

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#21-0780

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: October 5, 2021

TITLE: Motion Authorizing Execution of a Sixth Amendment to the Revocable License with B-Cycle, LLC. - **(Commission District 4)**

Recommendation

Staff recommends the City Commission consider approving a motion authorizing the execution of a sixth amendment to the B-Cycle revocable license granted to B-Cycle, LLC to allow for the installation of a bike share station at the northwest corner of SE 9th Avenue and East Las Olas Boulevard. The current location will replace the existing B-Cycle station located at SE 10th Terrace.

Background

On May 18, 2021, the City Commission approved the site plan to allow a 138-room hotel and 5,698 square feet of retail use located at 1007 East Las Olas Boulevard. The B-Cycle station located at the corner of SE 10th Avenue and East Las Olas Boulevard conflicted with the proposed improvements along the right-of-way.

On July 6, 2011, the City Commission approved a revocable license with B-Cycle, LLC, subject to Chapter 27, Article IV, of the Code of Ordinances of the City of Fort Lauderdale (Code), to allow bike-sharing stations on City-owned property.

On April 15, 2021, the Administrative Review Committee (ARC) reviewed B-Cycle, LLC's application for the SE 9th Avenue bike-sharing station and found the station in compliance with the criteria regarding location of bicycle sharing stations as provided in Chapter 27, Article IV of the Code of Ordinances.

In accordance with the proposed sixth amendment to the revocable license (Exhibit 1), B-Cycle, LLC is requesting to install a bike share station at the northwest corner of SE 9th Avenue and East Las Olas Boulevard. The location map for the station location is attached as Exhibit 2.

Resource Impact

There is no fiscal impact to the City associated with this action.
