If you wish bid notifications be provided to another e-mail address or fax, please contact BidSync. If you wish purchase orders sent to a different address, please so indicate in your bid response. If you wish payments sent to a different address, please so indicate on your invoice.

Bidder may offer cash discounts for prompt payment but they will not be considered in determination of award. If a Bidder offers a discount, it is understood that the discount time will be computed from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last.

PART III BIDDING AND AWARD PROCEDURES:

- 3.01 SUBMISSION AND RECEIPT OF BIDS:** To receive consideration, bids must be received prior to the bid opening date and time. Unless otherwise specified, Bidders should use the proposal forms provided by the City. These forms may be duplicated, but failure to use the forms may cause the bid to be rejected. Any erasures or corrections on the bid must be made in ink and initialed by Bidder in ink. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. When a particular ITB or RFP requires multiple copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Only send bids via facsimile transmission (FAX) if the ITB specifically states that bids sent via FAX will be considered. If such a statement is not included in the ITB, bids sent via FAX will be rejected. In that the specified make and model represent a level of quality and features desired by the City, the Bidder must state clearly in the bid any variance from those specifications. It is the Bidder's responsibility to provide adequate information, in the bid, to enable the City to ensure that the bid meets the required criteria. - 3.07 MINIMUM AND MANDATORY TECHNICAL SPECIFICATIONS:** The technical specifications may include items that are considered minimum, mandatory, or required. If any Bidder is unable to meet or exceed these items, and feels that the technical specifications are overly restrictive, the bidder must notify the Procurement Services Division immediately. Such notification must be received by the Procurement Services Division prior to the deadline contained in the ITB, for questions of a material nature, or prior to five (5) days before bid due and open date, whichever occurs first. If no such notification is received prior to that deadline, the City will consider the technical specifications to be acceptable to all bidders.
- 3.08 MISTAKES:** Bidders are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions and special conditions pertaining to the ITB. Failure of the Bidder to examine all pertinent documents shall not entitle the bidder to any relief from the conditions imposed in the contract.
- 3.09 SAMPLES AND DEMONSTRATIONS:** Samples or inspection of product may be requested to determine suitability. Unless otherwise specified in Special Conditions, samples shall be requested after the date of bid opening, and if requested should be received by the City within seven (7) working days of request. Failure to provide samples or demonstrations as specified by the City may result in rejection of a bid.

In using Life Cycle Costing, factors such as the following may be considered: estimated useful life, maintenance costs, cost of supplies, labor intensity, energy usage, environmental impact, and residual value. The City reserves the right to use those or other applicable criteria, in its sole opinion that will most accurately estimate total cost of use and ownership.

Proposals purporting to be subject to copyright protection in full or in part will be rejected.

EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, DO NOT MARK YOUR RESPONSE TO THE RFP AS PROPRIETARY OR CONFIDENTIAL. DO NOT MARK YOUR RESPONSE TO THE RFP OR ANY PART THEREOF AS COPYRIGHTED.

- 3.16 PROHIBITION OF INTEREST:** No contract will be awarded to a bidding firm who has City elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida State Statutes and City Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder and removal of the Bidder from the City's bidder lists and prohibition from engaging in any business with the City.
- 3.17 RESERVATIONS FOR AWARD AND REJECTION OF BIDS:** The City reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variations to

specifications contained in bids, and minor irregularities in the bidding process. The City also reserves the right to award the contract on a split order basis, lump sum basis, individual item basis, or such combination as shall best serve the interest of the City. The City reserves the right to make an award to the responsive and responsible bidder whose product or service meets the terms, conditions, and specifications of the ITB and whose bid is considered to best serve the City's interest. In determining the responsiveness of the offer and the responsibility of the Bidder, the following shall be considered when applicable: the ability, capacity and skill of the Bidder to perform as required; whether the Bidder can perform promptly, or within the time specified, without delay or interference; the character, integrity, reputation, judgment, experience and efficiency of the Bidder; the quality of past performance by the Bidder; the previous and existing compliance by the Bidder with related laws and ordinances; the sufficiency of the Bidder's financial resources; the availability, quality and adaptability of the Bidder's supplies or services to the required use; the ability of the Bidder to provide future maintenance, service or parts; the number and scope of conditions attached to the bid.

This procedure to continue until a bidder is selected or the contract is re-bid, at the sole option of the City.

- 3.18 LEGAL REQUIREMENTS:** Applicable provisions of all federal, state, county laws, and local ordinances, rules and regulations, shall govern development, submittal and evaluation of all bids received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a bid response hereto and the City by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any bidder shall not constitute a cognizable defense against the legal effect thereof.

Melissa Doyle
Program Manager- Solid Waste and Recycling
Ft. Lauderdale/Residential Single Stream Recycling
City of Fort Lauderdale
100 N. Andrews Avenue
Ft. Lauderdale, FL 33301

Dear Ms. Doyle:

This responds to a recent conversation concerning the ability of Waste Management to process the City's Residential Single Stream. Waste Management can provide this service at our WM Recycling Deerfield facility located at SW 43rd Terrace, Deerfield Beach. This is the old Sun 11 facility. The material will be processed in accordance with the current agreements for Broward County cities that have executed our standard processing agreement. The processing fee is set at \$96.00 per ton with an excessive contamination charge of \$55.00 per ton, for contamination over 10%, this will be calculated in the (AMV) Average Material Value. Anytime the AMV is below the processing fee, the City will be responsible for paying the difference between processing fee and AMV. There will only be a revenue share when the AMV is greater than the processing fee. We believe that our Deerfield Beach facility is the only source of Single Stream Recycling in the Broward County Area. Please let me know if you need any additional information.

