

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#21-0975**

---

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Chris Lagerbloom, ICMA-CM, City Manager

**DATE:** November 2, 2021

**TITLE:** Resolution Supporting Broward County Traffic Engineering Division to Post  
“NO THRU TRUCKS” Signage on the Eastbound Lane of SE 15<sup>th</sup> Street at  
South Federal Highway - **(Commission District 4)**

---

**Recommendation**

Staff recommends the City Commission adopt a Resolution supporting the Broward County Traffic Engineering Division (BCTED) to post a “NO THRU TRUCKS” sign on the eastbound lane of SE 15<sup>th</sup> Street at South Federal Highway.

**Background**

Transportation and Mobility staff received a neighbor request to replace a missing “NO THRU TRUCKS” sign at the intersection of SE 15<sup>th</sup> Street and South Federal Highway. During a site inspection, BCTED staff confirmed the sign was missing and broken at the post. The damaged post posed a hazard for pedestrians and vehicular traffic and was removed by BCTED staff.

The Traffic Engineering Agreement between the City of Fort Lauderdale and Broward County requires the City Commission to approve a Resolution of Support for the installation of “NO THRU TRUCKS” signage. BCTED had no record of a previous Resolution approving the sign at the described location and is requesting a Resolution be passed to reinstall signage. Transportation and Mobility staff recommends a “NO THRU TRUCKS” sign be installed at eastbound SE 15<sup>th</sup> Street from South Federal Highway for the purposes of enhancing public safety in that residential area by alerting commercial truck drivers of the restricted movement within the area.

**Resource Impact**

There is no fiscal impact associated with this action.
