

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#21-0495

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: June 1, 2021

TITLE: Motion Approving Agreement for Stormwater Infrastructure Desilting
Services – FG Construction, LLC – \$1,247,500 - **(Commission Districts 1,
2, 3 and 4)**

Recommendation

Staff recommends the City Commission approve a piggyback agreement for the purchase of silt removal services from FG Construction, LLC (“FG”) via Broward County (“BC”) Solicitation No. PCN2120885B1 – General Roadway and Bridge Maintenance and Repairs in the estimated amount of \$1,247,500 and authorize the City Manager to approve two, one-year renewal options, contingent upon appropriation of funds.

Background

The City of Fort Lauderdale is responsible for the maintenance of stormwater infrastructure throughout the City, comprised of 187 miles of stormwater pipes, 1,290 manholes, 1,067 stormwater outfalls, 9,144 catch basins, 331 junction boxes, and 13 drainage wells. Proper maintenance of the stormwater system, including the proactive removal of silts and debris, is essential to prevent flooding by ensuring proper drainage, conveyance, and capacity. Described effort is beyond the basic maintenance performed by internal staff resources.

The BC agreement with FG includes services that the City of Fort Lauderdale will need for the proactive inspection, maintenance, flushing and removal of silts and debris from the City’s stormwater infrastructure.

Pursuant to Section 2-181(f)(5)(b), Code of Ordinances of the City of Fort Lauderdale, Florida, *the City may participate in a contract entered into by another governmental or public entity and a provider of supplies or services required by the City, if the Chief Procurement Officer determines that it is practicable and advantageous for the city to employ proposed method of procurement.*

The Chief Procurement Officer has determined that it would be practicable and advantageous for the City to use the proposed method of procurement for proposed agreement. Proposed agreement will be made in accordance with Bid No. PCN2120885B1

– General Roadway and Bridge Maintenance and Repairs from Broward County with FG.

Resource Impact

Funds for this purchase in the amount of \$867,585 are available in the FY 2021 Operating Budget in the account listed below: Future years’ expenditures are contingent upon the approval and appropriation of the annual budgets.

<i>Funds available as of May 10, 2021</i>
