Good Morning Yasmine,

Yes, I am starting to make the arrangements. One question I'm being asked is the value of the sculpture.

Thank you again for this opportunity.

Best,

Enrique

Dear Enrique,
I hope this email finds you well.
I am very glad the statue will remain in Tarpon River.
I was wondering if you are making arrangements for the removal which has to occur by next month.
Thank you again for facilitating my request to be in order with my house buyer.
Warm regards,
Yasmine
