**Recommendation**

Staff recommends the City Commission adopt the Preliminary Rate Resolution for the Beach Business Improvement Assessment and authorize a public hearing date of September 14, 2026 at 5:01 P.M., at the Fort Lauderdale Police Department Headquarters, 1300 West Broward Boulevard, Community Room No.1004, Fort Lauderdale, FL 33312.

**Background**

The City of Fort Lauderdale authorized the imposition of an annual Beach Business Improvement Assessment to establish funding to support services, facilities, and/or programs providing a special benefit to business properties and areas within the Beach Business Improvement District boundaries on October 3, 2006 (C-06-34). Annually, the City must adopt the Preliminary Rate Resolution to:

- Provide a brief and general description of the Beach Business Improvement services, facilities or programs to be provided;
- Determine the Beach Business Improvement Assessment Costs to be assessed;
- Establish the estimated assessment rate;
- Authorize the date, time, and place of a public hearing to consider the adoption of the Annual Rate Resolution; and
- Direct the City Manager to perform functions necessary for the annual adoption of the assessment.

The Fiscal Year 2027 Beach Business Improvement District budget includes a non-ad valorem assessment rate at \$.8525 per \$1,000 of assessed property value to generate an estimated \$1,416,548 in revenue. The assessment revenue, along with \$15,400 in various other revenues, supports the proposed budget of \$1,431,948. As of June 1, 2026, the estimated assessed valuation of the properties within the district is \$1,661,640,610. The Certification of Taxable Value received from the property appraiser on July 1, 2026, will be used for the final determination of assessed valuation.

The City Manager is required per state statute to certify the non-ad valorem assessment rate to the Broward County Tax Collector no later than September 15, 2026.
