RE: Public Participation Meeting Summary

Sistrunk View Mixed-Use Development

Rezoning Application – Case No. UDP-Z26002

Dear Planning Staff:

Pursuant to the City of Fort Lauderdale Unified Land Development Regulations, the Applicant held a public participation meeting to present the plans for the proposed Sistrunk View mixed-use affordable housing development and associated rezoning request.

The public participation meeting was held in person on March 2, 2026 at 6:00 PM at the Joseph C. Carter Park Community Center located at 1450 W Sunrise Boulevard, Fort Lauderdale, Florida. The meeting was conducted as part of Commissioner Beasley-Pittman's District III Pre-Agenda Meeting.

Notice of the meeting was provided to the Historic Dorsey-Riverbend Civic Association, Progresso Village Civic Association, and the Home Beautiful Park Civic Association which are the city-recognized civic associations located within 300 feet of the project site. The notice informed the associations of the date, time, and location of the public participation meeting and provided information regarding the proposed rezoning request.

Approximately fifteen (15) community members attended the meeting. Representatives of the development team provided an overview of the proposed project, including the rezoning request, the proposed 100-unit mixed-use affordable housing development, and the inclusion of ground-floor commercial space intended to activate the Sistrunk Boulevard corridor. The presentation also discussed the development's role in providing high-quality affordable housing for households earning at or below 80% of the Area Median Income (AMI) and the anticipated benefits the project will bring to the surrounding community.

Following the presentation, time was allotted for questions and comments from attendees. Community members asked several general questions regarding the development timeline, construction process, and future commercial opportunities associated with the project. The development team addressed each of these questions and provided additional clarification regarding the proposed development and next steps in the approval process.

Overall, the feedback from attendees was positive and supportive of the project. Several participants expressed enthusiasm about the proposed development and indicated that they were excited to see the project move forward and contribute to the continued revitalization of the Sistrunk corridor.

At the conclusion of the meeting, the development team provided contact information and encouraged attendees to reach out with any additional questions or comments regarding the proposed project. The Applicant remains committed to maintaining open communication with the surrounding community and will continue to make itself available for follow-up discussions as the project progresses through the City's review and approval process.

Should you require any additional information regarding the public participation meeting, please do not hesitate to contact our office.

Sincerely,

Greg Brewton

Re: City of Fort Lauderdale

Public Participation Meeting - March 2nd, 2026 at 6:00 PM, Joseph C. Carter Park Community Center

Project: Sistrunk View Mixed Use Development

City Case #: UDP-226002

To: Historic Dorsey-Riverbend Civic Association

This letter is to notify you of a Public Participation Meeting as required by the City of Fort Lauderdale related to a rezoning application for a portion of the property located at 790 NW 6th St. within the City of Fort Lauderdale. The project proposed intends to construct a 100 unit mixed-use, 100% affordable housing rental community ("Development") designed to address the housing and economic development needs of the community. The Development will provide high-quality, affordable housing for households earning at or below 80% of the area median income ("AMI"). As proposed, the Development will activate the street-level environment with commercial space and enhance the urban fabric through thoughtful site and building design.

Under the City of Fort Lauderdale Public Participation Ordinance, the petitioner is required to notify any official civic association located within 300 feet of the property regarding the date, time and place of the Public Participation meeting. The meeting will be held on March 2nd, 2026, at 6:00 PM at **Joseph C. Carter Park Community Center**, 1450 W Sunrise Blvd, Fort Lauderdale, FL 33311. Note the meeting will be part of Commissioner Beasley-Pittman District III Pre-Agenda Meeting.

If you wish to submit written comments, please send them to:

Jonathan D'Angelo, Urban Planner, City of Fort Lauderdale, jdangelo@fortlauderdale.gov

The Development Review Committee Case Comment Report for the subject case can be accessed at the following website link: www.fortlauderdale.gov/drc

Also, please be advised that there will be additional opportunities for public input at City of Fort Lauderdale Public Hearings before the Planning and Zoning Board and City Commission.

Sincerely,

Greg Brewton

REZONING OF
RMM-25 ZONING
TO NWRAC-MU

Sistrunk View Development Summary

1

The Fort Lauderdale Community Redevelopment Agency (“CRA”) released an RFP seeking out a qualified real estate developer to further the implementation of the CRA’s plan for the Northwest Progresso Flagler Heights Community.

2

Housing Trust Group was selected as Developer by the Fort Lauderdale CRA on November 8, 2024 as part of RFP process