Sincerely,

EXHIBIT E SINGLE STREAM PRICING

1. VALUE SHARE

Where the Blended Value is greater than the Processing Fee, Customer's value share is a percentage of the difference between the Blended Value and the Processing Fee as listed below. When the Blended Value is less than the Processing Fee, Customer shall pay Company the difference between the Processing Fee and the Blended Value.

Where the Blended Value is greater than the Processing Fee and equal to or less than \$120.00, the Customer's value share is 55% of the difference.

Where the Blended Value is greater than \$120.00 and equal to or less than \$140.00, the Customer's value share is 65% of the difference.

Where the Blended Value is greater than \$140.00, the Customer's value share is 75% of the difference.

2. BLENDED VALUE

To calculate the Blended Value per ton of the Recyclables,

(a) The percentage of each Recyclable and Non-Recyclable component set forth below contained in the Customer's recyclables as established and revised from time-to-time by audit, is multiplied by the current value of each commodity set forth below; and

(b) Each commodity value per ton is added together to obtain the Blended Value per ton.

Customer acknowledges that the value of a commodity may be negative.

Blended Value is calculated monthly.

- "SMP" means the average price published at www.SecondaryMaterialsPricing.com for the Atlanta (Southeast USA) Region, first dated price each month, retroactive to the first of the month.
- If PS or SMP (or both) is no longer reflective of prevailing market conditions or if an alternative publication more accurately reflects such market conditions, then Contractor may substitute such alternative publication(s) or alternate method to determine the value of each commodity set forth below.
- "Transportation and Disposal" means the charge for transporting residue from the processing facility per ton in the month of delivery to the disposal facility.

3. CHARGES

(a) The Initial Processing Fee is \$96.00 per delivered ton.

(b) The Contractor has the right to adjust the Processing Fee in accordance with increases in the applicable CPI as calculated below on the anniversary of the Effective Date ("Anniversary Date"). The increases to the Processing Fee shall be based on the percentage increase in the CPI for the twelve (12) month period ending one month prior to the Anniversary Date. "CPI" means the Consumer Price Index-All Urban Consumers (CPI-U), Water, Sewer, and Trash Collection (WST), (Not Seasonally Adjusted, 12-month rolling average) as published by the United States Department of Labor, Bureau of Labor Statistics (1982-1984=100), which shall not exceed 5%. EXHIBIT B SHALL BE USED FOR THE FIRST SIX MONTHS OF THE CONTRACT OR TO JULY 1 2019 WHICHEVER IS EARLIER

EXHIBIT F

Composition Audits of Program Materials used for AMV Calculation

a. The initial AMV calculation shall be based up on compositions presented in Exhibit B. and shall be the basis for calculating the initial AMV. For users of this Agreement other than the City by piggyback or otherwise, a mutually agreeable AMV schedule will be implemented for the first six months of this Agreement.

Beginning upon the commencement date of the agreement and during each subsequent six month period, WMIF shall conduct audits on not less twenty-five composition samples in accordance with ASTM Standard D5231-92(2008) so as to establish sufficient waste characterization data necessary to adjust the AMV to reflect changes in the composition of single stream materials delivered to the Designated Facilities which are utilized to calculate the AMV semi-annually, as agreed to by the City and WMIF. A quantity of 25 audits will provide a statistical confidence of 90%. These audits may be performed on a weekly basis over the duration of a six-month period to reflect changes in weather and seasonal population behaviors which affect recycling composition.

A calendar of planned audits will be provided to the City by WMIF indicating the schedule of planned samples. Sampling protocol shall consider the collection day of the week and geographic routing to provide the overall composition. The City may request to have a representative observe any audits by providing a written request not less than seven days prior to the audit. At any time during the term of the Contract the City may submit a written request to conduct a Composition Study with the aid of a qualified professional.

- b. Within ninety days after receipt of City's request, the City may engage a qualified professional (the "Professional") to conduct the Composition Study. The Professional will employ a Composition Study methodology generally recognized and accepted within the industry as producing accurate results under circumstances similar to those existing at the Designated Facilities. The City will have sole and absolute discretion in choosing the Professional and the methodology to be used in conducting each Composition Study. All costs related to the Composition Study shall be the City's obligation.
- c. Upon engaging a Professional who will conduct a Composition Study, the City will notify WMIF as to the schedule when the study will be conducted. Both the City and WMIF shall have the right to be present and to observe the conduct and performance of the Composition Study.

- d. The City will deliver, or require the Professional to deliver, a copy of the final Composition Study to WMIF. Should the Composition study conducted by the Professional deviate significantly (defined as greater than 5%) from data derived from audits conducted by WMIF, an average of the two AMV totals will be used to calculate the subsequent period until the next semi-annual calculation is due.

After the City and WMIF have received the final Composition Study, then any required resulting adjustments to the material percentages utilized to calculate the AMV as provided in Exhibit B will become effective commencing the first day of the calendar month after the month in which the parties receive the final Composition Study and will remain in effect during the remainder of the Contract unless and until further adjusted in a future Composition Study or City Composition Study.
