

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#21-0794

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: November 16, 2021

TITLE: Motion Accepting Grant Application - Broward County Enhanced Marine
Law Enforcement Grant Program Funds - \$145,256 (**Commission
Districts 1, 2, 3 and 4**)

Recommendation

Staff recommends the City Commission approve the acceptance of a grant in the amount of \$145,256 from the FY 2022/2023 Broward County Enhanced Marine Law Enforcement Grant Program.

Background

The Broward County Marine Advisory Committee is accepting grant proposals for the Fiscal Year 2022/2023 Enhanced Marine Law Enforcement Grant (EMLEG) Program. The purpose of the EMLEG Program is to improve boating safety in Broward County by enhancing or supplementing marine law enforcement activities and improving boating safety education. This request is for authorization to apply for EMLEG funds. If awarded, grant funds will be used to assist in enforcement activities on the City's waterways through the provision of 2,944 hours of additional waterway law enforcement patrols. Enhanced Marine Law Enforcement Grant funding allows the Department to schedule Marine Unit officers to work evening shifts at a reduced cost to the City. Absent EMLEG funding, the Department would be unable to schedule Marine Unit personnel during evening shifts.

Although the grantor does not require a cash match, the program's reimbursement rate of \$49/hr will not cover all associated staffing costs. The additional staffing costs include overtime salary rates and FICA costs of approximately \$117,295.59. The Department normally obtains the additional funds necessary to support the EMLEG award during the City's annual budget process.

The grant application deadline is January 17, 2022, and a motion supporting the funding request must accompany the application submittal. The proposed grant project period is October 1, 2022 through September 30, 2023.

Resource Impact

There is no anticipated fiscal impact to the City in FY2022. In FY2023, there is an anticipated positive fiscal impact to the City in the amount of \$145,256. Although the EMLEG grant program does not require a cash match, if all 2,944 hours are worked under the grant during FY2023, there will be an estimated cost to the City of \$117,295.59.
