
FATVillage Artwalk Safety Guidelines

1. We will have a limited number of slots per hour in Eventbrite ticketing and ask that all attendees adhere to their respective times.
2. We have two entrance and exit points.
3. Volunteers will use counters to control the number of people in the event at a time.
4. There will be signs at all entrances and throughout the street for social distancing expectations.
5. Hand sanitizer station at entrance, exit and throughout the event.
6. Mandatory masks. Require all artists, attendees, staff and vendors to wear masks while at the event. We will also have a supply of extra masks for those who need them.
7. Require gloves and masks for our cleaning crew.
8. We will ask our artists to post in their booths.
9. Masks required
10. No touching without sanitizing your hands
11. No more than 1 person/group (no more than 2 people plus the artist) in a booth at a time
12. 6' feet apart (social distancing) reminders
13. Mark 6' apart in front of Porta Potties and areas where people might stand waiting.
14. Porta Potties and high-traffic areas will be continually sanitized throughout the event.
15. Place booths at least 6' apart giving room for artists and patrons to maintain distance.
16. Send a detailed social distancing plan to our participating artists and promote the restrictions to the public.
17. Our staff will have extra hand sanitizer, gloves and masks with them.
18. Our cleaning crew will have special cleaners for trash and Porta Potties handling.
19. Our cleaning crew will clean and sanitize common areas before, during and after the event each day.
20. Food trucks will remain in an enclosed area so that the removal of masks to eat or drink are only in the food truck enclosure.
