Owners: John Terrill, Agnes Howard, Luciano Bonaldo, and Mayer Del Valle Bonaldo
Applicant: Andrew J. Schein, Esq.
Request: Right-of-Way Vacation

October 11, 2024

I. General Description of Request.

This application is to vacate a portion of SE 2nd Court between 1710 SE 2nd Court and 212 S. Victoria Park Road as detailed on the sketch and legal description included with this application ("ROW Area"). The ROW Area is an unimproved area that is not open for vehicular traffic and is generally shielded from pedestrian traffic through dense tree cover, landscaping, and an existing fence. Due to the dense landscaping in the ROW Area that shields the interior from view, the ROW Area has become a location for nefarious activities. For a sense of safety, the Owners are proposing to vacate the ROW Area in order to prevent such activities from occurring/enforce control over the area.

This application is being submitted on behalf of John Terrill and Agnes Howard, owners of 212 S. Victoria Park Road, and Luciano and Mayer Del Valle Bonaldo, owners of 1710 SE 2nd Court. Both owners understand that if the right-of-way is vacated, the northern half and southern half will go to the respective adjacent properties.

II. ULDR 47-24.6.A.4 – Vacation of Rights-of-Way

a. The right-of-way is no longer needed for public purposes

RESPONSE: The ROW Area is not used for public purposes, it consists of dense landscaping. To the applicant's knowledge, there are no known utilities within the area. Applicant will provide letters of no objection from TECO, AT&T, FPL, Comcast, and the City's Public Works Department confirming that the City and franchise utilities do not have any objection to vacating the ROW.

b. Alternate routes if needed are available which do not cause adverse impacts to surrounding areas; and

RESPONSE: N/A, the ROW Area is neither a pedestrian nor vehicular thoroughfare.

c. The closure of a right-of-way provides safe areas for vehicles to turn around and exit the area; and

RESPONSE: N/A, the ROW Area is neither a pedestrian nor vehicular thoroughfare.

d. The closure of a right-of-way shall not adversely impact pedestrian traffic; and

RESPONSE: N/A, the ROW Area is neither a pedestrian nor vehicular thoroughfare.

e. All utilities located within the right-of-way or other public place have been or will be relocated pursuant to a relocation plan; and the owner of the utility facilities has consented to the vacation; or a utilities easement has been retained over the right-of-way area or portion thereof; or an easement in a different location has been provided for the utility facilities by the owner to the satisfaction of the city; or any combination of same and utilities maintenance shall not be disrupted.

RESPONSE: Letters of no objection from the City and franchise utility companies will be provided upon receipt.
