

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#20-0884**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** November 5, 2020

**TITLE:** Motion Rejecting All Proposals for the Design Build Pump Station B-4  
Force Main Project - **(Commission District 1)**

---

**Recommendation**

Staff recommends the City Commission reject all proposals for the Design Build Pump Station B-4 Force Main Project.

**Background**

On September 4, 2020, the Procurement Services Division issued Request for Proposal No. 12443-916 for the Design Build Pump Station B-4 Force Main. The bid package for described project included the design, permitting and construction under one contract for a new 24-inch diameter force main from pump station B-4 located in George English Park at the intersection of Bayview Drive and NE 21<sup>st</sup> Street.

On October 6, 2020, the City received five proposals. The City's Procurement Division is recommending rejecting all bids process, as defined in the City's Procurement Ordinance, due to a scrivener's error in the evaluation criteria that would not allow procurement to evaluate proposals properly. The City intends to re-solicit services as soon as possible.

**Resource Impact**

There is no fiscal impact to the City associated with this action.
