

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#21-0305**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** April 6, 2021

**TITLE:** Public Hearing and Adoption of Resolution Approving the Parks, Recreation and Beaches Advisory Board's Recommendation for Approval of Additional Funding for the Aquatic Center Project as Provided in the Parks and Recreation Bond Resolutions - **(Commission District 2)**

---

**Recommendation**

Staff recommends the City Commission conduct a public hearing and adopt a resolution approving the Parks, Recreation, and Beaches Advisory Board's Recommendation for approval of additional funding for the Aquatic Center Project as provided in Bond Resolution No. 18-261 and Bond Resolution No. 20-08.

**Background**

On March 12, 2019, a referendum passed authorizing the City to issue up to \$200,000,000 of general obligation bonds for the purpose of financing Parks and Recreation Projects. The first installment of \$80,000,000, Series 2020A Bonds ("Bonds"), will fund the cost of development, design, acquisition, construction, equipping, installation, improvement and furnishing of certain Parks and Recreation Projects. The Parks and Recreation Projects to be undertaken by the City and financed with proceeds of the first series of Bonds was approved by the City Commission by subsequent resolution (Resolution 20-08, January 7, 2020); provided, however, that prior to the City Commission's approval of a Parks and Recreation Project that is not one of the four signature park projects (Joseph Carter Park, Holiday Park, Lockhart Stadium and Tunnel Top Park), such project shall have been reviewed by the City of Fort Lauderdale Parks, Recreation and Beaches Advisory Board (the "Advisory Board") and the Advisory Board shall have submitted its recommendation to the City Commission as to whether the project should or should not be undertaken and financed, in whole or in part, with proceeds of the Bonds.

The referendum resolution provided the following:

"In deciding whether to undertake and finance with proceeds of the Bonds a Parks and Recreation Project that is not one of the four signature park projects, the City

Commission shall conduct a public hearing and consider, but shall not be obligated to follow, the recommendation of the Advisory Board with respect to such project.”

On February 24, 2020, the Parks, Recreation, and Beaches Advisory Board recommended allocating \$7 million of Parks General Obligation Bond dollars to the Aquatic Center Project. The total estimated project cost was \$45.7 Million with the remainder of the funding coming from the Beach CRA (\$31.7 Million), Park Impact Fees (\$5 Million), and General Fund (\$2 Million). This recommendation was approved by the City Commission at a Public Hearing on July 7, 2020.

The City of Fort Lauderdale awarded a design-build contract to Hensel Phelps to design and construct improvements at the Aquatic Center Complex. These improvements included new pools, decks, bleachers, and the north building. After the contract was awarded, the Mayor and Commission directed staff to make improvements to the existing athlete locker rooms which are in the south building. Improvements to the south building were not included in the initial awarded scope of work. After site investigations were completed, it was decided that the south building was in poor condition and it would not be wise to spend money on interior renovations. Hensel Phelps submitted an unsolicited proposal to demolish and build a new south building, and the Commission has directed staff to move forward with the proposal.

Hensel Phelps has requested additional funding relating to the Aquatic Center South Building (locker rooms and offices) replacement. The additional funding of \$3.5 Million for the project was presented to and recommended by the Parks, Recreation, and Beaches Advisory Board on February 24, 2021.
