21.1.7 LICENSEE hereby waives all right, title and interest to the issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any violations of the terms or conditions of this License still exist.

21.1.8 LICENSEE hereby waives all right, title and interest in Issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any fines imposed have not been paid.

21.1.9 LICENSEE hereby waives all right, title and interest in and to any further building or engineering Inspections during the period that any violations of the terms or conditions of this License still exist.

21.2.1 revoke or terminate this License; or

21.2.2 take any equitable action to enforce the terms and conditions of this Revocable license, it being stipulated by the parties that since this Revocable License deals with the right to use a public right-of-way, a violation or breach of any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

LICENSEE shall reimburse CITY within sixty (60) days following written demand for payment thereof.

Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs, maintenance or removal undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to CITY, in the event of litigation between the parties, CITY shall be entitled to recover from LICENSEE all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels, provided CITY ultimately prevails in such proceedings.

21.2.4 Intentionally Omitted.

21.2.5 The remedies found within this Section 21, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

22. **Requirement for Notice.** LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the Licensed Areas in which damage to property or injury to a person occurs.
