WHEREAS, the Planning and Zoning Board, at its meeting of February 17, 2021 (PZ Case No. PLN-VAC-20060001), recommended to the City Commission of the City of Fort Lauderdale ("City Commission") that they approve the application for the vacation of a public right-of-way as more particularly described and shown on Composite Exhibit "A" attached hereto, subject to the conditions listed on Exhibit "B" attached hereto and incorporated herein; and

WHEREAS, such public hearings were duly held at the time and place designated and due notice of same was given by publication as is required by law; and

WHEREAS, the City Commission has determined that the application for vacation of right-of-way meets the criteria in Section 47-24.6.A.4 of the City of Fort Lauderdale Unified Land Development Regulations;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. The City Commission finds that the application for vacation of a right-of-way meets the criteria of Section 47-24.6 of the ULDR as enunciated and memorialized in the minutes of its meetings of June 1, 2021 and June 15, 2021, a portion of those findings expressly listed as follows:

1. The right-of-way is no longer needed for public purpose.
2. The right-of-way is a dead end and is not used for vehicular traffic.
3. The vacation of the right-of-way will not prevent vehicles from being able to travel south on Southwest 14th Avenue and turn west on Southwest 1st Street to circulate the area as is currently done today.
4. Pedestrian traffic will not be adversely affected by the right-of-way vacation. Sidewalks do not currently exist in the area to be vacated and the right-of-way is not currently used for pedestrian through-travel.
5. The applicant has obtained letters of no objection from impacted franchise utilities and the City's Public Works Department. The applicant will be responsible for any relocation or will grant an easement over the existing right-of-way for the utilities that will remain. The utility easement is required by the City's Public Works Department and is a condition of approval.

SECTION 2. That the public right-of-way located south of Broward Boulevard, north of Southwest 1st Street, west of Southwest 14th Avenue and east of the North Fork New River, as more particularly described in Exhibit "A" attached hereto, is hereby vacated, abandoned, and closed and shall no longer constitute a public right-of-way, subject to conditions listed on Exhibit "B" attached hereto and incorporated herein.

SECTION 3. That a copy of this Ordinance shall be recorded in the Public Records of Broward County by the City Clerk within 30 days from the date of final passage.

SECTION 4. That if any clause, section or other part of this Ordinance shall be held invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby, but shall remain in full force and effect.

SECTION 5. That all ordinances or parts of ordinances in conflict herewith, are hereby repealed.

SECTION 6. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

SECTION 7. This approval is conditioned upon the applicant obtaining all other applicable state or federal permits before commencement of the development.

SECTION 8. That this Ordinance shall be in full force and effect upon the recordation in the public records of Broward County, Florida, of a certificate executed by the City Engineer evidencing that all conditions listed on Exhibit "B" attached hereto have been met. The applicant shall provide a copy of the recorded certificate to the City.
