PROJECT INFORMATION

Project Title:	Bill Keith Preserve- Shoreline Stabilization PH II Construction
Grant Administration (Direct Costs):	

GRANT PRE-APPLICATION FORM

The Shoreline at Bill Keith Preserve is eroding. There is a concern from staff and the neighborhood that the rate of shoreline loss will increase with the area's increased boat traffic. The City was awarded a Grant for Design and permitting in 2017 from the Florida Inland Navigation District. Phase I Design and Permitting should be completed by March 1, 2021. This grant will be for construction of that design.

Grants Administration Comments:

- **The Department is requesting the use of \$364K in General Fund Grant Match**
 - \$260K in required grant match for the construction of the project
 - \$104K in project managements fees that are not eligible for reimbursement on the grant
 - ~ **There is currently a \$401K balance in the General Fund Grant Match Index and \$387K has already been requested (but not yet awarded) this fiscal year.**
- The FIND Phase I grant will not provide reimbursement for the \$43K expended on design until the project is permitted (P12370.129).
- Per the Department, there is some flexibility with delaying either this project or the Riverwalk Floating Dock project by one year.
- The project must be completed in three (3) years - 2 year grant with optional 1 year extension
