

PRIMARY POINT OF CONTACT, COMMUNICATION, AND NOTICES

Except as otherwise specified in the Contract Documents, the City of Fort Lauderdale Information Technology Services (ITS) Department serves as the primary point of contact for all matters regarding this deployment. This includes coordinating deployment, services, and project meetings; overseeing support activities; managing contract updates; and reviewing and approving payment milestones and system acceptance certifications.

Furthermore, except as otherwise specified in the Contract Documents, notices required by any of the Contract Documents shall be in writing and shall be deemed delivered upon email.
