

CITY OF
FORT LAUDERDALE

2026 Storm Season Preparedness

June 2, 2026

Training & Preparation Examples

- Safety and Preparedness Training Exercises
- Emergency Operations Center (EOC) Section Training
 - Operations, Planning, Logistics, Finance, and Policy
 - Requires all EOC activated City Departments
- FEMA & Disaster Response Training
- Continuity of Operations Plans (COOP)
- EOC Full Scale Tabletop Activation
- Broward Emergency Coordinating Council
- Regional Domestic Security Task Force

Stormwater Operations

- City staff schedules are based on the weather forecast and real-time conditions.
- Crews are held over if there is a forecasted significant rain event that extends past scheduled shift times and remain on-call during heavy rain periods.
- Proactively deployed four (4) pumps in Edgewood, Riverland, Melrose Manors, and Melrose Park.
- Procuring five (5) additional pumps in Fiscal Year (FY) 2026.
- Verified contracts to be used for emergency pumping, debris management, and monitoring.
- Routine inspections and maintenance work performed.

Fortify Improvements

- Durrs, Edgewood, and River Oaks projects have been completed
- Historic Dorsey Riverbend is substantially completed
- Progresso Village is under construction and approaching 75% completion
- Victoria Park started construction January 2026

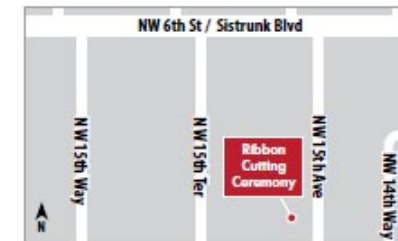

RIBBON-CUTTING CEREMONY

Historic Dorsey-Riverbend Stormwater Pump Station

Tuesday, April 14, 2026 | 10 a.m.
515 NW 15th Avenue, Fort Lauderdale, FL 33311

Join the City of Fort Lauderdale, friends and neighbors for a ribbon-cutting ceremony to mark the completion of the Historic Dorsey-Riverbend Stormwater Pump Station. This new station will serve the Durrs and Historic Dorsey-Riverbend neighborhoods, strengthening our infrastructure and bolstering the City's resilience.
