

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#20-0832

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: December 2, 2020

TITLE: Resolution for Imposition of Special Assessment Liens for Costs Associated
with the Securing of Multiple Properties – **(Commission Districts 1, 2 and
3)**

Recommendation

Staff recommends the City Commission approve a resolution authorizing the imposition of special assessment liens for the costs associated with the securing and boarding of the open and unsecured buildings listed in Exhibit 1.

Background

As authorized by sections 18-14 and 18-15 of the Code of Ordinances of the City of Fort Lauderdale (Code), the City secured properties listed in Exhibit 1. The exhibit includes the actual costs and expenses associated with abating the nuisance(s), which will be recorded against the respective properties as a special assessment lien in the public records of Broward County.

In accordance with Section 18-13 of the Code, the property owner is notified to secure the property within 10 days of the date of a citation. When compliance is not achieved within the required timeframe, the property is secured by a contractor designated by the City. A statement of costs and expenses is mailed to the property owner requesting reimbursement.

If the City does not receive payment on the outstanding balance within 30 days from the date of the mailing, staff sends the case to be recorded in the public records of Broward County. Additionally, interest accrues on the outstanding balance at a rate of 4.75% annually, as required by sections 215.422(3)(b), 337.141(3) and 687.01, Florida Statutes. Staff may also refer the outstanding balance to the City's collection agency.

Resource Impact

Should the City receive payment on the outstanding balance, the City will recover \$15,761 spent to perform the service plus any interest that accrues before the City receives payment from the property owner. The following table shows a summary of the account activity.
