Small-Scale Derelict Vessel Removal Projects Funding Policy
(Rule 66B-2.015)

Proposals shall be accepted for financial assistance for the removal of derelict vessels within the District's waterways. The applicable provisions of this rule apply to these applications with the following additions or exceptions:

(1) Application Procedure — Applications shall be submitted on a completed FIND Form No. 05-01 (effective date 04-24-06), hereby incorporated by reference and available from the District office. Applications may be submitted to the District and considered by the Board at any time during the year.

(2) The District shall only fund applicants that have identified derelict vessels to be removed and have an outstanding bid for removal for such vessels, subject to eligibility under these program rules.

(3) The program must be sponsored by an eligible government agency or not-for profit organization.

(4) District funding shall be limited to \$30,000 per county, per year, provided on a reimbursement basis only.

(5) The eligible applicant must provide the remaining matching funds for project completion. In no case shall the District's cost-share contribution exceed 75% of the total project costs. In-house project management or administration costs are not eligible costs or matching costs.

(6) The derelict vessel must be located in, the District's waterways, as defined in subsection 66B-2.003(28) "Waterways".

(7) The District shall be recognized when possible in all written, audio or video advertising and promotions as a participating sponsor of the program.

(8) The funding provided by the District shall only be allocated for removal of derelict vessels. The District is providing program reimbursement funds only and shall be held harmless with regards to the activities initiated by the applicant.

(9) The applicant shall be responsible for all maintenance, management, disposal and operating expenses associated with the program.

(10) Funds derived from the sale of any derelict vessels or vessel parts removed through this grant program must be reinvested into the applicant's derelict vessel removal program.

(11) The District Board shall make all final decisions concerning the provision of funding for this program.

RE: Derelict Vessel Number **FWCS20OFF017715**

Dear Mr. Luscomb:

The Florida Fish and Wildlife Conservation Commission (FWC) has investigated the vessel described below and determined the vessel is abandoned and derelict as defined in sections 705.103 and 823.11, Florida Statutes. FWC has provided notice to the last known owner/custodian of the vessel and afforded him/her an opportunity for a hearing compliant with fundamental procedural due process.. Your agency is now authorized to remove and dispose of the following vessel on behalf of FWC:

Vessel Make: Wellcraft Marine

Vessel Model: N/A

Vessel Hull Identification Number: WELC3994J788

Vessel Registration Number: FL 5689 JM

Vessel Length: 42'

Vessel Color: White

Vessel Location Latitude/Longitude: N 26 6.01332 W -80 09.6693

Vessel Location Description: South Fork New River

Please photograph the removal and destruction of the vessel and email the images to the email address provided below after the removal is complete. If you will be unable to take or provide the necessary images, please contact me in advance so an FWC officer can attend and document the vessel removal and destruction. Please also notify me of the total cost incurred for the removal and destruction of this vessel. If an owner/custodian can be identified, FWC will send a demand letter to the owner/custodian on your behalf seeking to recover your costs.

This authorization permits only (1) the destruction of the vessel identified above and (2) the removal and less any salvage value obtained by the disposal of the property of salvageable material from this vessel pursuant to subsection 705.103(4), Florida Statutes. Any other use of the vessel is not authorized. This letter does not authorize the removal of any vessels other than the vessel identified above.

Once you have informed me the vessel has been removed and I have photographic documentation of the removal and destruction, FWC will request the Department of Highway Safety and Motor Vehicles cancel the title and registration for the vessel.

Please contact me if you have any other questions
