Subject: **Right-of-Way Vacation, Folio number: 504209200250
900, 905, 910 Coconut Drive, Fort Lauderdale, Florida 33315**

Dear Mr. Crush,

This is a Letter of No Objection regarding the vacation of the City Right-of-Way (ROW) located south of the intersection of SW 9th Street and Coconut Drive adjacent to the properties at 900, 905, 910 Coconut Drive.

City of Fort Lauderdale (City) has previously determined that there currently are various City utilities located within the subject ROW.

- The ROW contains sanitary sewer infrastructure that includes a manhole and an 8-inch diameter gravity sewer serving the adjacent properties.
- The ROW contains essential water infrastructure including 8-inch water main serving adjacent properties and a fire hydrant used for line flushing and fire protection.

Due to the presence of the essential utility infrastructure the portion of the City right-of-way located south of the intersection of SW 9th Street and Coconut Drive can only be vacated under following conditions:

1. All current utility infrastructure will remain in place.
2. City will retain a perpetual easement over the entire right-of-way for access and maintenance of the existing utility infrastructure.

Under the conditions listed above, the City Public Works Department has no objections to the vacation of the right-of-way located south of the intersection of SW 9th Street and Coconut Drive adjacent to the properties at 900, 905, 910 Coconut Drive.
