services, insurance, or required approvals essential to Closing, is disrupted, delayed, caused or prevented by Force Majeure. "Force Majeure" means: hurricanes, floods, extreme weather, earthquakes, fire, or other acts of God, unusual transportation delays, or wars, insurrections, or acts of terrorism, which, by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended a reasonable time up to 7 days after the Force Majeure no longer prevents performance under this Contract, provided, however, if such Force Majeure continues to prevent performance under this Contract more than 30 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other and the Deposit shall be refunded to **Buyer**, thereby releasing **Buyer** and **Seller** from all further obligations under this Contract.

~~**13. RETURN OF DEPOSIT:** Unless otherwise specified in the Contract, in the event any condition of this Contract is not met and **Buyer** has timely given any required notice regarding the condition having not been met, **Buyer's** deposit will be returned in accordance with applicable Florida Laws and regulations.~~

14. DEFAULT:

(a) In the event the sale is not closed due to any default or failure on the part of **Seller** other than failure to make the title marketable after diligent effort, **Buyer** may elect to receive return of **Buyer's** deposit without thereby waiving any action for damages resulting from **Seller's** breach and may seek to recover such damages or seek specific performance. If **Buyer** elects a deposit refund, **Seller** may be liable to Broker for the full amount of the brokerage fee.

(b) In the event the sale is not closed due to any default or failure on the part of **Buyer**, **Seller** may either (1) retain all deposit(s) paid or agreed to be paid by **Buyer** as agreed upon liquidated damages, consideration for the execution of this Contract, and in full settlement of any claims, upon which this Contract will terminate or (2) seek specific performance. If **Buyer** fails to timely place a deposit as required by this Contract, **Seller** may either (1) terminate the Contract and seek the remedy outlined in this subparagraph or (2) proceed with the Contract without waiving any remedy for **Buyer's** default.

15. ATTORNEY'S FEES AND COSTS: In any claim or controversy arising out of or relating to this Contract, the prevailing party, which for purposes of this provision will include **Buyer**, **Seller** and Broker, will be awarded reasonable attorneys' fees, costs, and expenses.

16. NOTICES: All notices will be in writing and may be delivered by mail, overnight courier, personal delivery, or electronic means. Parties agree to send all notices to addresses specified on the signature page(s). Any notice, document, or item given by or delivered to an attorney or real estate licensee (including a transaction broker) representing a party will be as effective as if given by or delivered to that party.

Buyer  (_____) and **Seller**  (_____) acknowledge receipt of a copy of this page, which is Page 5 of 8 Pages.

17. DISCLOSURES:

(a) **Commercial Real Estate Sales Commission Lien Act:** The Florida Commercial Real Estate Sales Commission Lien Act provides that a broker has a lien upon the owner's net proceeds from the sale of commercial real estate for any commission earned by the broker under a brokerage agreement. The lien upon the owner's net proceeds is a lien upon personal property which attaches to the owner's net proceeds and does not attach to any interest in real property. This lien right cannot be waived before the commission is earned.

(b) **Special Assessment Liens Imposed by Public Body:** The Property may be subject to unpaid special assessment lien(s) imposed by a public body. (A public body includes a Community Development District.) Such liens, if any, shall be paid as set forth in Paragraph 9(e).

(c) **Radon Gas:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

(d) **Energy-Efficiency Rating Information:** Buyer acknowledges receipt of the information brochure required by Section 553.996, Florida Statutes.

18. RISK OF LOSS:

(a) If, after the Effective Date and before closing, the Property is damaged by fire or other casualty, Seller will bear the risk of loss and Buyer may cancel this Contract without liability and the deposit(s) will be returned to Buyer. Alternatively, Buyer will have the option of purchasing the Property at the agreed upon purchase price and Seller will credit the deductible, if any and transfer to Buyer at closing any insurance proceeds, or Seller's claim to any insurance proceeds payable for the damage. Seller will cooperate with and assist Buyer in collecting any such proceeds. Seller shall not settle any insurance claim for damage caused by casualty without the consent of the Buyer.

(b) If, after the Effective Date and before closing, any part of the Property is taken in condemnation or under the right of eminent domain, or proceedings for such taking will be pending or threatened, Buyer may cancel this Contract without liability and the deposit(s) will be returned to Buyer. Alternatively, Buyer will have the option of purchasing what is left of the Property at the agreed upon purchase price and Seller will transfer to the Buyer at closing the proceeds of any award, or Seller's claim to any award payable for the taking. Seller will cooperate with and assist Buyer in collecting any such award.

19. **ASSIGNABILITY; PERSONS BOUND:** This Contract may be assigned to a related entity, and otherwise ☒ is not assignable ☐ is assignable. This Contract is binding upon Buyer, Seller and their heirs, personal representatives, successors and assigns (if assignment is permitted).

20. **MISCELLANEOUS:** The terms of this Contract constitute the entire agreement between Buyer and Seller. Modifications of this Contract will not be binding unless in writing, signed and delivered by the party to be bound. Signatures, initials, documents referenced in this Contract, counterparts and written modifications communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted in or attached to this Contract prevail over preprinted terms. If any provision of this Contract is or becomes invalid or unenforceable, all remaining provisions will continue to be fully effective. This Contract will be construed under Florida law and will not be recorded in any public records.