3

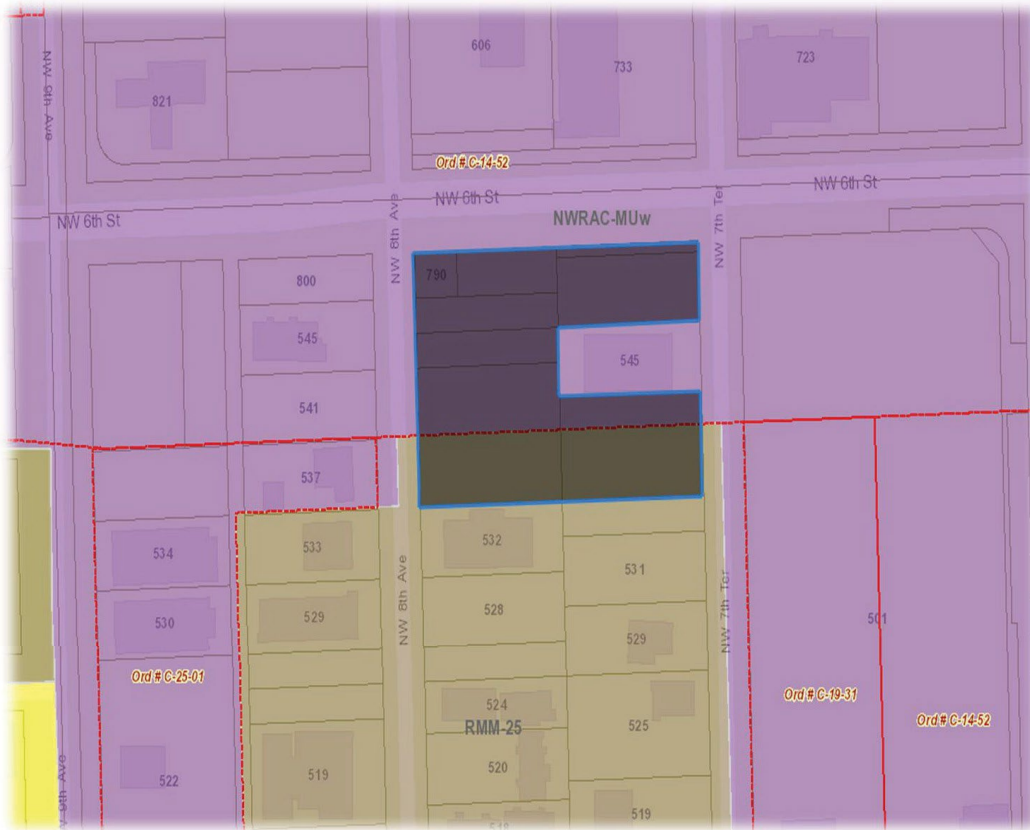

The CRA **and Sistrunk View, LLC** entered a Purchase and Sale Agreement as part of its redevelopment award process.

4

The CRA committed gap financing to position the project to proceed as a mixed-income affordable housing development

5

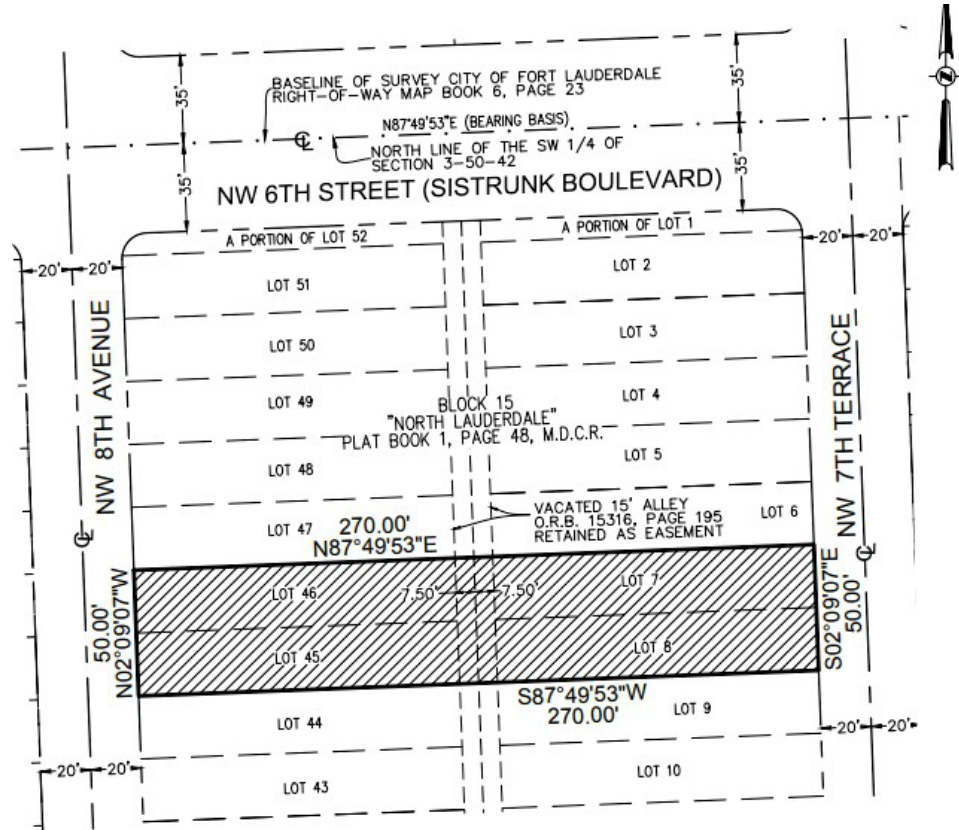

Sistrunk View, LLC has maintained its commitments to the CRA and is processing this rezoning in an effort to deliver Sistrunk View without compromising the character of the area.

The NWRAC-MuW zoning district being proposed is consistent with the city's comprehensive plan. The uses allowed in the proposed zoning district are permitted within the land use category. Rezoning the RMM-25 zoning allows the entire property to have the same zoning designation.

Current Zoning Districts: NWRAC-MU and RMM-25

Area to be rezoned to NWRAC-MuW zoning district

To address the uncommon condition of a parcel having split zoning, the Developer is proactively unifying the zoning designation to support a cohesive project as well as addressing the rezoning criteria outlined in the City's Unified Land Development Code ("ULDR").

This rezoning allows for more efficient development of the as of right density and height allowed under the current zoning designations of each zoning category. This rezoning is not being requested to increase the intensity of what is being developed and only to ensure that the development is more compatible with the surrounding area.
